7.2. Do you have evidence to show that in your country, ALE has a positive impact on: [None of the above, but there is evidence that ALE has a positive impact on other aspects of health]	Not selected
7.2. Do you have evidence to show that in your country, ALE has a positive impact on: [No evidence at all for any aspect]	Not selected
7.2.1. Please provide your sources.	Department of Health engage the Department of Education on their international awareness days which includes all generations, young, middle aged and older generations.
7.3. For your country, indicate how important the following are as factors influencing the effectiveness of ALE for health and well-being: [Illiteracy]	4 = very important

7.3. For your country, indicate how important the following are as factors influencing the effectiveness of ALE for health and well-being:	3
[Household income inequalities]	
7.3. For your country, indicate how important the	4 = very important
following are as factors influencing the	
effectiveness of ALE for health and well-being: [Poor quality of pedagogy, training materials, staff	
training and capacity	
7.3. For your country, indicate how important the	3
following are as factors influencing the	
effectiveness of ALE for health and well-being:	
[Lack of access to information on ALE	
programmes]	
7.3. For your country, indicate how important the	3
following are as factors influencing the	
effectiveness of ALE for health and well-being: [Poor interdepartmental or inter-sectoral	
[Poor Interdepartmental or Inter-sectoral collaboration]	
7.3. For your country, indicate how important the	1 = not important
following are as factors influencing the	
effectiveness of ALE for health and well-being:	
[Community resistance]	
7.3. For your country, indicate how important the	3
following are as factors influencing the	
effectiveness of ALE for health and well-being:	
[Inadequate or misdirected funding] 7.4. How far do different stakeholders (public	In theory, but not much in practice
education agencies, public health agencies,	
NGOs, private providers, etc.) collaborate in the	
design and delivery of ALE programmes in your	
country?	
7.5. Does your country have an interdepartmental	No
or cross-sectoral coordinating body for ALE for	
promoting personal health and well-being?	
[Name of coordinating body:]	
[Briefly describe its mandate and activities:]	
8.1. Do you have evidence to show that ALE has a	Not selected
positive impact on the following issues?	
[Participation in social, civic and political activities	
8.1. Do you have evidence to show that ALE has a	Not selected
positive impact on the following issues? [Social	
trust]	
$\boldsymbol{8.1.}$ Do you have evidence to show that ALE has a	Not selected
positive impact on the following issues? [Social	
integration/inclusion]	Net colected
8.1. Do you have evidence to show that ALE has a	Not selected
positive impact on the following issues? [Diversity tolerance]	
8.1.1. Give sources for checked options.	
8.2. To what extent are the following dimensions	to a large extent
important for ALE policy in your country? [Non-	
economic outcomes and benefits for individuals	
(such as personal development, quality of life,	
well-being and social and cultural participation)]	

8.2. To what extent are the following dimensions important for ALE policy in your country? [Non- economic outcomes and benefits for collective and civil society (such as positive and trustful social relations, active and sustainable communities, and social integration)]	to a large extent
8.2. To what extent are the following dimensions important for ALE policy in your country? [Economic returns for individuals, communities and society (such as employability, innovation capacity, financial autonomy, living standards, skills levels improvement and structural labour market evolution)]	to a large extent
8.3. To what extent do literacy and basic skills programmes contribute to strengthening the following cultural and social resources in your country? [Multilingualism and cultural diversity]	to a large extent
8.3. To what extent do literacy and basic skills programmes contribute to strengthening the following cultural and social resources in your country? [Increased access to education, literature. the arts and cultural heritage]	to a large extent
8.3. To what extent do literacy and basic skills programmes contribute to strengthening the following cultural and social resources in your country? [Environmental sustainability in local communities]	to a small extent
8.3. To what extent do literacy and basic skills programmes contribute to strengthening the following cultural and social resources in your country? [Active citizenship and political and community participation]	to a small extent
8.3. To what extent do literacy and basic skills programmes contribute to strengthening the following cultural and social resources in your country? [Community solidarity and social justice]	to a small extent
8.3. To what extent do literacy and basic skills programmes contribute to strengthening the following cultural and social resources in your country? [Democratic values and peaceful co- existence]	to a large extent
 8.3. To what extent do literacy and basic skills programmes contribute to strengthening the following cultural and social resources in your country? [Other] 8.3.1. Please specify 	
8.4. To what extent do ALE programmes in general contribute to strengthening the following cultural and social resources in your country? [Multilingualism and cultural diversity]	to a large extent

8.4. To what extent do ALE programmes in	to a large extent
general contribute to strengthening the following	
cultural and social resources in your country?	
[Increased access to education, literature, the	
arts and cultural heritage 8.4. To what extent do ALE programmes in	to a large extent
. –	to a large extent
general contribute to strengthening the following	
cultural and social resources in your country?	
[Environmental sustainability in local communities]	
8.4. To what extent do ALE programmes in	to a large extent
general contribute to strengthening the following
