

Monitoring survey results for South Africa

UNESCO Region	Sub-Saharan Africa
1.1. Does your country have an official definition of ALE?	Yes
1.1.1. Enter the official definition of ALE here:	Adult basic education and training is the general conceptual foundation towards lifelong learning and development, comprising of knowledge, skills and attitudes required for social, economic and political participation and transformation applicable to a range of contexts. ABET is flexible, developmental and targeted at the specific needs of particular
1.2. Has the official definition of ALE changed since 2009?	No
1.2.1. What were the reasons for this change?	
1.3. Are literacy and basic skills a top priority for ALE programmes in your country?	Yes
1.3.1. Describe here the key points of your country's policy approach to literacy and basic skills.	The Bill of Rights in the Constitution of the Republic of South Africa (1996) enshrines the right of all citizens "to a basic education, including adult basic education, and to further education, which the state, through reasonable measures, must make progressively available and accessible
1.4. Would your country's ALE stakeholders agree or disagree with the following statements? We are not asking for your personal views. [Youth education and ALE are are seen part of an integrated whole.]	agree
1.4. Would your country's ALE stakeholders agree or disagree with the following statements? We are not asking for your personal views. [ALE policy addresses learning processes and teacher-learner relations.]	agree
1.4. Would your country's ALE stakeholders agree or disagree with the following statements? We are not asking for your personal views. [ALE is such a diverse sector of provision that it is difficult to define precisely.]	disagree
1.4. Would your country's ALE stakeholders agree or disagree with the following statements? We are not asking for your personal views. [Adult learning and adult education are the same thing.]	disagree

1.4. Would your country's ALE stakeholders agree or disagree with the following statements? We are not asking for your personal views. [ALE and continuing vocational education and training are not integrated.]	disagree
1.4. Would your country's ALE stakeholders agree or disagree with the following statements? We are not asking for your personal views. [New technologies have fundamentally changed the scope of our ALE practice.]	agree
1.4. Would your country's ALE stakeholders agree or disagree with the following statements? We are not asking for your personal views. [Demographic trends (e.g. ageing societies and migration patterns) are making ALE policy much more important than it used to be.]	agree
1.4. Would your country's ALE stakeholders agree or disagree with the following statements? We are not asking for your personal views. [ALE policy identifies non-formal and informal learning as important.]	agree
1.5. Has your country formulated a CONFINTEA VI action plan following the BFA?1.5.1. What areas does it cover? [Adult literacy]	No Not selected
1.5.1. What areas does it cover? [Policy]	Not selected
1.5.1. What areas does it cover? [Governance]	Not selected
1.5.1. What areas does it cover? [Financing]	Not selected
1.5.1. What areas does it cover? [Participation]	Not selected
1.5.1. What areas does it cover? [Quality]	Not selected
1.5.1. What areas does it cover? [Other]	
2.1. Overall, would you say that since 2009 your	
country	has made significant progress on ALE policy?
2.1.1. Provide the most significant indicator of	
this regression here. 2.1.1. Provide the most significant indicator of	
this progress here.	Adult literacy in South Africa has improved significantly since 2009. Using the 2001 census on 4,7 million illiterate adults 3,8 million are now literate
2.2. Which target groups of (potential) learners	
are especially important in ALE policies in your	
country? Check up to five groups. [Individuals	
seeking personal growth and widening of	Not selected
knowledge horizons 2.2. Which target groups of (potential) learners	
are especially important in ALE policies in your	
country? Check up to five groups. [Individuals	
seeking to update work-relevant knowledge and skills1	Not selected

2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Women and men in mid-life transitions (e.g. change in	
employment status; personal, health and family challenges)]	Not selected
2.2. Which target groups of (potential) learners are especially important in ALE policies in your	
country? Check up to five groups. [Individuals seeking recognition for prior learning (especially	
non-formally and informally acquired)]	Not selected
2.2. Which target groups of (potential) learners	
are especially important in ALE policies in your country? Check up to five groups. [Socially	
excluded groups (e.g. homeless people, [ex-	
]prisoners; adults with mental health problems)]	Yes
2.2. Which target groups of (potential) learners	
are especially important in ALE policies in your country? Check up to five groups. [Adults with low-	
level literacy or basic skills]	
	Yes
2.2. Which target groups of (potential) learners are especially important in ALE policies in your	
country? Check up to five groups. [Workers in low-	
skill, low-wage or precarious positions]	Not selected
2.2. Which target groups of (potential) learners	
are especially important in ALE policies in your	
country? Check up to five groups. [Long-term unemployed people]	Not selected
2.2. Which target groups of (potential) learners	
are especially important in ALE policies in your	
country? Check up to five groups. [Adults living with disabilities]	Yes
2.2. Which target groups of (potential) learners	
are especially important in ALE policies in your	
country? Check up to five groups. [Residents of rural or sparsely populated areas]	
Tural or sparsery populated areas	Yes
2.2. Which target groups of (potential) learners	
are especially important in ALE policies in your country? Check up to five groups. [Parents and	
families]	Not selected
2.2. Which target groups of (potential) learners	
are especially important in ALE policies in your	
country? Check up to five groups. [Lone or single parents]	Not selected
2.2. Which target groups of (potential) learners	
are especially important in ALE policies in your	
country? Check up to five groups. [Senior citizens/retired people (third-age education)]	
.,,,,	Not selected

2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Young persons not in education, employment or training]	Yes
2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Migrants and refugees from other countries]	Not selected
2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Minority ethnic, linguistic or religious minorities and indigenous peoples]	Not selected
2.3. Does your country have a policy framework to recognize, validate and accredit non-formal and informal learning?	No
2.4. Since 2009, has your country enacted any important new policies with respect to ALE?	No
2.4.1. Provide the name of the policy, the year of adoption and if possible a link to the document.	
3.1. Which of these statements apply to your country? Since 2009, the governance of ALE has [increased stakeholder participation]	tend to disagree
3.1. Which of these statements apply to your country? Since 2009, the governance of ALE has [developed more effective monitoring and	agree
evaluation systems 3.1. Which of these statements apply to your country? Since 2009, the governance of ALE has [introduced better coordination arrangements]	agree
3.1. Which of these statements apply to your country? Since 2009, the governance of ALE has [become more decentralized]	disagree
3.1. Which of these statements apply to your country? Since 2009, the governance of ALE has [strengthened capacity-building initiatives]	agree
3.1. Which of these statements apply to your country? Since 2009, the governance of ALE has [strengthened inter-ministerial cooperation]	agree
3.2. Since 2009, has your government consulted stakeholders and civil society about the formulation, implementation and evaluation of	
ALE policies? 3.2.1. Describe how the government consults on	Not yet, but the government plans to do so
ALE policy. 3.3. Has there been any significant innovation/development in ALE governance in your country since 2009 that could be of interest to other countries?	Yes
to other countries? 3.3.1. Give details here. Provide sources and hyperlinks (URLs) if possible.	www.basiceducation.gov.za;www.kharigude.co.za

4.1. What percentage of public education	
spending currently goes to ALE?	Do not know
4.2. Between 2009 and 2014, public spending on	
ALE as a proportion of public education spending	
in my country has	increased
4.3. Does the government plan to increase or	
decrease spending on ALE?	Plans to increase
4.4. Has your government introduced any	
significant innovation in ALE financing since 2009	
that could be of interest to other countries?	Yes
4.4.1. Give details and provide references where	
appropriate and URL link if possible.	The Department of Basic Education has a budget for the
appropriate and one link is possible.	Kha Ri Gude adult literacy campaign and because of its job
	creation opportunities, the Department of Public Works has
	provided incentive grants to the Department of Basic
	Education on an annual basis to create more jobs in adult
	literacy
5.1. Since 2009 and for the adult population	
overall, the participation rate (%) in ALE has	Increased
5.1.1. Insert the overall ALE participation rate (%)	
for the most recent year available [Participation	88%
rate (%)]	00%
5.1.1. Insert the overall ALE participation rate (%)	
for the most recent year available [Reference year]	2013
5.1.1. Insert the overall ALE participation rate (%)	
for the most recent year available [Reference age	4-
group]	15 years and above
5.1.1. Insert the overall ALE participation rate (%)	
for the most recent year available [Definition of	illiterate adults who have never been to school before
'participation'] 5.1.1. Insert the overall ALE participation rate (%)	interace addition who have hever been to esheet before
for the most recent year available [Data source	
with URL]	Ministerial Committee on Literacy; Census 2001 and 2011
5.2. What differences are there between women	
and men in terms of their participation rates (%)	
in ALE programmes? [Overall]	
	Women participate more
5.2. What differences are there between women	
and men in terms of their participation rates (%)	
in ALE programmes? [General education]	Equal participation
CO Milest differences and the are leatures as a second	Equal participation
5.2. What differences are there between women	
and men in terms of their participation rates (%)	
in ALE programmes? [Technical and Vocational	
education and training (TVET)]	Men participate more
5.2. What differences are there between women	
and men in terms of their participation rates (%)	
in ALE programmes? [Literacy]	
	Women participate more
5.2. What differences are there between women	
and men in terms of their participation rates (%)	
in ALE programmes? [Non-formal and informal	Woman participate more
education]	Women participate more

5.3. For each of the following groups, how has ALE participation since 2009 changed? [Migrants	
and refugees from other countries]	do not know
5.3. For each of the following groups, how has	
ALE participation since 2009 changed? [All those	
seeking recognition for prior learning (especially	
non-formally and informally acquired)]	
	do not know
5.3. For each of the following groups, how has	
ALE participation since 2009 changed? [Adults	increased
with low-level literacy and basic skills]	increased
5.3. For each of the following groups, how has ALE participation since 2009 changed? [Minority	
ethnic, linguistic and religious minorities and	
indigenous peoples]	do not know
5.3. For each of the following groups, how has	
ALE participation since 2009 changed? [Senior	
citizens/the retired (Third Age Education)]	
	decreased
5.3. For each of the following groups, how has	
ALE participation since 2009 changed? [The long-	increased
term unemployed]	Increased
5.3. For each of the following groups, how has	
ALE participation since 2009 changed? [Adults living with disability]	increased
5.3. For each of the following groups, how has	
ALE participation since 2009 changed? [Young	
persons not in education, employment and	
training	increased
5.3. For each of the following groups, how has	
ALE participation since 2009 changed?[Residents	
of rural and remote areas]	increased
C.O. Farranch of the fallenting ground have been	Increased
5.3. For each of the following groups, how has	
ALE participation since 2009 changed? [Workers in low-skill, low-wage and precarious employment]	
in low-skill, low-wage and precanous employment	do not know
5.4. Has your government introduced any	
significant innovation in ALE to improve access	
and participation since 2009 that could be of	
interest to other countries?	Yes
5.4.1. Give details. Provide sources and URL link	
if possible. Also include references to recent	
surveys or major studies of ALE participation in	Poverty alleviation through short term contracts.
your country published since 2009.	www.basiceducation.gov.za
6.1. Does your country systematically collect	
information about the following ALE outcomes?	
[Completion rates]	Yes
6.1. Does your country systematically collect	
information about the following ALE outcomes?	
[Certificates or qualifications issued]	
	Yes
6.1. Does your country systematically collect	
information about the following ALE outcomes?	
[Employment outcomes (or labour market	Yes
outcomes)]	1.77

6.1. Does your country systematically collect	
information about the following ALE outcomes?	
[Social outcomes in the areas of health and well-	Voo
being, community cohesion	Yes
6.1. Does your country systematically collect	
information about the following ALE outcomes?	
[None of these – this information is not	Not selected
systematically available 6.1. Does your country systematically collect	1101 00100100
information about the following ALE outcomes?	
[Other]	
6.2. Are there initial, pre-service education and	
training programmes for ALE teachers/facilitators	
in your country?	No
6.3. Are initial, pre-service qualifications a	
requirement to teach in ALE programmes?	No
6.4. Are there continuing, in-service education	
and training programmes for adult education	
teachers/facilitators in your country?	No
6.5. Since 2009, have there been any substantial	
analyses of the following issues in your country?	Voo
[Learning outcomes of ALE]	Yes
6.5. Since 2009, have there been any substantial	
analyses of the following issues in your country?	
[Quality criteria for teaching and learning, e.g.	Yes
curricula and methods 6.5. Since 2009, have there been any substantial	
analyses of the following issues in your country?	
[Diversity of providers]	Yes
6.5. Since 2009, have there been any substantial	
analyses of the following issues in your country?	
[Impact of new technologies on ALE]	
	Not selected
6.5. Since 2009, have there been any substantial	
analyses of the following issues in your country?	Nich colored
[Equity issues in ALE]	Not selected
6.5. Since 2009, have there been any substantial	
analyses of the following issues in your country?	
[Barriers to ALE participation and provision]	Not selected
6.5. Since 2009, have there been any substantial	100 001000
analyses of the following issues in your country?	
[Other issues]	Not selected
6.5.1. Give references and URL link(s).	Adult literacy is provided by youths with matric and
	unemployed graduates. We also have people with
	disabilities like the blind using braille and deaf using sign
	language to learn and teach.

education and e-learning Modest
9.4. Since 2009, have there been any major
surveys or studies in your country that assess the
outcomes or results of ALE programmes for
employment and the labour market?
9.4.1. Give details and provide references and
URL links if possible. www.unisa.ac.za
