

## Monitoring survey results for Nepal

UNESCO Region	South and West Asia
1.1. Does your country have an official definition of ALE?	Yes
1.1.1. Enter the official definition of ALE here:	Reading simple paragraph in native or national language, writing own feeling and calculating simple mathematical operation including day to day expenditure.
1.2. Has the official definition of ALE changed since 2009?	No
1.2.1. What were the reasons for this change?	
1.3. Are literacy and basic skills a top priority for ALE programmes in your country?	Yes
1.3.1. Describe here the key points of your country's policy approach to literacy and basic skills.	Participate in social activities. Expressing own ideas and feeling Watching watch and telling timestudy of calendar and telling date, days and festival sletter writing-official, to the relatives and business letters counting 1 to 100 Algorithem such as adding, subtraction
1.4. Would your country's ALE stakeholders agree or disagree with the following statements? We are not asking for your personal views. [Youth education and ALE are are seen part of an integrated whole.]	agree
1.4. Would your country's ALE stakeholders agree or disagree with the following statements? We are not asking for your personal views. [ALE policy addresses learning processes and teacher-learner relations.]	
1.4. Would your country's ALE stakeholders agree or disagree with the following statements? We are not asking for your personal views. [ALE is such a diverse sector of provision that it is difficult to define precisely.]	disagree
1.4. Would your country's ALE stakeholders agree or disagree with the following statements? We are not asking for your personal views. [Adult learning and adult education are the same thing.]	tend to disagree
1.4. Would your country's ALE stakeholders agree or disagree with the following statements? We are not asking for your personal views. [ALE and continuing vocational education and training are not integrated.]	disagree

1.4. Would your country's ALE stakeholders agree	
or disagree with the following statements? We are not asking for your personal views. [New technologies have fundamentally changed the scope of our ALE practice.]	tend to agree
1.4. Would your country's ALE stakeholders agree or disagree with the following statements? We are not asking for your personal views. [Demographic trends (e.g. ageing societies and migration patterns) are making ALE policy much more important than it used to be.]	agree
1.4. Would your country's ALE stakeholders agree or disagree with the following statements? We are not asking for your personal views. [ALE policy identifies non-formal and informal learning as important.]	agree
1.5. Has your country formulated a CONFINTEA VI action plan following the BFA?	
1.5.1. What areas does it cover? [Adult literacy]	Not selected
1.5.1. What areas does it cover? [Policy]	Not selected
1.5.1. What areas does it cover? [Governance]	Not selected
1.5.1. What areas does it cover? [Financing]	Not selected
1.5.1. What areas does it cover? [Participation]	Not selected
1.5.1. What areas does it cover? [Quality]	Not selected
1.5.1. What areas does it cover? [Other]	
2.1. Overall, would you say that since 2009 your country	is at the same level as in 2009?
2.1.1. Provide the most significant indicator of this regression here.	
2.1.1. Provide the most significant indicator of	
_	Yes

2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Lone or single parents]	Not selected
2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Senior citizens/retired people (third-age education)]	Yes
2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Young persons not in education, employment or training]	Not selected
2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Migrants and refugees from other countries]	Not selected
2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Minority ethnic, linguistic or religious minorities and indigenous peoples]	Yes

2.3. Does your country have a policy framework to recognize, validate and accredit non-formal and	Yes, a policy framework was developed after 2009
informal learning?	
2.4. Since 2009, has your country enacted any	No
important new policies with respect to ALE?	
2.4.1. Provide the name of the policy, the year of	
adoption and if possible a link to the document.	
3.1. Which of these statements apply to your	agree
country? Since 2009, the governance of ALE has	
[increased stakeholder participation ]	
3.1. Which of these statements apply to your	agree
country? Since 2009, the governance of ALE has	
[developed more effective monitoring and	
evaluation systems ]	
3.1. Which of these statements apply to your	agree
country? Since 2009, the governance of ALE has	
[introduced better coordination arrangements ]	
3.1. Which of these statements apply to your	tend to disagree
country? Since 2009, the governance of ALE has	
[become more decentralized ]	
3.1. Which of these statements apply to your	tend to disagree
country? Since 2009, the governance of ALE has	
[strengthened capacity-building initiatives]	
3.1. Which of these statements apply to your	tend to disagree
country? Since 2009, the governance of ALE has	
[strengthened inter-ministerial cooperation]	
3.2. Since 2009, has your government consulted	Yes
stakeholders and civil society about the	
formulation, implementation and evaluation of	
ALE policies?	
3.2.1. Describe how the government consults on	Non-formal Education Centre is a department for policy
ALE policy.	formulation, implementation and monitoring Non-formal activities.
	It consult civil society and concerning stakeholders while
	formulating policy on NFE and programs related to NFE. It consult
	in grassroot levels stakeholders and regional level along with
	central level agencies as well.
3.3. Has there been any significant	Yes
innovation/development in ALE governance in	
your country since 2009 that could be of interest	
to other countries?	
3.3.1. Give details here. Provide sources and	The Non-formal education central delivered the authority for
hyperlinks (URLs) if possible.	formulating NFE curriculum to address the local needs and it also
4.4. What parantage of public - duration	allocated the budget and guidelines too.
4.1. What percentage of public education	4% or more
spending currently goes to ALE? 4.2. Between 2009 and 2014, public spending on	decreased
ALE as a proportion of public education spending	ucorcuscu
in my country has

5.2. What differences are there between women	Women participate more
and men in terms of their participation rates (%)	
in ALE programmes? [Non-formal and informal	
education	
5.3. For each of the following groups, how has	do not know
ALE participation since 2009 changed? [Migrants	
and refugees from other countries]	
5.3. For each of the following groups, how has	increased
ALE participation since 2009 changed? [All those	
seeking recognition for prior learning (especially	
non-formally and informally acquired)]	
5.3. For each of the following groups, how has	increased
ALE participation since 2009 changed? [Adults	
with low-level literacy and basic skills]	

5.3. For each of the following groups, how has ALE participation since 2009 changed? [Minority ethnic, linguistic and religious minorities and indigenous peoples]	increased
5.3. For each of the following groups, how has ALE participation since 2009 changed? [Senior citizens/the retired (Third Age Education)]	increased
5.3. For each of the following groups, how has ALE participation since 2009 changed? [The long-term unemployed]	increased
5.3. For each of the following groups, how has ALE participation since 2009 changed? [Adults living with disability]	
5.3. For each of the following groups, how has ALE participation since 2009 changed? [Young persons not in education, employment and training]	decreased
5.3. For each of the following groups, how has ALE participation since 2009 changed?[Residents of rural and remote areas]	increased
5.3. For each of the following groups, how has ALE participation since 2009 changed? [Workers in low-skill, low-wage and precarious employment]	increased
5.4. Has your government introduced any significant innovation in ALE to improve access and participation since 2009 that could be of interest to other countries?	No
5.4.1. Give details. Provide sources and URL link if possible. Also include references to recent surveys or major studies of ALE participation in your country published since 2009.	
6.1. Does your country systematically collect information about the following ALE outcomes?  [Completion rates]	Yes
6.1. Does your country systematically collect information about the following ALE outcomes? [Certificates or qualifications issued]	Yes
6.1. Does your country systematically collect information about the following ALE outcomes? [Employment outcomes (or labour market outcomes)]	Yes
6.1. Does your country systematically collect information about the following ALE outcomes? [Social outcomes in the areas of health and well-being, community cohesion]	Yes
6.1. Does your country systematically collect information about the following ALE outcomes?  [None of these – this information is not systematically available]	Not selected
6.1. Does your country systematically collect information about the following ALE outcomes? [Other]	

6.2. Are there initial, pre-service education and training programmes for ALE teachers/facilitators	No
in your country?  6.3. Are initial, pre-service qualifications a	Yes, in all cases
requirement to teach in ALE programmes? 6.4. Are there continuing, in-service education	Yes, but inadequate capacity
and training programmes for adult education	res, but madequate capacity
teachers/facilitators in your country?	
6.5. Since 2009, have there been any substantial	Not selected
analyses of the following issues in your country?	10000000
[Learning outcomes of ALE]	
6.5. Since 2009, have there been any substantial	Not selected
analyses of the following issues in your country?	
[Quality criteria for teaching and learning, e.g.	
curricula and methods]	
6.5. Since 2009, have there been any substantial	Yes
analyses of the following issues in your country?	
[Diversity of providers]

analyses of the following issues in your country?	
[Equity issues in ALE]	
6.5. Since 2009, have there been any substantial	Yes
analyses of the following issues in your country?	
[Barriers to ALE participation and provision]	
6.5. Since 2009, have there been any substantial	Not selected
analyses of the following issues in your country?	
[Other issues]	
6.5.1. Give references and URL link(s).	www.nfec.gov.npwww.doe.gov.np
6.6. Has your government introduced any	Yes
significant innovation regarding the quality of ALE	
since 2009 that could be of interest to other	
countries? 6.6.1. Give details and provide sources and URL	www.nfec.gov.np
links if possible.	www.inec.gov.iip
Since 2009, how much has the knowledge base	a lot
on the benefits of ALE for the following areas	
improved for policymakers, researchers and	
practitioners? [Health and well-being]	
Since 2009, how much has the knowledge base	a lot
on the benefits of ALE for the following areas	
improved for policymakers, researchers and	
practitioners? [Society and community]	
Since 2009, how much has the knowledge base	somewhat
on the benefits of ALE for the following areas	
improved for policymakers, researchers and	
practitioners? [Employment and labour market	
outcomes  7.1 Indicate the extent to which your country's	4
7.1. Indicate the extent to which your country's ALE policy and practice [Recognizes the	<del>*</del>
contribution ALE can make to personal health and	
well-being]	
WOIFDOINE	

<b>7 4 4 8 9 9 9 9 9 9 9 9 9 9</b>	
7.1. Indicate the extent to which your country's	4
ALE policy and practice [Follows the World Health	
Organization's holistic approach, including mental	
as well as physical health]	
7.1.1. Explain your response here.	Due to the ALE the neo-literates are aware on health and
	sanitation. They are well known the importance of education and
	they are also recognized the importance of sustainability.
7.2. Do you have evidence to show that in your	Yes
country, ALE has a positive impact on:	
[Competencies needed for health, including	
knowledge, attitudes, skills and values needed for	
prevention, accessing treatment, etc.]	
prevention, decessing treatment, etc.]	
7.2. Do you have evidence to show that in your	Yes
country, ALE has a positive impact on: [Self-	
reported health]	
	Yes
country, ALE has a positive impact on: [Maternal	
health]	
7.2. Do you have evidence to show that in your	Not selected
country, ALE has a positive impact on: [Mental	
health and well-being (such as self-efficacy)]	
nealth and well-being (such as sell-efficacy)]	
7.2. Do you have evidence to show that in your	Yes
country, ALE has a positive impact on:	
[Preventing, but also living with, HIV/AIDS and its	
social consequences	
7.2. Do you have evidence to show that in your	Not selected
country, ALE has a positive impact on: [Prevention	
and control of other infectious diseases, including	
epidemics (such as SARS, cholera, hepatitis)]	
epidernics (Such as SANS, Cholera, hepatitis)]	
7.2. Do you have evidence to show that in your	Not selected
country, ALE has a positive impact on: [Sexual and	
reproductive health]	
7.2. Do you have evidence to show that in your	Not selected
country, ALE has a positive impact on:	
[Preventing, but also living with, chronic illnesses	
(such as diabetes, heart disease, Alzheimer's)]	
(Jacon do diabetes, ficart disease, Aizhenner 3/]	
7.2. Do you have evidence to show that in your	Yes
country, ALE has a positive impact on: [Healthy	
lifestyles (such as diet, exercise, stress reduction)]	
,	
7.2. Do you have evidence to show that in your	Yes
country, ALE has a positive impact on: [Making	
the local environment more healthy (e.g. through	
community action)]	
7.2. Do you have evidence to show that in your	Not selected
country, ALE has a positive impact on: [None of	
the above, but there is evidence that ALE has a	
positive impact on other aspects of health]	
7.2. Do you have evidence to show that in your	Not selected
country, ALE has a positive impact on: [No	
evidence at all for any aspect]	

7.2.1. Please provide your sources.	National Planning commission conducted a study on impact of National Literacy Campaign, it shows that the impact of literacy on health, sanitation, sexual behaviour and care of children.
7.3. For your country, indicate how important the following are as factors influencing the effectiveness of ALE for health and well-being: [Illiteracy]	4 = very important
7.3. For your country, indicate how important the following are as factors influencing the effectiveness of ALE for health and well-being: [Household income inequalities]	4 = very important
7.3. For your country, indicate how important the following are as factors influencing the effectiveness of ALE for health and well-being: [Poor quality of pedagogy, training materials, staff training and capacity]	4 = very important
7.3. For your country, indicate how important the following are as factors influencing the effectiveness of ALE for health and well-being: [Lack of access to information on ALE programmes]	4 = very important
7.3. For your country, indicate how important the following are as factors influencing the effectiveness of ALE for health and well-being:  [Poor interdepartmental or inter-sectoral collaboration]	4 = very important
7.3. For your country, indicate how important the following are as factors influencing the effectiveness of ALE for health and well-being:  [Community resistance]	do not know
7.3. For your country, indicate how important the following are as factors influencing the effectiveness of ALE for health and well-being:  [Inadequate or misdirected funding]	4 = very important
7.4. How far do different stakeholders (public education agencies, public health agencies, NGOs, private providers, etc.) collaborate in the design and delivery of ALE programmes in your country?	In theory, but not much in practice
7.5. Does your country have an interdepartmental or cross-sectoral coordinating body for ALE for promoting personal health and well-being?	Yes
[Name of coordinating body:] [Briefly describe its mandate and activities:]	Ministry of Health  Ministry of health is responsible for policy formulation, program
8.1. Do you have evidence to show that ALE has a positive impact on the following issues? [Participation in social, civic and political activities ]	design, conductiiong program and Yes
8.1. Do you have evidence to show that ALE has a positive impact on the following issues? [Social trust]	Not selected
8.1. Do you have evidence to show that ALE has a positive impact on the following issues? [Social integration/inclusion]	Not selected

8.1. Do you have evidence to show that ALE has a positive impact on the following issues? [Diversity tolerance]	Yes
8.1.1. Give sources for checked options.	Peoples are sensitized in political issues, they take part in social issues discussion and eager casting vote in the election. Nepal is a country having ethic and cultural diversity, they are in the condition of tolerance and honor ones' other ethnicity and culture.
8.2. To what extent are the following dimensions important for ALE policy in your country? [Non-economic outcomes and benefits for individuals (such as personal development, quality of life, well-being and social and cultural participation)]	to a large extent
8.2. To what extent are the following dimensions important for ALE policy in your country? [Non-economic outcomes and benefits for collective and civil society (such as positive and trustful social relations, active and sustainable communities, and social integration)]	to a large extent
8.2. To what extent are the following dimensions important for ALE policy in your country? [Economic returns for individuals, communities and society (such as employability, innovation capacity, financial autonomy, living standards, skills levels improvement and structural labour market evolution)]	to a small extent
