## GLOBAL REPORT ON ADULT LEARNING AND EDUCATION

## Monitoring survey results for Marshall Islands

UNESCO Region	East Asia and the Pacific
1.1. Does your country have an official definition	Yes
of ALE?	
1.1.1. Enter the official definition of ALE here:	The College of the Marshall Islands Act (14 MIRC Chapter 2)of 1992 defines Adult Basic Education as "secondary level educational programs and courses offered to out-of-school adults."
1.2. Has the official definition of ALE changed since 2009?	No
1.2.1. What were the reasons for this change?	
1.3. Are literacy and basic skills a top priority for ALE programmes in your country?	Yes
1.3.1. Describe here the key points of your country's policy approach to literacy and basic skills.	Literacy and basic skills emphasis on: • Unemployed, out-of-school adults between the ages of 15-24; • Women having no or little income with special emphasis on those in vulnerable categories (e.g., young mothers or victims of abuse); • Outer island residents; • Persons with special needs due to physical or cognitive disabilities.Literacy and basic skills training characterized by: • Emphasis on bilingualism (English and Marshallese); • Integration with vocational skills training in trades and occupations for which there is documented labor demand in the local economy such as construction, mechanics, and air conditioning maintenance and repair; • Integration with small business, micro-enterprise, and entrepreneurial skills training; • Support for maintenance of traditional Marshallese skills; • Integration with life skills training focusing on knowledge and skills (e.g., health, hygiene, nutrition, parenting, etc.) needed to lead healthy and responsible lives.
1.4. Would your country's ALE stakeholders agree or disagree with the following statements? We are not asking for your personal views. [Youth education and ALE are are seen part of an integrated whole.]	tend to agree
1.4. Would your country's ALE stakeholders agree or disagree with the following statements? We are not asking for your personal views. [ALE policy addresses learning processes and teacher-learner relations.]	tend to disagree
1.4. Would your country's ALE stakeholders agree or disagree with the following statements? We are not asking for your personal views. [ALE is such a diverse sector of provision that it is difficult to define precisely.]	tend to agree

1.4. Would your country's ALE stakeholders agree or disagree with the following statements? We are not asking for your personal views. [Adult learning and adult education are the same thing.]	tend to agree
1.4. Would your country's ALE stakeholders agree or disagree with the following statements? We are not asking for your personal views. [ALE and continuing vocational education and training are not integrated.]	tend to disagree
1.4. Would your country's ALE stakeholders agree or disagree with the following statements? We are not asking for your personal views. [New technologies have fundamentally changed the scope of our ALE practice.]	tend to disagree
1.4. Would your country's ALE stakeholders agree or disagree with the following statements? We are not asking for your personal views. [Demographic trends (e.g. ageing societies and migration patterns) are making ALE policy much more important than it used to be.]	tend to disagree
1.4. Would your country's ALE stakeholders agree or disagree with the following statements? We are not asking for your personal views. [ALE policy identifies non-formal and informal learning as important.]	tend to agree
1.5. Has your country formulated a CONFINTEA VI	No
action plan following the BFA? 1.5.1. What areas does it cover? [Adult literacy]	Not selected
1.5.1. What areas does it cover? [Policy]	Not selected
1.5.1. What areas does it cover? [Governance]	Not selected
1.5.1. What areas does it cover? [Financing]	Not selected
1.5.1. What areas does it cover? [Participation]	Not selected
1.5.1. What areas does it cover? [Quality]	Not selected
1.5.1. What areas does it cover? [Other]	
2.1. Overall, would you say that since 2009 your	is at the same level as in 2009?
country	
2.1.1. Provide the most significant indicator of	
this regression here.	
2.1.1. Provide the most significant indicator of	
this progress here. 2.2. Which target groups of (potential) learners	Not selected
are especially important in ALE policies in your country? Check up to five groups. [Individuals seeking personal growth and widening of knowledge horizons]	
2.2. Which target groups of (potential) learners	Yes
are especially important in ALE policies in your country? Check up to five groups. [Individuals seeking to update work-relevant knowledge and skills]	

2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Women and men in mid-life transitions (e.g. change in employment status; personal, health and family challenges)]	Not selected
2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Individuals seeking recognition for prior learning (especially non-formally and informally acquired)]	Not selected
2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Socially excluded groups (e.g. homeless people, [ex- ]prisoners; adults with mental health problems)]	Not selected
2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Adults with low- level literacy or basic skills]	Yes
2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Workers in low- skill, low-wage or precarious positions]	Yes
2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Long-term unemployed people]	Yes
2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Adults living with disabilities]	Not selected
2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Residents of rural or sparsely populated areas]	Not selected
2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Parents and families]	Not selected
2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Lone or single parents]	Not selected
2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Senior citizens/retired people (third-age education)]	Not selected

2.2. Which target groups of (potential) learners	Yes
are especially important in ALE policies in your country? Check up to five groups. [Young persons	
not in education, employment or training]	
2.2. Which target groups of (potential) learners	Not selected
are especially important in ALE policies in your	
country? Check up to five groups. [Migrants and refugees from other countries]	
2.2. Which target groups of (potential) learners	Not selected
are especially important in ALE policies in your	
country? Check up to five groups. [Minority ethnic,	
linguistic or religious minorities and indigenous peoples]	
2.3. Does your country have a policy framework to	Yes, a policy framework was developed after 2009
recognize, validate and accredit non-formal and	
informal learning? 2.4. Since 2009, has your country enacted any	No
important new policies with respect to ALE?	
2.4.1. Provide the name of the policy, the year of	
adoption and if possible a link to the document.	
3.1. Which of these statements apply to your	tend to agree
country? Since 2009, the governance of ALE has [increased stakeholder participation ]	
3.1. Which of these statements apply to your	tend to agree
country? Since 2009, the governance of ALE has	
[developed more effective monitoring and evaluation systems ]	
3.1. Which of these statements apply to your	tend to agree
country? Since 2009, the governance of ALE has	
[introduced better coordination arrangements ]	
3.1. Which of these statements apply to your	tend to disagree
country? Since 2009, the governance of ALE has [become more decentralized ]	
3.1. Which of these statements apply to your	tend to disagree
country? Since 2009, the governance of ALE has	
[strengthened capacity-building initiatives]	
3.1. Which of these statements apply to your	tend to disagree
country? Since 2009, the governance of ALE has [strengthened inter-ministerial cooperation]	
3.2. Since 2009, has your government consulted stakeholders and civil society about the	Yes
formulation, implementation and evaluation of	
ALE policies?	
3.2.1. Describe how the government consults on ALE policy.	The government consults on ALE policy in conjunction with its Technical-Vocational Education and Training (TVET) strategic
ALL policy.	planning process and its Employer Skills Needs Survey initiative.
3.3. Has there been any significant	No
innovation/development in ALE governance in	
your country since 2009 that could be of interest to other countries?	

3.3.1. Give details here. Provide sources and	
hyperlinks (URLs) if possible.	
4.1. What percentage of public education	0.5% - 0.9%
spending currently goes to ALE?	
4.2. Between 2009 and 2014, public spending on	stayed about the same
ALE as a proportion of public education spending	
in my country has	
4.3. Does the government plan to increase or	Plans to stay about the same
decrease spending on ALE?	
4.4. Has your government introduced any	No
significant innovation in ALE financing since 2009	
that could be of interest to other countries?	
4.4.1. Give details and provide references where	
appropriate and URL link if possible.	
5.1. Since 2009 and for the adult population	Do not know – this information is not available
overall, the participation rate (%) in ALE has	
5.1.1. Insert the overall ALE participation rate (%)	
for the most recent year available [Participation	
rate (%)]	
5.1.1. Insert the overall ALE participation rate (%)	
for the most recent year available [Reference year]	
5.1.1. Insert the overall ALE participation rate (%)	
for the most recent year available [Reference age	
group]	
5.1.1. Insert the overall ALE participation rate (%)	
for the most recent year available [Definition of	
'participation']	
5.1.1. Insert the overall ALE participation rate (%)	
for the most recent year available [Data source	
with URL] 5.2. What differences are there between women	Equal participation
and men in terms of their participation rates (%)	
in ALE programmes? [Overall]	
5.2. What differences are there between women	Equal participation
and men in terms of their participation rates (%)	
in ALE programmes? [General education]	
5.2. What differences are there between women	Men participate more
and men in terms of their participation rates (%)	
in ALE programmes? [Technical and Vocational	
education and training (TVET)]	
5.2. What differences are there between women	Equal participation
and men in terms of their participation rates (%)	
in ALE programmes? [Literacy]	
E.2. What differences are there between warren	Waman participata mara
5.2. What differences are there between women	Women participate more
and men in terms of their participation rates (%)	
in ALE programmes? [Non-formal and informal	
education]	
5.3. For each of the following groups, how has	no change
ALE participation since 2009 changed? [Migrants	
and refugees from other countries]	

	· · · · · · · · · · · · · · · · · · ·
5.3. For each of the following groups, how has ALE participation since 2009 changed? [All those seeking recognition for prior learning (especially non-formally and informally acquired)]	no change
5.3. For each of the following groups, how has ALE participation since 2009 changed? [Adults with low-level literacy and basic skills]	increased
5.3. For each of the following groups, how has ALE participation since 2009 changed? [Minority ethnic, linguistic and religious minorities and indigenous peoples]	no change
5.3. For each of the following groups, how has ALE participation since 2009 changed? [Senior citizens/the retired (Third Age Education)]	no change
5.3. For each of the following groups, how has ALE participation since 2009 changed? [The long-term unemployed]	increased
5.3. For each of the following groups, how has ALE participation since 2009 changed? [Adults living with disability]	no change
5.3. For each of the following groups, how has ALE participation since 2009 changed? [Young persons not in education, employment and training]	increased
5.3. For each of the following groups, how has ALE participation since 2009 changed?[Residents of rural and remote areas]	increased
5.3. For each of the following groups, how has ALE participation since 2009 changed? [Workers in low-skill, low-wage and precarious employment]	no change
5.4. Has your government introduced any significant innovation in ALE to improve access and participation since 2009 that could be of interest to other countries?	No
5.4.1. Give details. Provide sources and URL link if possible. Also include references to recent surveys or major studies of ALE participation in your country published since 2009.	
6.1. Does your country systematically collect information about the following ALE outcomes? [Completion rates]	Yes
6.1. Does your country systematically collect information about the following ALE outcomes? [Certificates or qualifications issued]	Yes
6.1. Does your country systematically collect information about the following ALE outcomes? [Employment outcomes (or labour market outcomes)]	Not selected
6.1. Does your country systematically collect information about the following ALE outcomes? [Social outcomes in the areas of health and well- being, community cohesion]	Not selected

6.1. Does your country systematically collect	Not selected
information about the following ALE outcomes?	
[None of these – this information is not	
systematically available]	
6.1. Does your country systematically collect	
information about the following ALE outcomes?	
[Other]	
6.2. Are there initial, pre-service education and	Yes
training programmes for ALE teachers/facilitators	
in your country?	
6.3. Are initial, pre-service qualifications a	Yes, in some cases
requirement to teach in ALE programmes?	
6.4. Are there continuing, in-service education	No
and training programmes for adult education	
teachers/facilitators in your country?	
6.5. Since 2009, have there been any substantial	Not selected
analyses of the following issues in your country?	
[Learning outcomes of ALE]	
6.5. Since 2009, have there been any substantial	Not selected
analyses of the following issues in your country?	
[Quality criteria for teaching and learning, e.g.	
curricula and methods]	
6.5. Since 2009, have there been any substantial	Not selected
analyses of the following issues in your country?	
[Diversity of providers]	
6.5. Since 2009, have there been any substantial	Not selected
analyses of the following issues in your country?	
[Impact of new technologies on ALE]	
	Net estaded
6.5. Since 2009, have there been any substantial	Not selected
analyses of the following issues in your country?	
[Equity issues in ALE]	Net colorted
6.5. Since 2009, have there been any substantial	Not selected
analyses of the following issues in your country?	
[Barriers to ALE participation and provision]	
6.5. Since 2009, have there been any substantial	Not selected
analyses of the following issues in your country?	
[Other issues]	
6.5.1. Give references and URL link(s).	
6.6. Has your government introduced any	No
significant innovation regarding the quality of ALE	
significant infovation regarding the quality of ALE since 2009 that could be of interest to other	
countries?	
6.6.1. Give details and provide sources and URL	
links if possible.	
links if possible. Since 2009, how much has the knowledge base	somewhat
Since 2009, how much has the knowledge base	somewhat
Since 2009, how much has the knowledge base on the benefits of ALE for the following areas	somewhat
Since 2009, how much has the knowledge base on the benefits of ALE for the following areas improved for policymakers, researchers and	somewhat
Since 2009, how much has the knowledge base on the benefits of ALE for the following areas improved for policymakers, researchers and practitioners? [Health and well-being]	somewhat
Since 2009, how much has the knowledge base on the benefits of ALE for the following areas improved for policymakers, researchers and practitioners? [Health and well-being] Since 2009, how much has the knowledge base	somewhat
Since 2009, how much has the knowledge base on the benefits of ALE for the following areas improved for policymakers, researchers and practitioners? [Health and well-being] Since 2009, how much has the knowledge base on the benefits of ALE for the following areas	somewhat

on the benefits of ALE for the following areas	
improved for policymakers, researchers and	
practitioners? [Employment and labour market	
outcomes]	
7.1. Indicate the extent to which your country's	3
ALE policy and practice [Recognizes the	
contribution ALE can make to personal health and	
well-being]	
7.1. Indicate the extent to which your country's	1
ALE policy and practice [Follows the World Health	
Organization's holistic approach, including mental	
as well as physical health]	
7.1.1. Explain your response here.	ALE providers are not necessarily familiar with WHO's holistic
	approach, although some may follow this approach without being
	aware of its WHO impramatur.
	Not selected
country, ALE has a positive impact on:	
[Competencies needed for health, including	
knowledge, attitudes, skills and values needed for	
prevention, accessing treatment, etc.]	
7.2. Do you have evidence to show that in your	Not selected
country, ALE has a positive impact on: [Self-	
reported health]	
	Not selected
country, ALE has a positive impact on: [Maternal	
health]	
	Not selected
country, ALE has a positive impact on: [Mental	
health and well-being (such as self-efficacy)]	
ficatin and wen being (such as sen emeaby)]	
7.2. Do you have evidence to show that in your	Not selected
country, ALE has a positive impact on:	
[Preventing, but also living with, HIV/AIDS and its	
social consequences]	
	Not selected
country, ALE has a positive impact on: [Prevention	
and control of other infectious diseases, including	
_	
epidemics (such as SARS, cholera, hepatitis)]	
7.2. Do you have evidence to show that in your	Not selected
country, ALE has a positive impact on: [Sexual and	
reproductive health]	
	Not selected
country, ALE has a positive impact on:	
[Preventing, but also living with, chronic illnesses	
(such as diabetes, heart disease, Alzheimer's)]	
7.2. Do you have evidence to show that in your	Not selected
country, ALE has a positive impact on: [Healthy	
lifestyles (such as diet, exercise, stress reduction)]	
7.2. Do you have evidence to show that in your	Not selected
country, ALE has a positive impact on: [Making	
the local environment more healthy (e.g. through	
community action)]	

7.2. Do you have evidence to show that in your	Not selected
country, ALE has a positive impact on: [None of	
the above, but there is evidence that ALE has a	
positive impact on other aspects of health]	
7.2. Do you have evidence to show that in your	Yes
country, ALE has a positive impact on: [No	
evidence at all for any aspect]	
7.2.1. Please provide your sources.	
7.3. For your country, indicate how important the	4 = very important
following are as factors influencing the	
effectiveness of ALE for health and well-being:	
[Illiteracy]	
7.3. For your country, indicate how important the	4 = very important
following are as factors influencing the	
effectiveness of ALE for health and well-being:	
[Household income inequalities]	
7.3. For your country, indicate how important the	2
following are as factors influencing the	
effectiveness of ALE for health and well-being:	
[Poor quality of pedagogy, training materials, staff	
training and capacity]	
7.3. For your country, indicate how important the	2
following are as factors influencing the	
effectiveness of ALE for health and well-being:	
[Lack of access to information on ALE	
programmesl	
7.3. For your country, indicate how important the	2
following are as factors influencing the	
effectiveness of ALE for health and well-being:	
[Poor interdepartmental or inter-sectoral	
collaboration	
7.3. For your country, indicate how important the	1 = not important
following are as factors influencing the	
effectiveness of ALE for health and well-being:	
[Community resistance]	
7.3. For your country, indicate how important the	3
following are as factors influencing the	
effectiveness of ALE for health and well-being:	
[Inadequate or misdirected funding]	
7.4. How far do different stakeholders (public	In theory, but not much in practice
education agencies, public health agencies,	
NGOs, private providers, etc.) collaborate in the	
design and delivery of ALE programmes in your	
country?	NI-
7.5. Does your country have an interdepartmental	No
or cross-sectoral coordinating body for ALE for	
promoting personal health and well-being?	
[Name of coordinating body:]	
[Briefly describe its mandate and activities:]	
8.1. Do you have evidence to show that ALE has a	Not selected
positive impact on the following issues?	
[Participation in social, civic and political activities	
ווונסו מכוויד איניים איני איני איני איני איני איני אי	
8.1. Do you have evidence to show that ALE has a	Not selected
positive impact on the following issues? [Social	
trust]	
ci di della	

8.1. Do you have evidence to show that ALE has a positive impact on the following issues? [Social integration/inclusion]	Not selected
8.1. Do you have evidence to show that ALE has a positive impact on the following issues? [Diversity tolerance]	Not selected
8.1.1. Give sources for checked options.	
8.2. To what extent are the following dimensions important for ALE policy in your country? [Non- economic outcomes and benefits for individuals (such as personal development, quality of life, well-being and social and cultural participation)]	to a small extent
8.2. To what extent are the following dimensions important for ALE policy in your country? [Non- economic outcomes and benefits for collective and civil society (such as positive and trustful social relations, active and sustainable communities, and social integration)]	to a small extent
8.2. To what extent are the following dimensions important for ALE policy in your country? [Economic returns for individuals, communities and society (such as employability, innovation capacity, financial autonomy, living standards, skills levels improvement and structural labour market evolution)]	to a large extent
8.3. To what extent do literacy and basic skills programmes contribute to strengthening the following cultural and social resources in your country? [Multilingualism and cultural diversity]	to a large extent
8.3. To what extent do literacy and basic skills programmes contribute to strengthening the following cultural and social resources in your country? [Increased access to education, literature, the arts and cultural heritage]	to a large extent
8.3. To what extent do literacy and basic skills programmes contribute to strengthening the following cultural and social resources in your country? [Environmental sustainability in local communities]	to a small extent
8.3. To what extent do literacy and basic skills programmes contribute to strengthening the following cultural and social resources in your country? [Active citizenship and political and community participation]	to a small extent
8.3. To what extent do literacy and basic skills programmes contribute to strengthening the following cultural and social resources in your country? [Community solidarity and social justice]	to a small extent
8.3. To what extent do literacy and basic skills programmes contribute to strengthening the following cultural and social resources in your country? [Democratic values and peaceful co- existence]	to a small extent

9.2. To what extent do literapy and basic skills	
8.3. To what extent do literacy and basic skills programmes contribute to strengthening the	
following cultural and social resources in your	
country? [Other]	
8.3.1. Please specify	?
8.4. To what extent do ALE programmes in	to a large extent
general contribute to strengthening the following	5
cultural and social resources in your country?	
[Multilingualism and cultural diversity]	
8.4. To what extent do ALE programmes in	to a large extent
general contribute to strengthening the following	
cultural and social resources in your country?	
[Increased access to education, literature, the	
arts and cultural heritage] 8.4. To what extent do ALE programmes in	to a small extent
general contribute to strengthening the following	
cultural and social resources in your country?	
[Environmental sustainability in local communities]	
8.4. To what extent do ALE programmes in	to a small extent
general contribute to strengthening the following	
cultural and social resources in your country?	
[Active citizenship and political and community	
participation]	te e enell estert
8.4. To what extent do ALE programmes in	to a small extent
general contribute to strengthening the following cultural and social resources in your country?	
[Community solidarity and social justice]	
8.4. To what extent do ALE programmes in	to a small extent
general contribute to strengthening the following	
cultural and social resources in your country?	
[Democratic values and peaceful co-existence]	
8.4. To what extent do ALE programmes in	
general contribute to strengthening the following	
cultural and social resources in your country?	
[None of these – adult learning and education	
programmes mostly have other purposes]	
8.4. To what extent do ALE programmes in	
general contribute to strengthening the following	
cultural and social resources in your country?	
[Other] 8.5. How far does the statement below reflect the	a lot
policy approach in your country? Youth and adult	
literacy and basic skills programmes are not	
directed towards social and cultural development	
<ul> <li>they teach people to read, write and deal with</li> </ul>	
numbers.	
8.6. To what extent do your country's ALE	somewhat
programmes include provisions for the	
development of the following cultural resources?	
[Arts and crafts]	

8.6. To what extent do your country's ALE       somewhat         gevelopment of the following cultural resources?       constant and the following cultural resources?         S.6. To what extent do your country's ALE       not at all         programmes include provisions for the       development of the following cultural resources?         S.6. To what extent do your country's ALE       not at all         programmes include provisions for the       development of the following cultural resources?         [Ecolagy and the environment]       not at all         S.6. To what extent do your country's ALE       not at all         programmes include provisions for the       development of the following cultural resources?         [Ecolagy and the environment]       not at all         S.6. To what extent do your country's ALE       not at all         programmes include provisions for the       development of the following cultural resources?         [Bootca and theatrel       forups that are the hardest to reach with ALE         programmes? [Refuges]       not at all         (a) the hardest to reach with ALE programmes       Not selected         [Posith in o valid residency documents (sanspapers)]       (a) the hardest to reach with ALE programmes         [A) the hardest to reach with ALE programmes       Not selected         [Meinparts, for traficey and their familes]       (b) the lardest to r		
development of the following cultural resources?         Cultural rituals and traditional knowledge systems]         8.6. To what extent do your country's ALE programmes include provisions for the development of the following cultural resources?       not at all         Sc. To what extent do your country's ALE programmes include provisions for the development of the following cultural resources?       not at all         Sc.
