

## Monitoring survey results for Democratic Republic of the Congo

UNESCO Region	Sub-Saharan Africa
1.1. Does your country have an official definition	Yes
of ALE?	
1.1.1. Enter the official definition of ALE here:	Les apprentissages qui sont valorisés par le biais des focus group, des barza communautaires et des conférences débats qui réuniraient différentes communautés à la convivialité, afin de faire reculer la pauvreté, l'exclusion, les incompréhensions, les oppressions, les guerres qui exposent de façon drastique les groupes vulnérables.
1.2. Has the official definition of ALE changed since 2009?	No
1.2.1. What were the reasons for this change?	
1.3. Are literacy and basic skills a top priority for	Yes
ALE programmes in your country?	
1.3.1. Describe here the key points of your	La Constitution de la République dans son article 44;La politique éducative;La
country's policy approach to literacy and basic skills.	Loi-cadre de l'enseignement national révisé en 2014;La stratégie sous- sectorielle de développement et de l'éducation non formel adopté en 2012;L'audit institutionnel et organisationnel du sous-secteur de l'AENF 2013
1.4. Would your country's ALE stakeholders agree or disagree with the following statements? We are not asking for your personal views. [Youth education and ALE are are seen part of an integrated whole.]	agree
1.4. Would your country's ALE stakeholders agree or disagree with the following statements? We are not asking for your personal views. [ALE policy addresses learning processes and teacher-learner relations.]	agree
1.4. Would your country's ALE stakeholders agree or disagree with the following statements? We are not asking for your personal views. [ALE is such a diverse sector of provision that it is difficult to define precisely.]	agree
1.4. Would your country's ALE stakeholders agree or disagree with the following statements? We are not asking for your personal views. [Adult learning and adult education are the same thing.]	agree
1.4. Would your country's ALE stakeholders agree or disagree with the following statements? We are not asking for your personal views. [ALE and continuing vocational education and training are not integrated.]	disagree
1.4. Would your country's ALE stakeholders agree or disagree with the following statements? We are not asking for your personal views. [New technologies have fundamentally changed the scope of our ALE practice.]	agree

1.4. Would your country's ALE stakeholders agree or disagree with the following statements? We are not asking for your personal views. [Demographic trends (e.g. ageing societies and migration patterns) are making ALE policy much more important than it used to be.]	agree
1.4. Would your country's ALE stakeholders agree or disagree with the following statements? We are not asking for your personal views. [ALE policy identifies non-formal and informal learning as important.]	agree
1.5. Has your country formulated a CONFINTEA VI action plan following the BFA?	Yes
1.5.1. What areas does it cover? [Adult literacy]	Yes
1.5.1. What areas does it cover? [Policy]	Yes
1.5.1. What areas does it cover? [Governance]	Yes
1.5.1. What areas does it cover? [Financing]	Yes
1.5.1. What areas does it cover? [Participation]	Yes
1.5.1. What areas does it cover? [Quality]	Yes
1.5.1. What areas does it cover? [Other]	
2.1. Overall, would you say that since 2009 your country	has made significant progress on ALE policy?
2.1.1. Provide the most significant indicator of	
this regression here.	
2.1.1. Provide the most significant indicator of	La réduction du taux d'analphabétisme de 30,3% en 2009 à 27,1% en 2014
this progress here.	
2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Individuals seeking personal growth and widening of	Yes
knowledge horizonsl 2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Individuals seeking to update work-relevant knowledge and skills]	Yes
2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Women and men in mid-life transitions (e.g. change in employment status; personal, health and family challenges)]	Yes
2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Individuals seeking recognition for prior learning (especially non-formally and informally acquired)]	Yes
2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Socially excluded groups (e.g. homeless people, [ex-]prisoners; adults with mental health problems)]	Not selected
2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Adults with low-level literacy or basic skills]	Not selected
2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Workers in low-skill, low-wage or precarious positions]	Not selected

2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Long-term unemployed people]	Not selected
2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Adults living with disabilities]	Not selected
2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Residents of rural or sparsely populated areas]	Not selected
2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Parents and families]	Not selected
2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Lone or single parents]	Not selected
2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Senior citizens/retired people (third-age education)]	Not selected
2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Young persons not in education, employment or training]	Not selected
2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Migrants and refugees from other countries]	Not selected
2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Minority ethnic, linguistic or religious minorities and indigenous peoples]	Yes
2.3. Does your country have a policy framework to recognize, validate and accredit non-formal and informal learning?	Yes, a policy framework existed before 2009
2.4. Since 2009, has your country enacted any important new policies with respect to ALE?	Yes
2.4.1. Provide the name of the policy, the year of adoption and if possible a link to the document.	La Stratégie sous-sectorielle de développement de l'alphabétisation et de l'éducation non formelle, 2012.
3.1. Which of these statements apply to your country? Since 2009, the governance of ALE has [increased stakeholder participation ]	agree
3.1. Which of these statements apply to your country? Since 2009, the governance of ALE has [developed more effective monitoring and evaluation systems ]	agree
3.1. Which of these statements apply to your country? Since 2009, the governance of ALE has [introduced better coordination arrangements ]	agree
3.1. Which of these statements apply to your country? Since 2009, the governance of ALE has [become more decentralized ]	agree
3.1. Which of these statements apply to your country? Since 2009, the governance of ALE has [strengthened capacity-building initiatives]	agree

3.1. Which of these statements apply to your country? Since 2009, the governance of ALE has [strengthened inter-ministerial cooperation]	agree
3.2. Since 2009, has your government consulted stakeholders and civil society about the formulation, implementation and evaluation of ALE policies?	Not yet, but the government plans to do so
3.2.1. Describe how the government consults on ALE policy.	
3.3. Has there been any significant innovation/development in ALE governance in your country since 2009 that could be of interest to other countries?	Yes
3.3.1. Give details here. Provide sources and hyperlinks (URLs) if possible.	La politique de faire-ensemble entre le Gouvernement et la société civile en matière de l'AEAsources: La Stratégie sous-sectorielle de l'AENF
4.1. What percentage of public education spending currently goes to ALE?	0.5% - 0.9%
4.2. Between 2009 and 2014, public spending on ALE as a proportion of public education spending in my country has	stayed about the same
4.3. Does the government plan to increase or decrease spending on ALE?	Plans to increase
4.4. Has your government introduced any significant innovation in ALE financing since 2009 that could be of interest to other countries?	No
4.4.1. Give details and provide references where appropriate and URL link if possible.	
5.1. Since 2009 and for the adult population overall, the participation rate (%) in ALE has	Increased
5.1.1. Insert the overall ALE participation rate (%) for the most recent year available [Participation rate (%)]	20%
5.1.1. Insert the overall ALE participation rate (%) for the most recent year available [Reference year]	2012-2013
5.1.1. Insert the overall ALE participation rate (%) for the most recent year available [Reference age group]	15 à 49 ans et plus
5.1.1. Insert the overall ALE participation rate (%) for the most recent year available [Definition of 'participation']	scolarisation/fréquentation
	Annuaire statistique AENF, Enquête EDS 2014
5.2. What differences are there between women and men in terms of their participation rates (%) in ALE programmes? [Overall]	Women participate more
5.2. What differences are there between women and men in terms of their participation rates (%) in ALE programmes? [General education]	Equal participation
5.2. What differences are there between women and men in terms of their participation rates (%) in ALE programmes? [Technical and Vocational education and training (TVET)]	Men participate more
5.2. What differences are there between women and men in terms of their participation rates (%) in ALE programmes? [Literacy]	Women participate more
5.2. What differences are there between women and men in terms of their participation rates (%) in ALE programmes? [Non-formal and informal education]	Equal participation

5.3. For each of the following groups, how has ALE participation since 2009 changed? [Migrants and refugees from other countries]	do not know
5.3. For each of the following groups, how has ALE participation since 2009 changed? [All those seeking recognition for prior learning (especially non-formally and informally acquired)]	increased
5.3. For each of the following groups, how has ALE participation since 2009 changed? [Adults with low-level literacy and basic skills]	increased
5.3. For each of the following groups, how has ALE participation since 2009 changed? [Minority ethnic, linguistic and religious minorities and indigenous peoples]	increased
5.3. For each of the following groups, how has ALE participation since 2009 changed? [Senior citizens/the retired (Third Age Education)]	do not know
5.3. For each of the following groups, how has ALE participation since 2009 changed? [The long-term unemployed]	do not know
5.3. For each of the following groups, how has ALE participation since 2009 changed? [Adults living with disability]	increased
5.3. For each of the following groups, how has ALE participation since 2009 changed? [Young persons not in education, employment and training]	increased
5.3. For each of the following groups, how has ALE participation since 2009 changed?[Residents of rural and remote areas]	increased
5.3. For each of the following groups, how has ALE participation since 2009 changed? [Workers in low-skill, low-wage and precarious employment]	do not know
5.4. Has your government introduced any significant innovation in ALE to improve access and participation since 2009 that could be of interest to other countries?	No
5.4.1. Give details. Provide sources and URL link if possible. Also include references to recent surveys or major studies of ALE participation in your country published since 2009.	
6.1. Does your country systematically collect information about the following ALE outcomes? [Completion rates]	Yes
6.1. Does your country systematically collect information about the following ALE outcomes?  [Certificates or qualifications issued]	Yes
6.1. Does your country systematically collect information about the following ALE outcomes? [Employment outcomes (or labour market outcomes)]	Not selected
6.1. Does your country systematically collect information about the following ALE outcomes? [Social outcomes in the areas of health and wellbeing, community cohesion]	Not selected
6.1. Does your country systematically collect information about the following ALE outcomes? [None of these – this information is not systematically available]	Not selected
6.1. Does your country systematically collect information about the following ALE outcomes?  [Other]	

6.2. Are there initial, pre-service education and training programmes for ALE	Yes
teachers/facilitators in your country? 6.3. Are initial, pre-service qualifications a requirement to teach in ALE programmes?	Yes, in all cases
6.4. Are there continuing, in-service education	Yes, with sufficient capacity
and training programmes for adult education	res, min sumionic capacity
teachers/facilitators in your country?	
6.5. Since 2009, have there been any	Yes
substantial analyses of the following issues in	
your country? [Learning outcomes of ALE]	
6.5. Since 2009, have there been any	Not selected
substantial analyses of the following issues in	
your country? [Quality criteria for teaching and	
learning, e.g. curricula and methodsl 6.5. Since 2009, have there been any	Yes
substantial analyses of the following issues in	
your country? [Diversity of providers]	
6.5. Since 2009, have there been any	Not selected
substantial analyses of the following issues in	
your country? [Impact of new technologies on	
ALE 6.5. Since 2009, have there been any	Yes
substantial analyses of the following issues in	155
your country? [Equity issues in ALE]	
6.5. Since 2009, have there been any	Not selected
substantial analyses of the following issues in	
your country? [Barriers to ALE participation and	
provision	
6.5. Since 2009, have there been any	Not selected
substantial analyses of the following issues in	
your country? [Other issues] 6.5.1. Give references and URL link(s).	Question de collecte des données statistiques dans le système d'information
	pour la gestion de l'éducation
6.6. Has your government introduced any	No
_
