

Monitoring survey results for Uganda

UNESCO Region	Sub-Saharan Africa
1.1. Does your country have an official definition	
of ALE?	Yes
1.1.1. Enter the official definition of ALE here:	
1.2. Has the official definition of ALE changed	
since 2009?	No
1.2.1. What were the reasons for this change?	
1.3. Are literacy and basic skills a top priority for	
ALE programmes in your country?	Yes
1.3.1. Describe here the key points of your	
country's policy approach to literacy and basic	
skills.	
1.4. Would your country's ALE stakeholders agree	
or disagree with the following statements? We are	
not asking for your personal views. [Youth	
education and ALE are are seen part of an	agree
integrated whole.1 1.4. Would your country's ALE stakeholders agree	ugico
or disagree with the following statements? We are	
not asking for your personal views. [ALE policy	
addresses learning processes and teacher-learner	
relations.	agree
1.4. Would your country's ALE stakeholders agree	
or disagree with the following statements? We are	
not asking for your personal views. [ALE is such a	
diverse sector of provision that it is difficult to	
define precisely.]	
	agree
1.4. Would your country's ALE stakeholders agree	
or disagree with the following statements? We are	
not asking for your personal views. [Adult learning	
and adult education are the same thing.]	to add a source
	tend to agree
1.4. Would your country's ALE stakeholders agree	
or disagree with the following statements? We are	
not asking for your personal views. [ALE and	
continuing vocational education and training are	
not integrated.]	agree
1.4. Would your country's ALE stakeholders agree	wb. ~~
or disagree with the following statements? We are	
not asking for your personal views. [New	
technologies have fundamentally changed the	
scope of our ALE practice.]	
Scope of our ALL practice.]	tend to disagree

1.4. Would your country's ALE stakeholders agree	
or disagree with the following statements? We are	
not asking for your personal views. [Demographic	
trends (e.g. ageing societies and migration	
patterns) are making ALE policy much more important than it used to be.]	
important than it used to be.]	agree
1.4. Would your country's ALE stakeholders agree	
or disagree with the following statements? We are	
not asking for your personal views. [ALE policy	
identifies non-formal and informal learning as	agree
important.1 1.5. Has your country formulated a CONFINTEA VI	agicc
action plan following the BFA?	Yes
1.5.1. What areas does it cover? [Adult literacy]	
	Not selected
1.5.1. What areas does it cover? [Policy]	Not selected
1.5.1. What areas does it cover? [Governance]	Not selected
1.5.1. What areas does it cover? [Financing]	Not selected
1.5.1. What areas does it cover? [Participation]	
	Not selected
1.5.1. What areas does it cover? [Quality]	Not selected
1.5.1. What areas does it cover? [Other]	
2.1. Overall, would you say that since 2009 your	has made significant progress on ALE nalis O
country	has made significant progress on ALE policy?
2.1.1. Provide the most significant indicator of	
this regression here. 2.1.1. Provide the most significant indicator of	1. Adult Literacy Policy 20142. National Action Plan on
this progress here.	Adult Literacy 2011
2.2. Which target groups of (potential) learners	Addit Ellordoy 2011
are especially important in ALE policies in your	
country? Check up to five groups. [Individuals	
seeking personal growth and widening of	
knowledge horizonsl	Not selected
2.2. Which target groups of (potential) learners	
are especially important in ALE policies in your	
country? Check up to five groups. [Individuals	
seeking to update work-relevant knowledge and skills	Not selected
2.2. Which target groups of (potential) learners	
are especially important in ALE policies in your	
country? Check up to five groups. [Women and	
men in mid-life transitions (e.g. change in	
employment status; personal, health and family	Not selected
challenges)] 2.2. Which target groups of (potential) learners	1100 001000
are especially important in ALE policies in your	
country? Check up to five groups. [Individuals	
seeking recognition for prior learning (especially	
non-formally and informally acquired)]	
	Not selected
2.2. Which target groups of (potential) learners	
are especially important in ALE policies in your	
country? Check up to five groups. [Socially	
excluded groups (e.g. homeless people, [ex-]prisoners; adults with mental health problems)]	
prooficio, addite with mental ficulti problems/]	Not selected

2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Adults with low-level literacy or basic skills]	Yes
2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Workers in low-skill, low-wage or precarious positions]	Not selected
2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Long-term unemployed people]	Not selected
2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Adults living with disabilities]	Yes
2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Residents of rural or sparsely populated areas]	
2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Parents and	Not selected
families] 2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Lone or single parents]	Not selected Not selected
2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Senior citizens/retired people (third-age education)]	
2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Young persons	Not selected
not in education, employment or training] 2.2. Which target groups of (potential) learners	Yes
are especially important in ALE policies in your country? Check up to five groups. [Migrants and refugees from other countries]	Voo
2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Minority ethnic, linguistic or religious minorities and indigenous	Yes
peoples1 2.3. Does your country have a policy framework to recognize, validate and accredit non-formal and informal learning?	Yes, a policy framework existed before 2009
2.4. Since 2009, has your country enacted any important new policies with respect to ALE?	

2.4.1. Provide the name of the policy, the year of adoption and if possible a link to the document.	
3.1. Which of these statements apply to your country? Since 2009, the governance of ALE has [increased stakeholder participation]	agree
3.1. Which of these statements apply to your country? Since 2009, the governance of ALE has [developed more effective monitoring and evaluation systems]	tend to agree
3.1. Which of these statements apply to your country? Since 2009, the governance of ALE has [introduced better coordination arrangements]	tend to agree
3.1. Which of these statements apply to your country? Since 2009, the governance of ALE has [become more decentralized]	tend to disagree
3.1. Which of these statements apply to your country? Since 2009, the governance of ALE has [strengthened capacity-building initiatives]	tend to agree
3.1. Which of these statements apply to your country? Since 2009, the governance of ALE has [strengthened inter-ministerial cooperation]	tend to agree
3.2. Since 2009, has your government consulted stakeholders and civil society about the formulation, implementation and evaluation of ALE policies?	Yes
3.2.1. Describe how the government consults on ALE policy.	Through consultation meetings, workshops in both government, NGOs, Local Governments (Sub National), UN Agencies, Civil Society Organizations among others.
3.3. Has there been any significant innovation/development in ALE governance in your country since 2009 that could be of interest to other countries?	No
3.3.1. Give details here. Provide sources and hyperlinks (URLs) if possible.4.1. What percentage of public education	
spending currently goes to ALE? 4.2. Between 2009 and 2014, public spending on ALE as a proportion of public education spending	0 - 0.4%
in my country has 4.3. Does the government plan to increase or	decreased Plans to increase
decrease spending on ALE? 4.4. Has your government introduced any significant innovation in ALE financing since 2009	Trans to morodoc
that could be of interest to other countries? 4.4.1. Give details and provide references where	No
appropriate and URL link if possible. 5.1. Since 2009 and for the adult population overall, the participation rate (%) in ALE has	Stayed about the same
5.1.1. Insert the overall ALE participation rate (%) for the most recent year available [Participation rate (%)]	

5.1.1. Insert the overall ALE participation rate (%) for the most recent year available [Reference year]	
5.1.1. Insert the overall ALE participation rate (%) for the most recent year available [Reference age group]	
5.1.1. Insert the overall ALE participation rate (%) for the most recent year available [Definition of 'participation']	
5.1.1. Insert the overall ALE participation rate (%) for the most recent year available [Data source with URL]	
5.2. What differences are there between women and men in terms of their participation rates (%) in ALE programmes? [Overall]	Men participate more
5.2. What differences are there between women and men in terms of their participation rates (%) in ALE programmes? [General education]	Men participate more
5.2. What differences are there between women and men in terms of their participation rates (%) in ALE programmes? [Technical and Vocational education and training (TVET)]	Men participate more
5.2. What differences are there between women and men in terms of their participation rates (%) in ALE programmes? [Literacy]	Women participate more
5.2. What differences are there between women and men in terms of their participation rates (%) in ALE programmes? [Non-formal and informal education]	Women participate more
5.3. For each of the following groups, how has ALE participation since 2009 changed? [Migrants and refugees from other countries]	increased
5.3. For each of the following groups, how has ALE participation since 2009 changed? [All those seeking recognition for prior learning (especially non-formally and informally acquired)]	increased
5.3. For each of the following groups, how has ALE participation since 2009 changed? [Adults with low-level literacy and basic skills]	no change
5.3. For each of the following groups, how has ALE participation since 2009 changed? [Minority ethnic, linguistic and religious minorities and indigenous peoples]	no change
5.3. For each of the following groups, how has ALE participation since 2009 changed? [Senior citizens/the retired (Third Age Education)]	do not know
5.3. For each of the following groups, how has ALE participation since 2009 changed? [The long-term unemployed]	do not know
5.3. For each of the following groups, how has ALE participation since 2009 changed? [Adults living with disability]	no change

5.3. For each of the following groups, how has ALE participation since 2009 changed? [Young persons not in education, employment and	no chongo
training	no change
5.3. For each of the following groups, how has	
ALE participation since 2009 changed?[Residents	
of rural and remote areas]	
	no change
5.3. For each of the following groups, how has	
ALE participation since 2009 changed? [Workers	
in low-skill, low-wage and precarious employment]	
	do not know
5.4. Has your government introduced any	
significant innovation in ALE to improve access	
and participation since 2009 that could be of	
interest to other countries?	Yes
5.4.1. Give details. Provide sources and URL link	
if possible. Also include references to recent	
surveys or major studies of ALE participation in	
your country published since 2009.	
6.1. Doog your country overtemetically sallest	
6.1. Does your country systematically collect	
information about the following ALE outcomes?	Yes
[Completion rates]	165
6.1. Does your country systematically collect	
information about the following ALE outcomes?	
[Certificates or qualifications issued]	V
	Yes
6.1. Does your country systematically collect	
information about the following ALE outcomes?	
[Employment outcomes (or labour market	.
outcomes)]	Not selected
6.1. Does your country systematically collect	
information about the following ALE outcomes?	
[Social outcomes in the areas of health and well-	
being, community cohesion]	Yes
6.1. Does your country systematically collect	
information about the following ALE outcomes?	
[None of these – this information is not	
systematically available]	Not selected
6.1. Does your country systematically collect	
information about the following ALE outcomes?	
[Other]	
6.2. Are there initial, pre-service education and	
training programmes for ALE teachers/facilitators	
in your country?	Yes
6.3. Are initial, pre-service qualifications a	
requirement to teach in ALE programmes?	Yes, in some cases
6.4. Are there continuing, in-service education	
and training programmes for adult education	
	Yes, but inadequate capacity
teachers/facilitators in your country? 6.5. Since 2009, have there been any substantial	,
analyses of the following issues in your country?	Not selected
[Learning outcomes of ALE]	1101 00100100
6.5. Since 2009, have there been any substantial	
analyses of the following issues in your country?	
[Quality criteria for teaching and learning, e.g.	Not coloated
curricula and methods]	Not selected

[Diversity of providers] 6.5. Since 2009, have there been any substantial analyses of the following issues in your country? [Impact of new technologies on ALE] Not selected 6.5. Since 2009, have there been any substantial analyses of the following issues in your country? [Equity issues in ALE] Not selected
analyses of the following issues in your country? [Impact of new technologies on ALE] Not selected 6.5. Since 2009, have there been any substantial analyses of the following issues in your country?

Not selected 6.5. Since 2009, have there been any substantial analyses of the following issues in your country?
analyses of the following issues in your country?
Neteclested
[Fquity issues in ALF] Not selected
6.5. Since 2009, have there been any substantial
analyses of the following issues in your country?
[Barriers to ALE participation and provision] Not selected
6.5. Since 2009, have there been any substantial
analyses of the following issues in your country?
[Other issues] Not selected
6.5.1. Give references and URL link(s).
6.6. Has your government introduced any
significant innovation regarding the quality of ALE
since 2009 that could be of interest to other
countries?
6.6.1. Give details and provide sources and URL
links if possible.
Since 2009, how much has the knowledge base
on the benefits of ALE for the following areas
improved for policymakers, researchers and
practitioners? [Health and well-being] somewhat
Since 2009, how much has the knowledge base
on the benefits of ALE for the following areas
improved for policymakers, researchers and practitioners? [Society and community] a lot
Since 2009, how much has the knowledge base
on the benefits of ALE for the following areas
improved for policymakers, researchers and
practitioners? [Employment and labour market
outcomes a lot
7.1. Indicate the extent to which your country's
ALE policy and practice [Recognizes the
contribution ALE can make to personal health and
well-being 5 = a great deal
7.1. Indicate the extent to which your country's
ALE policy and practice [Follows the World Health
Organization's holistic approach, including mental as well as physical health] 5 = a great deal
7.1.1. Explain your response here. ALE is acknowledged for contributing to diseases and
epidemics prevention.
7.2. Do you have evidence to show that in your
country, ALE has a positive impact on:
[Competencies needed for health, including
knowledge, attitudes, skills and values needed for
prevention, accessing treatment, etc.]
Yes
7.2. Do you have evidence to show that in your
country, ALE has a positive impact on: [Self-
reported health] Yes

7.2. Do you have evidence to show that in your	
country, ALE has a positive impact on: [Maternal	Voo
health	Yes
7.2. Do you have evidence to show that in your	
country, ALE has a positive impact on: [Mental	
health and well-being (such as self-efficacy)]	Yes
70.00	165
7.2. Do you have evidence to show that in your	
country, ALE has a positive impact on:	
[Preventing, but also living with, HIV/AIDS and its	Yes
social consequences 7.2. Do you have evidence to show that in your	
country, ALE has a positive impact on: [Prevention	
and control of other infectious diseases, including	
_	
epidemics (such as SARS, cholera, hepatitis)]	Yes
7.2. Do you have evidence to show that in your	
country, ALE has a positive impact on: [Sexual and	
reproductive health]	Yes
7.2. Do you have evidence to show that in your	
country, ALE has a positive impact on:	
[Preventing, but also living with, chronic illnesses	
(such as diabetes, heart disease, Alzheimer's)]	
	Yes
7.2. Do you have evidence to show that in your	
country, ALE has a positive impact on: [Healthy	
lifestyles (such as diet, exercise, stress reduction)]	
	Yes
7.2. Do you have evidence to show that in your	
country, ALE has a positive impact on: [Making	
the local environment more healthy (e.g. through	Yes
community action)]	165
7.2. Do you have evidence to show that in your	
country, ALE has a positive impact on: [None of	
the above, but there is evidence that ALE has a	
positive impact on other aspects of health]	Not selected
7.2. Do you have evidence to show that in your	
country, ALE has a positive impact on: [No	
evidence at all for any aspect]	Not selected
7.2.1. Please provide your sources.	
7.3. For your country, indicate how important the	
following are as factors influencing the	
effectiveness of ALE for health and well-being:	
[Illiteracy]	4 = very important
7.3. For your country, indicate how important the	
following are as factors influencing the	
effectiveness of ALE for health and well-being:	
[Household income inequalities]	4 = very important
7.3. For your country, indicate how important the	
following are as factors influencing the	
effectiveness of ALE for health and well-being:	
[Poor quality of pedagogy, training materials, staff	4 - vancinopartant
training and capacityl	4 = very important

7.3. For your country, indicate how important the	
following are as factors influencing the	
effectiveness of ALE for health and well-being:	
[Lack of access to information on ALE	1 - not immortant
programmes]	1 = not important
7.3. For your country, indicate how important the	
following are as factors influencing the	
effectiveness of ALE for health and well-being:	
[Poor interdepartmental or inter-sectoral	1 - not important
collaboration1	1 = not important
7.3. For your country, indicate how important the	
following are as factors influencing the	
effectiveness of ALE for health and well-being:	1 - not important
[Community resistance]	1 = not important
7.3. For your country, indicate how important the	
following are as factors influencing the	
effectiveness of ALE for health and well-being:	1 = not important
[Inadequate or misdirected funding]	1 Hot Important
7.4. How far do different stakeholders (public	
education agencies, public health agencies,	
NGOs, private providers, etc.) collaborate in the	
design and delivery of ALE programmes in your	Effectively and successfully
country?	Liteotively and Successium
7.5. Does your country have an interdepartmental	
or cross-sectoral coordinating body for ALE for	
promoting personal health and well-being?	Yes
[Name of coordinating body:]	
[Briefly describe its mandate and activities:]	
8.1. Do you have evidence to show that ALE has a	
positive impact on the following issues?	
[Participation in social, civic and political activities	Yes
8.1. Do you have evidence to show that ALE has a	
positive impact on the following issues? [Social	
trust]	Yes
8.1. Do you have evidence to show that ALE has a	
positive impact on the following issues? [Social	
integration/inclusion]	Yes
8.1. Do you have evidence to show that ALE has a	
positive impact on the following issues? [Diversity	
tolerance]	Not selected
8.1.1. Give sources for checked options.	
8.2. To what extent are the following dimensions	
important for ALE policy in your country? [Non-	
economic outcomes and benefits for individuals	
(such as personal development, quality of life,	
well-being and social and cultural participation)]	to a large extent
8.2. To what extent are the following dimensions	
important for ALE policy in your country? [Non-	
economic outcomes and benefits for collective	
and civil society (such as positive and trustful	
social relations, active and sustainable	
Social relations, active and sustainable	
communities and social integration)]	
communities, and social integration)]	to a large extent

8.2. To what extent are the following dimensions important for ALE policy in your country?	
[Economic returns for individuals, communities	
and society (such as employability, innovation	
capacity, financial autonomy, living standards,	
skills levels improvement and structural labour market evolution)]	
market evolution)]	to a small extent
8.3. To what extent do literacy and basic skills	
programmes contribute to strengthening the following cultural and social resources in your	
country? [Multilingualism and cultural diversity]	
	to a large extent
8.3. To what extent do literacy and basic skills programmes contribute to strengthening the	
following cultural and social resources in your	
country? [Increased access to education,	
literature, the arts and cultural heritage	to a large extent
8.3. To what extent do literacy and basic skills programmes contribute to strengthening the	
following cultural and social resources in your	
country? [Environmental sustainability in local	to a good output
communities1 8.3. To what extent do literacy and basic skills	to a small extent
programmes contribute to strengthening the	
following cultural and social resources in your	
country? [Active citizenship and political and	to a large extent
community participation1 8.3. To what extent do literacy and basic skills	to a large extern
programmes contribute to strengthening the	
following cultural and social resources in your	
country? [Community solidarity and social justice]	to a large extent
8.3. To what extent do literacy and basic skills	
programmes contribute to strengthening the	
following cultural and social resources in your country? [Democratic values and peaceful co-	
existence	to a large extent
8.3. To what extent do literacy and basic skills	
programmes contribute to strengthening the	
following cultural and social resources in your country? [Other]	
8.3.1. Please specify	
8.4. To what extent do ALE programmes in	
general contribute to strengthening the following	
cultural and social resources in your country? [Multilingualism and cultural diversity]	
	to a large extent
8.4. To what extent do ALE programmes in	
general contribute to strengthening the following cultural and social resources in your country?	
[Increased access to education, literature, the	
arts and cultural heritagel	to a large extent
8.4. To what extent do ALE programmes in general contribute to strengthening the following	
cultural and social resources in your country?	
[Environmental sustainability in local communities]	

8.4. To what extent do ALE programmes in general contribute to strengthening the following cultural and social resources in your country? [Active citizenship and political and community	to a large outont
participation 8.4. To what extent do ALE programmes in general contribute to strengthening the following cultural and social resources in your country? [Community solidarity and social justice]	to a large extent to a large extent
8.4. To what extent do ALE programmes in general contribute to strengthening the following cultural and social resources in your country? [Democratic values and peaceful co-existence]	J
8.4. To what extent do ALE programmes in general contribute to strengthening the following cultural and social resources in your country? [None of these – adult learning and education programmes mostly have other purposes]	
8.4. To what extent do ALE programmes in general contribute to strengthening the following cultural and social resources in your country? [Other]	
8.5. How far does the statement below reflect the policy approach in your country? Youth and adult literacy and basic skills programmes are not directed towards social and cultural development – they teach people to read, write and deal with	not at all
numbers. 8.6. To what extent do your country's ALE programmes include provisions for the development of the following cultural resources? [Arts and crafts]	a lot
8.6. To what extent do your country's ALE programmes include provisions for the development of the following cultural resources? [Cultural rituals and traditional knowledge systems]	
8.6. To what extent do your country's ALE programmes include provisions for the development of the following cultural resources? [Spirituality]	a lot
8.6. To what extent do your country's ALE programmes include provisions for the development of the following cultural resources? [Ecology and the environment] 8.6. To what extent do your country's ALE	somewhat
programmes include provisions for the development of the following cultural resources? [Sports] 8.6. To what extent do your country's ALE	
programmes include provisions for the development of the following cultural resources? [Dance and theatre] Groups that are the hardest to reach with ALE	a lot
programmes? [Refugees]	Not selected
