

2020 Global Education Meeting

Extraordinary Session on Education post-COVID-19 (online)

co-hosted by the Governments of Ghana, Norway, the United Kingdom and UNESCO

20 October 2020, 13:00–16:00 (CEST–Paris)

22 October 2020, 13:00–15:00 (CEST–Paris)

Provisional Programme

Technical Segment Tuesday, 20 October, 2020	
13:00-13:10	<p>Opening Moderator: Ms Valeriane Gauthier</p> <p>Welcome remarks</p> <ul style="list-style-type: none"> - Ms Stefania Giannini, Assistant Director-General for Education, UNESCO - Baroness Sugg, UK Minister for Foreign Affairs and Development
13:10-14:40	<p>Breakout Session: Thematic discussion on priority actions <i>The technical segment will review the recommended priority actions of the 2020 GEM Declaration through thematic discussions and consolidate the Declaration to be presented to the high-level segment.</i></p>
Theme 1	<p>Protect domestic and international financing of education <i>While the COVID-19 pandemic has created the largest disruption of education systems in history, its impact on the world's economy is "a crisis like no other" with global growth in 2020 projected at -4.9% and the gross domestic product in advanced economies expected to decline by 8%. The governments need to maintain and even increase domestic financing and international aid to education now, as this investment will pay off and carry positive impact across the SDGs.</i></p> <p>Moderator: Mr Andreas Schleicher, Director for the Directorate of Education and Skills, OECD</p> <p>Opening presenter: Ms Alice Albright, Chief Executive Officer, Global Partnership for Education</p> <p>Speakers:</p> <ul style="list-style-type: none"> - H.E. <p>Theme 3</p>	<p>Focus on inclusion, equity and gender equality</p> <p><i>The COVID-19 pandemic has exposed and is expected to add new layers or to deepen, inequalities, marginalization and exclusion. Social and digital divides based on gender, ability, location, language, wealth and other characteristics have put the most disadvantaged at risk of learning loss and drop out. Experience also tells us that disease outbreaks have distinct gendered impacts, and that preparedness and response efforts must understand the gender dimensions of these crises to avert widening inequalities and seize opportunities to advance gender equality.</i></p> <p>Moderator: Ms Nora Fyles, Head, UN Girls' Education Initiative (UNGEI) Secretariat</p> <p>Speakers:</p> <ul style="list-style-type: none"> - Ms Alicia Herbert, Head of Children, Youth and Education Team, Foreign Commonwealth Development Office, United Kingdom

	<p>Theme 5</p>	<p>Harness equitable connectivity and technologies for learning</p> <p><i>As learning and schooling move deeper into virtual environments largely owned and controlled by private for-profit companies, governments need to consider how to maintain education as a public good and guarantee the right to education. As it remains uncertain how the current crisis will unfold and in anticipation of future school closures, it is essential to build on the experiences</i></p>

	<p><i>and lessons learned on the use of technologies to reach all learners, in particular the most vulnerable, to encourage pedagogical innovation, and to increase the flexibility and resilience of education systems.</i></p> <p>Moderator: Mr Robert Jenkins, Chief of Education and Associate Director of the Programme Division, UNICEF</p> <p>Speakers:</p> <ul style="list-style-type: none"> - H.E.
