1.4. Would your country's ALE stakeholders agree or disagree with the following statements? We are not asking for your personal views. [Youth education and ALE are are seen part of an integrated whole.]	5500K ApprovalName & TitleNena S. Nena Secretary agree
1.4. Would your country's ALE stakeholders agree or disagree with the following statements? We are not asking for your personal views. [ALE policy addresses learning processes and teacher-learner relations.]	tend to agree
1.4. Would your country's ALE stakeholders agree or disagree with the following statements? We are not asking for your personal views. [ALE is such a diverse sector of provision that it is difficult to define precisely.]	disagree
1.4. Would your country's ALE stakeholders agree or disagree with the following statements? We are not asking for your personal views. [Adult learning and adult education are the same thing.]	agree
1.4. Would your country's ALE stakeholders agree or disagree with the following statements? We are not asking for your personal views. [ALE and continuing vocational education and training are not integrated.]	disagree
1.4. Would your country's ALE stakeholders agree or disagree with the following statements? We are not asking for your personal views. [New technologies have fundamentally changed the scope of our ALE practice.]	agree
1.4. Would your country's ALE stakeholders agree or disagree with the following statements? We are not asking for your personal views. [Demographic trends (e.g. ageing societies and migration patterns) are making ALE policy much more important than it used to be.]	disagree
1.4. Would your country's ALE stakeholders agree or disagree with the following statements? We are not asking for your personal views. [ALE policy identifies non-formal and informal learning as important.]	disagree

1.5. Has your country formulated a CONFINTEA VI	
action plan following the BFA? 1.5.1. What areas does it cover? [Adult literacy]	Not selected
1.5.1. What areas does it cover? [Policy]	Not selected
1.5.1. What areas does it cover? [Governance]	Not selected
1.5.1. What areas does it cover? [Financing]	Not selected
1.5.1. What areas does it cover? [Participation]	Not selected
1.5.1. What areas does it cover? [Quality]	Not selected
1.5.1. What areas does it cover? [Other]	
2.1. Overall, would you say that since 2009 your	is at the same level as in 2009?
country	
2.1.1. Provide the most significant indicator of this regression here.	
2.1.1. Provide the most significant indicator of	
this progress here.	
2.2. Which target groups of (potential) learners	Yes
are especially important in ALE policies in your country? Check up to five groups. [Individuals	
seeking personal growth and widening of	
knowledge horizons]	Vaa
2.2. Which target groups of (potential) learners are especially important in ALE policies in your	Yes
country? Check up to five groups. [Individuals	
seeking to update work-relevant knowledge and	
skills	
2.2. Which target groups of (potential) learners are especially important in ALE policies in your	Yes
country? Check up to five groups. [Women and	
men in mid-life transitions (e.g. change in	
employment status; personal, health and family	
challenges)] 2.2. Which target groups of (potential) learners	Not selected
are especially important in ALE policies in your	Not selected
country? Check up to five groups. [Individuals	
seeking recognition for prior learning (especially	
non-formally and informally acquired)]	
2.2. Which target groups of (potential) learners	Not selected
are especially important in ALE policies in your	
country? Check up to five groups. [Socially	
excluded groups (e.g. homeless people, [ex-	
]prisoners; adults with mental health problems)]	
2.2. Which target groups of (potential) learners	Not selected
are especially important in ALE policies in your	
country? Check up to five groups. [Adults with low-	
level literacy or basic skills]	
2.2. Which target groups of (potential) learners	Not selected
are especially important in ALE policies in your	
country? Check up to five groups. [Workers in low-	
skill, low-wage or precarious positions]	
2.2. Which target groups of (potential) learners	Yes
are especially important in ALE policies in your	
country? Check up to five groups. [Long-term	
unemploved people1 2.2. Which target groups of (potential) learners	Not selected
are especially important in ALE policies in your	
country? Check up to five groups. [Adults living	
with disabilities]	
2.2. Which target groups of (potential) learners	Not selected
are especially important in ALE policies in your country? Check up to five groups. [Residents of	
rural or sparsely populated areas]	
2.2. Which target groups of (potential) learners	Not selected
are especially important in ALE policies in your country? Check up to five groups. [Parents and	
families	
2.2. Which target groups of (potential) learners	Not selected
are especially important in ALE policies in your	
country? Check up to five groups. [Lone or single parents]	
2.2. Which target groups of (potential) learners	Not selected
are especially important in ALE policies in your	
country? Check up to five groups. [Senior	
citizens/retired people (third-age education)]	
2.2. Which target groups of (potential) learners	Yes
are especially important in ALE policies in your	
country? Check up to five groups. [Young persons	
not in education, employment or training]	
2.2. Which target groups of (potential) learners	Not selected
are especially important in ALE policies in your	
country? Check up to five groups. [Migrants and	
refugees from other countries]	
2.2. Which target groups of (potential) learners	Not selected
are especially important in ALE policies in your	
country? Check up to five groups. [Minority ethnic,	
linguistic or religious minorities and indigenous peoples1	

2.3. Does your country have a policy framework to recognize, validate and accredit non-formal and	No
informal learning? 2.4. Since 2009, has your country enacted any important new policies with respect to ALE?	No
2.4.1. Provide the name of the policy, the year of adoption and if possible a link to the document.	
3.1. Which of these statements apply to your country? Since 2009, the governance of ALE has [increased stakeholder participation ]	disagree
Increased stakenoider participation 1 3.1. Which of these statements apply to your country? Since 2009, the governance of ALE has [developed more effective monitoring and	agree
evaluation systems 1 3.1. Which of these statements apply to your	agree
country? Since 2009, the governance of ALE has [introduced better coordination arrangements ]	
3.1. Which of these statements apply to your country? Since 2009, the governance of ALE has [become more decentralized ]	agree
3.1. Which of these statements apply to your country? Since 2009, the governance of ALE has [strengthened capacity-building initiatives]	tend to agree
3.1. Which of these statements apply to your country? Since 2009, the governance of ALE has [strengthened inter-ministerial cooperation]	agree
3.2. Since 2009, has your government consulted stakeholders and civil society about the formulation, implementation and evaluation of ALE policies?	Not yet, but the government plans to do so
3.2.1. Describe how the government consults on ALE policy.	
3.3. Has there been any significant innovation/development in ALE governance in your country since 2009 that could be of interest	No
to other countries? 3.3.1. Give details here. Provide sources and hyperlinks (URLs) if possible.	
4.1. What percentage of public education	
spending currently goes to ALE? 4.2. Between 2009 and 2014, public spending on ALE as a proportion of public education spending in my country has	stayed about the same
4.3. Does the government plan to increase or decrease spending on ALE?	Plans to stay about the same
4.4. Has your government introduced any significant innovation in ALE financing since 2009 that could be of interest to other countries?	No
4.4.1. Give details and provide references where	
appropriate and URL link if possible. 5.1. Since 2009 and for the adult population overall, the participation rate (%) in ALE has	Do not know – this information is not available
5.1.1. Insert the overall ALE participation rate (%) for the most recent year available [Participation rate (%)]	
5.1.1. Insert the overall ALE participation rate (%) for the most recent year available [Reference year]	
5.1.1. Insert the overall ALE participation rate (%) for the most recent year available [Reference age group]	
5.1.1. Insert the overall ALE participation rate (%) for the most recent year available [Definition of 'participation']	
5.1.1. Insert the overall ALE participation rate (%) for the most recent year available [Data source with URL]	
5.2. What differences are there between women and men in terms of their participation rates (%) in ALE programmes? [Overall]	Women participate more
5.2. What differences are there between women and men in terms of their participation rates (%) in ALE programmes? [General education]	Women participate more
5.2. What differences are there between women and men in terms of their participation rates (%) in ALE programmes? [Technical and Vocational education and training (TVET)]	Men participate more
5.2. What differences are there between women and men in terms of their participation rates (%) in ALE programmes? [Literacy]	Equal participation
5.2. What differences are there between women and men in terms of their participation rates (%) in ALE programmes? [Non-formal and informal education]	Equal participation
5.3. For each of the following groups, how has ALE participation since 2009 changed? [Migrants and refugees from other countries]	

5.3. For each of the following groups, how has ALE participation since 2009 changed? [All those seeking recognition for prior learning (especially non-formally and informally acquired)]	no change
5.3. For each of the following groups, how has ALE participation since 2009 changed? [Adults	no change
with low-level literacy and basic skills]	
5.3. For each of the following groups, how has	
ALE participation since 2009 changed? [Minority	
ethnic, linguistic and religious minorities and	
indigenous peoples]	
5.3. For each of the following groups, how has ALE participation since 2009 changed? [Senior citizens/the retired (Third Age Education)]	
5.3. For each of the following groups, how has	increased
ALE participation since 2009 changed? [The long-	
term unemployed]	
5.3. For each of the following groups, how has	
ALE participation since 2009 changed? [Adults	
living with disability]	ingraad
5.3. For each of the following groups, how has	increased
ALE participation since 2009 changed? [Young	
persons not in education, employment and	
training 5.3. For each of the following groups, how has	
ALE participation since 2009 changed?[Residents	
of rural and remote areas]	
5.3. For each of the following groups, how has	increased
ALE participation since 2009 changed? [Workers in low-skill, low-wage and precarious employment]	
5.4. Has your government introduced any	No
significant innovation in ALE to improve access	
and participation since 2009 that could be of	
interest to other countries?	
5.4.1. Give details. Provide sources and URL link	
if possible. Also include references to recent	
surveys or major studies of ALE participation in	
your country published since 2009.	
	Neteclasted
6.1. Does your country systematically collect information about the following ALE outcomes?	Not selected
[Completion rates]	
6.1. Does your country systematically collect	Yes
information about the following ALE outcomes?	
[Certificates or qualifications issued]	
6.1. Does your country systematically collect	Not selected
information about the following ALE outcomes?	
[Employment outcomes (or labour market	
outcomes)]	
6.1. Does your country systematically collect	Not selected
information about the following ALE outcomes?	
[Social outcomes in the areas of health and well-	
being. community cohesion1 6.1. Does your country systematically collect	Not selected
information about the following ALE outcomes?	
[None of these – this information is not	
systematically available]	
6.1. Does your country systematically collect	
information about the following ALE outcomes?	
[Other]	Vac
6.2. Are there initial, pre-service education and training programmes for ALE teachers/facilitators	Yes
in your country?	
6.3. Are initial, pre-service qualifications a	Yes, in all cases
requirement to teach in ALE programmes?	
6.4. Are there continuing, in-service education	Yes, but inadequate capacity
and training programmes for adult education	
teachers/facilitators in your country? 6.5. Since 2009, have there been any substantial	Not selected
	Not selected
analyses of the following issues in your country? [Learning outcomes of ALE]	
6.5. Since 2009, have there been any substantial	Yes
analyses of the following issues in your country?	
[Quality criteria for teaching and learning, e.g.	
curricula and methods]	
6.5. Since 2009, have there been any substantial	Yes
analyses of the following issues in your country?	
[Diversity of providers] 6.5. Since 2009, have there been any substantial	Vac
analyses of the following issues in your country?	103
[Impact of new technologies on ALE]	
6.5. Since 2009, have there been any substantial	Not selected
analyses of the following issues in your country?	
[Equity issues in ALE]	
6.5. Since 2009, have there been any substantial	Not selected
analyses of the following issues in your country?	
[Barriers to ALE participation and provision]	
6.5. Since 2009, have there been any substantial	Not selected
analyses of the following issues in your country?	
[Other issues]	
6.5.1. Give references and URL link(s).	
0.5.1. Give references and URL link(s).	

6.6. Has your government introduced any significant innovation regarding the quality of ALE since 2009 that could be of interest to other	
countries? 6.6.1. Give details and provide sources and URL	
links if possible. Since 2009, how much has the knowledge base	
on the benefits of ALE for the following areas	
improved for policymakers, researchers and practitioners? [Health and well-being]	
Since 2009, how much has the knowledge base	
on the benefits of ALE for the following areas	
improved for policymakers, researchers and practitioners? [Society and community]	
Since 2009, how much has the knowledge base	a lot
on the benefits of ALE for the following areas improved for policymakers, researchers and	
practitioners? [Employment and labour market	
outcomesl 7.1. Indicate the extent to which your country's	
ALE policy and practice [Recognizes the contribution ALE can make to personal health and	
well-being1 7.1. Indicate the extent to which your country's	
ALE policy and practice [Follows the World Health	
Organization's holistic approach, including mental as well as physical health1	
7.1.1. Explain your response here.	
7.2. Do you have evidence to show that in your country, ALE has a positive impact on:	Not selected
[Competencies needed for health, including	
knowledge, attitudes, skills and values needed for	
prevention, accessing treatment, etc.]	
7.2. Do you have evidence to show that in your	Not selected
country, ALE has a positive impact on: [Self- reported health]	
7.2. Do you have evidence to show that in your country, ALE has a positive impact on: [Maternal health]	Not selected
7.2. Do you have evidence to show that in your	Not selected
country, ALE has a positive impact on: [Mental health and well-being (such as self-efficacy)]	
7.2. Do you have evidence to show that in your country, ALE has a positive impact on:	Not selected
[Preventing, but also living with, HIV/AIDS and its	
social consequences] 7.2. Do you have evidence to show that in your	Not selected
country, ALE has a positive impact on: [Prevention	
and control of other infectious diseases, including epidemics (such as SARS, cholera, hepatitis)]	
7.2. Do you have evidence to show that in your country, ALE has a positive impact on: [Sexual and reproductive health]	Not selected
7.2. Do you have evidence to show that in your	Not selected
country, ALE has a positive impact on: [Preventing, but also living with, chronic illnesses	
(such as diabetes, heart disease, Alzheimer's)]	
7.2. Do you have evidence to show that in your	Not selected
country, ALE has a positive impact on: [Healthy lifestyles (such as diet, exercise, stress reduction)]	
7.2. Do you have evidence to show that in your	Not selected
country, ALE has a positive impact on: [Making the local environment more healthy (e.g. through	
community action)]	
7.2. Do you have evidence to show that in your country, ALE has a positive impact on: [None of	Not selected
the above, but there is evidence that ALE has a positive impact on other aspects of health]	
7.2. Do you have evidence to show that in your	Not selected
country, ALE has a positive impact on: [No evidence at all for any aspect]	
7.2.1. Please provide your sources.	
7.3. For your country, indicate how important the	4 = very important
following are as factors influencing the effectiveness of ALE for health and well-being:	
[IIIiteracv]	
7.3. For your country, indicate how important the following are as factors influencing the	4 = very important
effectiveness of ALE for health and well-being:	
[Household income inequalities] 7.3. For your country, indicate how important the	4 = very important
following are as factors influencing the	
effectiveness of ALE for health and well-being: [Poor quality of pedagogy, training materials, staff	
training and capacity]	2
7.3. For your country, indicate how important the following are as factors influencing the effectiveness of ALE for health and well-being:	3
[Lack of access to information on ALE programmes]	

7.3. For your country, indicate how important the	4 = very important
following are as factors influencing the	
effectiveness of ALE for health and well-being: [Poor interdepartmental or inter-sectoral	
collaboration	
7.3. For your country, indicate how important the	
following are as factors influencing the effectiveness of ALE for health and well-being:	
[Community resistance]	
7.3. For your country, indicate how important the	4 = very important
following are as factors influencing the	
effectiveness of ALE for health and well-being: [Inadequate or misdirected funding]	
7.4. How far do different stakeholders (public	Not much, but to an increasing extent
education agencies, public health agencies,	
NGOs, private providers, etc.) collaborate in the	
design and delivery of ALE programmes in your country?	
7.5. Does your country have an interdepartmental	No
or cross-sectoral coordinating body for ALE for	
promoting personal health and well-being?	
[Name of coordinating body:]	
[Briefly describe its mandate and activities:]	
8.1. Do you have evidence to show that ALE has a	Not selected
positive impact on the following issues? [Participation in social, civic and political activities	
[Participation in social, civic and political activities
