

Monitoring survey results for Portugal

UNESCO Region	North America and Western Europe
1.1. Does your country have an official definition	Voc
of ALE?	Yes
1.1.1. Enter the official definition of ALE here:	The whole of the learning processes, formal or not, through which adults develop their capabilities, enrich their knowledge and inprove their technical or professional qualifications, or retarget them in order to satisfy their own or societie's needs (source: INE http://smi.ine.pt/Conceito/Detalhes?id=3526⟨=PT)
1.2. Has the official definition of ALE changed since 2009?	Yes, a little
1.2.1. What were the reasons for this change?	
1.3. Are literacy and basic skills a top priority for	
ALE programmes in your country?	Yes
1.3.1. Describe here the key points of your	
country's policy approach to literacy and basic skills.	Action Programme for Basic Skills (Order no.1100/2010, of 22nd october);Establishment of Adult Education and Training Courses and Modular Certified Training (Order no. 230/2008, of 7th March, as alteredby Order no. 283/2011, of 24th October)
1.4. Would your country's ALE stakeholders agree or disagree with the following statements? We are not asking for your personal views. [Youth education and ALE are are seen part of an integrated whole.]	tend to agree
1.4. Would your country's ALE stakeholders agree or disagree with the following statements? We are not asking for your personal views. [ALE policy addresses learning processes and teacher-learner relations.]	agree
1.4. Would your country's ALE stakeholders agree or disagree with the following statements? We are not asking for your personal views. [ALE is such a diverse sector of provision that it is difficult to define precisely.]	tend to agree
1.4. Would your country's ALE stakeholders agree or disagree with the following statements? We are not asking for your personal views. [Adult learning and adult education are the same thing.]	tend to disagree

1.4. Would your country's ALE stakeholders agree or disagree with the following statements? We are not asking for your personal views. [ALE and continuing vocational education and training are not integrated.]	tend to disagree
1.4. Would your country's ALE stakeholders agree or disagree with the following statements? We are not asking for your personal views. [New technologies have fundamentally changed the scope of our ALE practice.]	agree
1.4. Would your country's ALE stakeholders agree or disagree with the following statements? We are not asking for your personal views. [Demographic trends (e.g. ageing societies and migration patterns) are making ALE policy much more important than it used to be.]	tend to agree
1.4. Would your country's ALE stakeholders agree or disagree with the following statements? We are not asking for your personal views. [ALE policy identifies non-formal and informal learning as	
important.l 1.5. Has your country formulated a CONFINTEA VI action plan following the BFA?	agree
1.5.1. What areas does it cover? [Adult literacy]	Not selected
1.5.1. What areas does it cover? [Policy]	Not selected
1.5.1. What areas does it cover? [Governance]	Not selected
1.5.1. What areas does it cover? [Financing]	Not selected
1.5.1. What areas does it cover? [Participation]	Not selected
1.5.1. What areas does it cover? [Quality]	Not selected
1.5.1. What areas does it cover? [Other]	
2.1. Overall, would you say that since 2009 your	
country	has made significant progress on ALE policy?
2.1.1. Provide the most significant indicator of	
this regression here. 2.1.1. Provide the most significant indicator of	The number of adults participating in ALE actionas has
this progress here.	significantly increased from 2009
2.2. Which target groups of (potential) learners	
are especially important in ALE policies in your	
country? Check up to five groups. [Individuals	
seeking personal growth and widening of	Yes
knowledge horizons 2.2. Which target groups of (potential) learners	
are especially important in ALE policies in your	
country? Check up to five groups. [Individuals	
seeking to update work-relevant knowledge and	Not selected
skills] 2.2. Which target groups of (potential) learners	INUL SCIEULEU
are especially important in ALE policies in your	
country? Check up to five groups. [Women and	
men in mid-life transitions (e.g. change in	
employment status; personal, health and family	Not selected
challenges)]	Not solected

2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Individuals seeking recognition for pror learning (especially non-formally and informally acquired)) 2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Socially excluded groups (e.g. homeless people, [ex-prisoners; adults with mental health problems)) 2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Adults with low-level literacy or basic skills] 2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Long-term unemplowed people] 2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Long-term unemplowed people] 2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Residents of rural or sparsely populated areas] 2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Residents of rural or sparsely populated areas] 2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Lone or single parents] 2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Lone or single parents] 2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Lone or single parents] 2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Voung persons not in education, employment or training] 2.2. Which target groups of (potential) l		
are especially important in ALE policies in your country? Check up to five groups. [Socially excluded groups (e.g. homeless people, [ex-] prisoners; adults with mental health problems.] 2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Adults with low-level literacy or basic skills] Yes 2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Long term unemployed people] 2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Adults living with disabilities] 2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Residents of rural or sparsely populated areas] Not selected Yes Not selected	are especially important in ALE policies in your country? Check up to five groups. country? Check up to five groups. [Minority ethnic,	
linguistic or religious minorities and indigenous	Not selected
peoples]	INOT Sciented
2.3. Does your country have a policy framework to	
recognize, validate and accredit non-formal and	Yes, a policy framework existed before 2009
informal learning?	res, a policy framework existed before 2009
2.4. Since 2009, has your country enacted any	
important new policies with respect to ALE?	Yes
2.4.1 Dravide the name of the nalicy the year of	163
2.4.1. Provide the name of the policy, the year of	
adoption and if possible a link to the document.	Answered in 1.3.1.
2.1 Which of these statements apply to your	Allowered III 1.3.1.
3.1. Which of these statements apply to your	
country? Since 2009, the governance of ALE has	tend to disagree
[increased stakeholder participation] 3.1. Which of these statements apply to your	cond to diodg. or
country? Since 2009, the governance of ALE has	
[developed more effective monitoring and	tend to agree
evaluation systems 3.1. Which of these statements apply to your	
country? Since 2009, the governance of ALE has	
[introduced better coordination arrangements]	
[introduced better coordination arrangements]	tend to agree
3.1. Which of these statements apply to your	
country? Since 2009, the governance of ALE has	
[become more decentralized]	tend to disagree
3.1. Which of these statements apply to your	
country? Since 2009, the governance of ALE has	
[strengthened capacity-building initiatives]	
in [ottorigationed dapatity standing initiatives]	tend to agree
3.1. Which of these statements apply to your	
country? Since 2009, the governance of ALE has	
[strengthened inter-ministerial cooperation]	
	agree
3.2. Since 2009, has your government consulted	
stakeholders and civil society about the	
formulation, implementation and evaluation of	
ALE policies?	
3.2.1. Describe how the government consults on	
ALE policy.	
3.3. Has there been any significant	
innovation/development in ALE governance in	
your country since 2009 that could be of interest	N.
to other countries?	No
3.3.1. Give details here. Provide sources and	
hyperlinks (URLs) if possible.	
4.1. What percentage of public education	
spending currently goes to ALE?	
4.2. Between 2009 and 2014, public spending on	
ALE as a proportion of public education spending	
in my country has	
4.3. Does the government plan to increase or	
decrease spending on ALE?	

4.4. Has your government introduced any	
significant innovation in ALE financing since 2009	
that could be of interest to other countries?	
4.4.1. Give details and provide references where	
appropriate and URL link if possible.	
5.1. Since 2009 and for the adult population	
overall, the participation rate (%) in ALE has	Increased

5.2. What differences are there between women	
and men in terms of their participation rates (%)	
in ALE programmes? [Overall]	Ways an anaticipate many
	Women participate more
5.2. What differences are there between women	
and men in terms of their participation rates (%)	
in ALE programmes? [General education]	Equal participation
E O Miller Liff	Equal participation
5.2. What differences are there between women	
and men in terms of their participation rates (%)	
in ALE programmes? [Technical and Vocational	
education and training (TVET)]	Women participate more
E O Miles I d'Orange de la companya	women participate more
5.2. What differences are there between women	
and men in terms of their participation rates (%)	
in ALE programmes? [Literacy]	
5.2. What differences are there between women	
and men in terms of their participation rates (%)	
in ALE programmes? [Non-formal and informal	
education]	Women participate more
5.3. For each of the following groups, how has	
ALE participation since 2009 changed? [Migrants	
and refugees from other countries]	
5.3. For each of the following groups, how has	
ALE participation since 2009 changed? [All those	
seeking recognition for prior learning (especially	
non-formally and informally acquired)]	
non-ronnally and informally acquired)]	increased
5.3. For each of the following groups, how has	
ALE participation since 2009 changed? [Adults	
with low-level literacy and basic skills]	increased

5.3. For each of the following groups, how has ALE participation since 2009 changed? [Minority ethnic, linguistic and religious minorities and indigenous peoples]	
5.3. For each of the following groups, how has ALE participation since 2009 changed? [Senior citizens/the retired (Third Age Education)]	increased
5.3. For each of the following groups, how hasALE participation since 2009 changed? [The long-term unemployed]5.3. For each of the following groups, how has	
ALE participation since 2009 changed? [Adults living with disability]	
5.3. For each of the following groups, how has ALE participation since 2009 changed? [Young persons not in education, employment and training]	
5.3. For each of the following groups, how has ALE participation since 2009 changed?[Residents of rural and remote areas]	
5.3. For each of the following groups, how has ALE participation since 2009 changed? [Workers in low-skill, low-wage and precarious employment]	increased
5.4. Has your government introduced any significant innovation in ALE to improve access and participation since 2009 that could be of interest to other countries?	No
5.4.1. Give details. Provide sources and URL link if possible. Also include references to recent surveys or major studies of ALE participation in your country published since 2009.	
6.1. Does your country systematically collect information about the following ALE outcomes? [Completion rates]	Yes
6.1. Does your country systematically collect information about the following ALE outcomes? [Certificates or qualifications issued]	Yes
6.1. Does your country systematically collect information about the following ALE outcomes? [Employment outcomes (or labour market outcomes)]	Not selected
6.1. Does your country systematically collect information about the following ALE outcomes? [Social outcomes in the areas of health and well-being, community cohesion]	Not selected
6.1. Does your country systematically collect information about the following ALE outcomes? [None of these – this information is not	Not coloated
systematically available 6.1. Does your country systematically collect information about the following ALE outcomes? [Other]	Not selected

6.2. Are there initial, pre-service education and	
training programmes for ALE teachers/facilitators	Yes
in your country? 6.3. Are initial, pre-service qualifications a	
requirement to teach in ALE programmes?	Yes, in all cases
6.4. Are there continuing, in-service education	
and training programmes for adult education	
teachers/facilitators in your country?	
6.5. Since 2009, have there been any substantial	
analyses of the following issues in your country?	Not coloated
[Learning outcomes of ALE]	Not selected
6.5. Since 2009, have there been any substantial	
analyses of the following issues in your country?	
[Quality criteria for teaching and learning, e.g. curricula and methods]	Yes
6.5. Since 2009, have there been any substantial	
analyses of the following issues in your country?	
[Diversity of providers]	Not selected
6.5. Since 2009, have there been any substantial	
analyses of the following issues in your country?	
[Impact of new technologies on ALE]	V
	Yes
6.5. Since 2009, have there been any substantial	
analyses of the following issues in your country?	Not selected
[Equity issues in ALE] 6.5. Since 2009, have there been any substantial	Not selected
analyses of the following issues in your country?	
[Barriers to ALE participation and provision]	
[Darriers to ALL participation and provision]	Not selected
6.5. Since 2009, have there been any substantial	
analyses of the following issues in your country?	
[Other issues]	Not selected
6.5.1. Give references and URL link(s).	
6.6. Has your government introduced any	
significant innovation regarding the quality of ALE	
since 2009 that could be of interest to other	No
countries? 6.6.1. Give details and provide sources and URL	
links if possible.	
Since 2009, how much has the knowledge base	
on the benefits of ALE for the following areas	
improved for policymakers, researchers and	
practitioners? [Health and well-being]	somewhat
Since 2009, how much has the knowledge base	
on the benefits of ALE for the following areas	
improved for policymakers, researchers and	somewhat
practitioners? [Society and community] Since 2009, how much has the knowledge base	Johnstiac
on the benefits of ALE for the following areas	
improved for policymakers, researchers and	
practitioners? [Employment and labour market	
outcomes]	somewhat
7.1. Indicate the extent to which your country's	
ALE policy and practice [Recognizes the	
contribution ALE can make to personal health and	
well-being]	

7.1. Indicate the extent to which your country's	
ALE policy and practice [Follows the World Health	
Organization's holistic approach, including mental	
as well as physical health]	
7.1.1. Explain your response here.	
7.2. Do you have evidence to show that in your	
country, ALE has a positive impact on:	
[Competencies needed for health, including knowledge, attitudes, skills and values needed for	
prevention, accessing treatment, etc.]	
prevention, accessing treatment, etc.]	Not selected
7.2. Do you have evidence to show that in your	
country, ALE has a positive impact on: [Self-	
reported health]	Not selected
7.2. Do you have evidence to show that in your	
country, ALE has a positive impact on: [Maternal	Not selected
health] 7.2. Do you have evidence to show that in your	Not selected
country, ALE has a positive impact on: [Mental	
health and well-being (such as self-efficacy)]	
reduit and wen being (each as sen emodely)]	Not selected
7.2. Do you have evidence to show that in your	
country, ALE has a positive impact on:	
[Preventing, but also living with, HIV/AIDS and its	Not coloated
social consequences	Not selected
7.2. Do you have evidence to show that in your	
country, ALE has a positive impact on: [Prevention	
and control of other infectious diseases, including epidemics (such as SARS, cholera, hepatitis)]	
epidernics (such as SANS, cholera, nepatitis)]	Not selected
7.2. Do you have evidence to show that in your	
country, ALE has a positive impact on: [Sexual and	
reproductive health]	Not selected
7.2. Do you have evidence to show that in your	
country, ALE has a positive impact on:	
[Preventing, but also living with, chronic illnesses	
(such as diabetes, heart disease, Alzheimer's)]	Not selected
7.2. Do you have evidence to show that in your	
country, ALE has a positive impact on: [Healthy	
lifestyles (such as diet, exercise, stress reduction)]	
	Not selected
7.2. Do you have evidence to show that in your	
country, ALE has a positive impact on: [Making	
the local environment more healthy (e.g. through	Not selected
community action)] 7.2. Do you have evidence to show that in your	
country, ALE has a positive impact on: [None of	
the above, but there is evidence that ALE has a	
positive impact on other aspects of health]	
	Not selected
7.2. Do you have evidence to show that in your	
country, ALE has a positive impact on: [No	Yes
evidence at all for any aspect 7.2.1. Please provide your sources.	163
7.2.1. Please provide your sources.	

7.3. For your country, indicate how important the following are as factors influencing the effectiveness of ALE for health and well-being: Illiliteracyl 7.3. For your country, indicate how important the following are as factors influencing the effectiveness of ALE for health and well-being: IHousehold income inequalities 7.3. For your country, indicate how important the following are as factors influencing the effectiveness of ALE for health and well-being: [Poor quality of pedagogy, training materials, staff training and capacityl 7.3. For your country, indicate how important the following are as factors influencing the effectiveness of ALE for health and well-being: [Lack of access to information on ALE programmes] 7.3. For your country, indicate how important the following are as factors influencing the effectiveness of ALE for health and well-being: [Poor interdepartmental or inter-sectoral collaboration] 7.3. For your country, indicate how important the following are as factors influencing the effectiveness of ALE for health and well-being: [Community resistance] 7.3. For your country, indicate how important the following are as factors influencing the effectiveness of ALE for health and well-being: [Lack of access of the following are as factors influencing the effectiveness of ALE for health and well-being: [Lack of access of the following are as factors influencing the effectiveness of ALE for health and well-being: [Lack of access of the following are as factors influencing the effectiveness of ALE for health and well-being: [Lack of access of ALE for health and well-being: [Lack of access		
effectiveness of ALE for health and well-being: Illiliteracy! 7.3.
