

3rd GLOBAL REPORT ON ADULT LEARNING AND EDUCATION

Monitoring survey results for Niger

UNESCO Region	Sub-Saharan Africa
1.1. Does your country have an official definition of ALE?	Yes
1.1.1. Enter the official definition of ALE here:	<p>Il s'agit plutôt de la définition de l'éducation non formelle par la loi d'orientation du système éducatif: "l'éducation non formelle est un mode d'acquisition de l'éducation et de la formation professionnelle dans un cadre non scolaire. Elle s'adresse aux jeunes et aux adultes.L'éducation non formelle est assurée dans les centres d'alphabétisation et de formation des adultes, les écoles confessionnelles, les centres de formation partagée et diverses structures occasionnelles de formation et d'encadrement"La politique nationale d'AENF définit l'alphabétisation comme"une aptitude technique et un acte social dont le focus principal est la lecture, l'écriture et le calcul en tant qu'étape d'un processus d'apprentissage tout au long de la vie qui peut conduire à une expression créative et à des aptitudes conceptuelles de résolution de problèmes. Son principal objectif est de rendre l'individu capable d'atteindre ses buts et de contribuer au mieux-être de sa communauté". Le même document définit l'éducation des adultes en ces termes:"l'ensemble des processus de formation/ apprentissage, formel ou autres, grâce auxquels les individus considérés comme adultes dans la société à laquelle ils appartiennent, développent leurs aptitudes, enrichissent leurs connaissances et améliorent leurs qualifications techniques et professionnelles ou les réorientent en fonction de leurs propres besoins et de ceux de la société. L'éducation des adultes vise le perfectionnement et/ou l'acquisition des habiletés et compétences par les agents économiques afin d'améliorer la qualité de leur vie et leur permettre de contribuer plus efficacement au développement de leur communauté"</p>
1.2. Has the official definition of ALE changed since 2009?	No
1.2.1. What were the reasons for this change?	
1.3. Are literacy and basic skills a top priority for ALE programmes in your country?	Yes

1.3.1. Describe here the key points of your country's policy approach to literacy and basic skills.	La politique nationale d'alphabétisation comporte trois principaux axes:- Diversification de l'offre pour répondre aux besoins spécifiques des apprenants- Amélioration de la qualité des apprentissages- Amélioration du financementDe même le plan d'accélération a retenu trois axes aussi bien pour l'alphabétisation que pour l'éducation non formelle dont les deux premiers de la politique et un troisième sur le pilotage
1.4. Would your country's ALE stakeholders agree or disagree with the following statements? We are not asking for your personal views. [Youth education and ALE are seen part of an integrated whole.]	agree
1.4. Would your country's ALE stakeholders agree or disagree with the following statements? We are not asking for your personal views. [ALE policy addresses learning processes and teacher-learner relations.]	tend to agree
1.4. Would your country's ALE stakeholders agree or disagree with the following statements? We are not asking for your personal views. [ALE is such a diverse sector of provision that it is difficult to define precisely.]	tend to agree
1.4. Would your country's ALE stakeholders agree or disagree with the following statements? We are not asking for your personal views. [Adult learning and adult education are the same thing.]	tend to agree
1.4. Would your country's ALE stakeholders agree or disagree with the following statements? We are not asking for your personal views. [ALE and continuing vocational education and training are not integrated.]	disagree
1.4. Would your country's ALE stakeholders agree or disagree with the following statements? We are not asking for your personal views. [New technologies have fundamentally changed the scope of our ALE practice.]	tend to disagree
1.4. Would your country's ALE stakeholders agree or disagree with the following statements? We are not asking for your personal views. [Demographic trends (e.g. ageing societies and migration patterns) are making ALE policy much more important than it used to be.]	agree
1.4. Would your country's ALE stakeholders agree or disagree with the following statements? We are not asking for your personal views. [ALE policy identifies non-formal and informal learning as important.]	agree
1.5. Has your country formulated a CONFINTEA VI action plan following the BFA?	Yes
1.5.1. What areas does it cover? [Adult literacy]	Yes
1.5.1. What areas does it cover? [Policy]	Yes

1.5.1. What areas does it cover? [Governance]	Yes
1.5.1. What areas does it cover? [Financing]	Yes
1.5.1. What areas does it cover? [Participation]	Yes
1.5.1. What areas does it cover? [Quality]	Yes
1.5.1. What areas does it cover? [Other]	
2.1. Overall, would you say that since 2009 your country ...	has made significant progress on ALE policy?
2.1.1. Provide the most significant indicator of this regression here.	
2.1.1. Provide the most significant indicator of this progress here.	L'élaboration d'un document de politique nationale d'alphabétisation et d'éducation non formelle et d'un programme d'éradication de l'analphabétisme à l'horizon 2023
2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Individuals seeking personal growth and widening of knowledge horizons]	Yes
2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Individuals seeking to update work-relevant knowledge and skills]	Not selected
2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Women and men in mid-life transitions (e.g. change in employment status; personal, health and family challenges)]	Not selected
2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Individuals seeking recognition for prior learning (especially non-formally and informally acquired)]	Not selected
2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Socially excluded groups (e.g. homeless people, [ex-]prisoners; adults with mental health problems)]	Not selected
2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Adults with low-level literacy or basic skills]	Yes
2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Workers in low-skill, low-wage or precarious positions]	Yes
2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Long-term unemployed people]	Not selected

2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Adults living with disabilities]	Not selected
2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Residents of rural or sparsely populated areas]	Yes
2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Parents and families]	Not selected
2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Lone or single parents]	Not selected
2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Senior citizens/retired people (third-age education)]	Not selected
2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Young persons not in education, employment or training]	Yes
2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Migrants and refugees from other countries]	Not selected
2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Minority ethnic, linguistic or religious minorities and indigenous peoples]	Not selected
2.3. Does your country have a policy framework to recognize, validate and accredit non-formal and informal learning?	Yes, a policy framework was developed after 2009
2.4. Since 2009, has your country enacted any important new policies with respect to ALE?	Yes
2.4.1. Provide the name of the policy, the year of adoption and if possible a link to the document.	Politique nationale d'alphabétisation et d'éducation non formelle, adoptée le 13 mars 2015 par décret pris en conseil des ministres.
3.1. Which of these statements apply to your country? Since 2009, the governance of ALE has ... [increased stakeholder participation]	agree
3.1. Which of these statements apply to your country? Since 2009, the governance of ALE has ... [developed more effective monitoring and evaluation systems]	agree
3.1. Which of these statements apply to your country? Since 2009, the governance of ALE has ... [introduced better coordination arrangements]	agree

3.1. Which of these statements apply to your country? Since 2009, the governance of ALE has ... [become more decentralized]	agree
3.1. Which of these statements apply to your country? Since 2009, the governance of ALE has ... [strengthened capacity-building initiatives]	tend to agree
3.1. Which of these statements apply to your country? Since 2009, the governance of ALE has ... [strengthened inter-ministerial cooperation]	agree
3.2. Since 2009, has your government consulted stakeholders and civil society about the formulation, implementation and evaluation of ALE policies?	Yes
3.2.1. Describe how the government consults on ALE policy.	Le comité mis en place pour l'élaboration de la politique a eu des entretiens avec les parties prenantes (opérateurs, syndicats) au cours de son travail. Ces acteurs ont été associés aux différents ateliers de pré-validation et de validation. Il existe aussi plusieurs cadres consultatifs auxquels participent ces acteurs: conseil national de l'éducation, cadres national et régional de concertation en alphabétisation et éducation non formelle.
3.3. Has there been any significant innovation/development in ALE governance in your country since 2009 that could be of interest to other countries?	Yes
3.3.1. Give details here. Provide sources and hyperlinks (URLs) if possible.	L'élaboration de la politique nationale d'AENF; l'élaboration et l'adoption du cadre de référence pour la mise en œuvre des actions d'AENF, l'élaboration de textes législatifs et réglementaires régissant plusieurs aspects de l'AENF (statuts des animateurs des centres d'AENF par exemple)
4.1. What percentage of public education spending currently goes to ALE?	0 - 0.4%
4.2. Between 2009 and 2014, public spending on ALE as a proportion of public education spending in my country has	stayed about the same
4.3. Does the government plan to increase or decrease spending on ALE?	Plans to increase
4.4. Has your government introduced any significant innovation in ALE financing since 2009 that could be of interest to other countries?	Yes
4.4.1. Give details and provide references where appropriate and URL link if possible.	Perspective d'organiser une table ronde pour le financement de l'alphabétisation. Avec l'appui des PTF une des régions du pays a mis en place un Fonds Régional d'Alphabétisation et d'Éducation Non Formelle.
5.1. Since 2009 and for the adult population overall, the participation rate (%) in ALE has...	Increased
5.1.1. Insert the overall ALE participation rate (%) for the most recent year available [Participation rate (%)]	85,63
5.1.1. Insert the overall ALE participation rate (%) for the most recent year available [Reference year]	2014
5.1.1. Insert the overall ALE participation rate (%) for the most recent year available [Reference age group]	9-14 ans pour l'éducation non formelle et 15 ans et plus pour l'alphabétisation

5.1.1. Insert the overall ALE participation rate (%) for the most recent year available [Definition of 'participation']	la fréquentation des centres
5.1.1. Insert the overall ALE participation rate (%) for the most recent year available [Data source with URL]	Rapport de synthèse des résultats de l'année 2014
5.2. What differences are there between women and men in terms of their participation rates (%) in ALE programmes? [Overall]	Men participate more
5.2. What differences are there between women and men in terms of their participation rates (%) in ALE programmes? [General education]	Men participate more
5.2. What differences are there between women and men in terms of their participation rates (%) in ALE programmes? [Technical and Vocational education and training (TVET)]	Men participate more
5.2. What differences are there between women and men in terms of their participation rates (%) in ALE programmes? [Literacy]	Women participate more
5.2. What differences are there between women and men in terms of their participation rates (%) in ALE programmes? [Non-formal and informal education]	Women participate more
5.3. For each of the following groups, how has ALE participation since 2009 changed? [Migrants and refugees from other countries]	
5.3. For each of the following groups, how has ALE participation since 2009 changed? [All those seeking recognition for prior learning (especially non-formally and informally acquired)]	
5.3. For each of the following groups, how has ALE participation since 2009 changed? [Adults with low-level literacy and basic skills]	increased
5.3. For each of the following groups, how has ALE participation since 2009 changed? [Minority ethnic, linguistic and religious minorities and indigenous peoples]	
5.3. For each of the following groups, how has ALE participation since 2009 changed? [Senior citizens/the retired (Third Age Education)]	
5.3. For each of the following groups, how has ALE participation since 2009 changed? [The long-term unemployed]	
5.3. For each of the following groups, how has ALE participation since 2009 changed? [Adults living with disability]	increased
5.3. For each of the following groups, how has ALE participation since 2009 changed? [Young persons not in education, employment and training]	increased

5.3. For each of the following groups, how has ALE participation since 2009 changed?[Residents of rural and remote areas]	increased
5.3. For each of the following groups, how has ALE participation since 2009 changed? [Workers in low-skill, low-wage and precarious employment]	increased
5.4. Has your government introduced any significant innovation in ALE to improve access and participation since 2009 that could be of interest to other countries?	Yes
5.4.1. Give details. Provide sources and URL link if possible. Also include references to recent surveys or major studies of ALE participation in your country published since 2009.	Élaboration de la lettre de politique éducative, du Programme sectoriel d'éducation et de la formation, de la politique nationale d'alphabétisation et d'éducation non formelle et du programme d'éradication de l'analphabétisme. Dans tous ces documents l'accès est un axe important à travers la diversification de l'offre.
6.1. Does your country systematically collect information about the following ALE outcomes? [Completion rates]	Yes
6.1. Does your country systematically collect information about the following ALE outcomes? [Certificates or qualifications issued]	Yes
6.1. Does your country systematically collect information about the following ALE outcomes? [Employment outcomes (or labour market outcomes)]	Not selected
6.1. Does your country systematically collect information about the following ALE outcomes? [Social outcomes in the areas of health and well-being, community cohesion]	Not selected
6.1. Does your country systematically collect information about the following ALE outcomes? [None of these – this information is not systematically available]	Not selected
6.1. Does your country systematically collect information about the following ALE outcomes? [Other]	
6.2. Are there initial, pre-service education and training programmes for ALE teachers/facilitators in your country?	Yes
6.3. Are initial, pre-service qualifications a requirement to teach in ALE programmes?	Yes, in all cases
6.4. Are there continuing, in-service education and training programmes for adult education teachers/facilitators in your country?	Yes, but inadequate capacity
6.5. Since 2009, have there been any substantial analyses of the following issues in your country? [Learning outcomes of ALE]	Yes
6.5. Since 2009, have there been any substantial analyses of the following issues in your country? [Quality criteria for teaching and learning, e.g. curricula and methods]	Not selected
6.5. Since 2009, have there been any substantial analyses of the following issues in your country? [Diversity of providers]	Not selected

6.5. Since 2009, have there been any substantial analyses of the following issues in your country? [Impact of new technologies on ALE]	Not selected
6.5. Since 2009, have there been any substantial analyses of the following issues in your country? [Equity issues in ALE]	Yes
6.5. Since 2009, have there been any substantial analyses of the following issues in your country? [Barriers to ALE participation and provision]	Not selected
6.5. Since 2009, have there been any substantial analyses of the following issues in your country? [Other issues]	Not selected
6.5.1. Give references and URL link(s).	Enquête pilote RAAMA pour les résultats d'apprentissageLa prise en compte du genre dans la conception des outils de suivi évaluation et dans les rapports d'activités
6.6. Has your government introduced any significant innovation regarding the quality of ALE since 2009 that could be of interest to other countries?	Yes
6.6.1. Give details and provide sources and URL links if possible.	L'élaboration d'un curriculum en AENF dans le cadre de la réforme curriculaire.La prise de textes réglementaires sur le statut de l'animateur de l'AEA
Since 2009, how much has the knowledge base on the benefits of ALE for the following areas improved for policymakers, researchers and practitioners? [Health and well-being]	a lot
Since 2009, how much has the knowledge base on the benefits of ALE for the following areas improved for policymakers, researchers and practitioners? [Society and community]	a lot
Since 2009, how much has the knowledge base on the benefits of ALE for the following areas improved for policymakers, researchers and practitioners? [Employment and labour market outcomes]	somewhat
7.1. Indicate the extent to which your country's ALE policy and practice [Recognizes the contribution ALE can make to personal health and well-being]	5 = a great deal
7.1. Indicate the extent to which your country's ALE policy and practice [Follows the World Health Organization's holistic approach, including mental as well as physical health]	1
7.1.1. Explain your response here.	Il est généralement admis que les programmes d'alphabétisation contribuent à l'amélioration de la santé maternelle et infantile en particulier à travers le fait qu'ils incitent les femmes à fréquenter plus les centres de santé. Par contre, les implications sur la santé mentale ne sont pas très perceptibles.
7.2. Do you have evidence to show that in your country, ALE has a positive impact on: [Competencies needed for health, including knowledge, attitudes, skills and values needed for prevention, accessing treatment, etc.]	Yes

7.2. Do you have evidence to show that in your country, ALE has a positive impact on: [Self-reported health]	Yes
7.2. Do you have evidence to show that in your country, ALE has a positive impact on: [Maternal health]	Yes
7.2. Do you have evidence to show that in your country, ALE has a positive impact on: [Mental health and well-being (such as self-efficacy)]	Not selected
7.2. Do you have evidence to show that in your country, ALE has a positive impact on: [Preventing, but also living with, HIV/AIDS and its social consequences]	Not selected
7.2. Do you have evidence to show that in your country, ALE has a positive impact on: [Prevention and control of other infectious diseases, including epidemics (such as SARS, cholera, hepatitis)]	Not selected
7.2. Do you have evidence to show that in your country, ALE has a positive impact on: [Sexual and reproductive health]	Yes
7.2. Do you have evidence to show that in your country, ALE has a positive impact on: [Preventing, but also living with, chronic illnesses (such as diabetes, heart disease, Alzheimer's)]	Not selected
7.2. Do you have evidence to show that in your country, ALE has a positive impact on: [Healthy lifestyles (such as diet, exercise, stress reduction)]	Yes
7.2. Do you have evidence to show that in your country, ALE has a positive impact on: [Making the local environment more healthy (e.g. through community action)]	Yes
7.2. Do you have evidence to show that in your country, ALE has a positive impact on: [None of the above, but there is evidence that ALE has a positive impact on other aspects of health]	Not selected
7.2. Do you have evidence to show that in your country, ALE has a positive impact on: [No evidence at all for any aspect]	Not selected
7.2.1. Please provide your sources.	La rapport de la recherche action sur "la plus value de l'alphabétisation sur le développement durable au Niger", IFAENF, 2012, Financement UNESCO
7.3. For your country, indicate how important the following are as factors influencing the effectiveness of ALE for health and well-being: [Illiteracy]	4 = very important
7.3. For your country, indicate how important the following are as factors influencing the effectiveness of ALE for health and well-being: [Household income inequalities]	3

7.3. For your country, indicate how important the following are as factors influencing the effectiveness of ALE for health and well-being: [Poor quality of pedagogy, training materials, staff training and capacity]	3
7.3. For your country, indicate how important the following are as factors influencing the effectiveness of ALE for health and well-being: [Lack of access to information on ALE programmes]	3
7.3. For your country, indicate how important the following are as factors influencing the effectiveness of ALE for health and well-being: [Poor interdepartmental or inter-sectoral collaboration]	4 = very important
7.3. For your country, indicate how important the following are as factors influencing the effectiveness of ALE for health and well-being: [Community resistance]	3
7.3. For your country, indicate how important the following are as factors influencing the effectiveness of ALE for health and well-being: [Inadequate or misdirected funding]	4 = very important
7.4. How far do different stakeholders (public education agencies, public health agencies, NGOs, private providers, etc.) collaborate in the design and delivery of ALE programmes in your country?	Not much, but to an increasing extent
7.5. Does your country have an interdepartmental or cross-sectoral coordinating body for ALE for promoting personal health and well-being?	No
[Name of coordinating body:]	
[Briefly describe its mandate and activities:]	
8.1. Do you have evidence to show that ALE has a positive impact on the following issues? [Participation in social, civic and political activities]	Yes
8.1. Do you have evidence to show that ALE has a positive impact on the following issues? [Social trust]	Yes
8.1. Do you have evidence to show that ALE has a positive impact on the following issues? [Social integration/inclusion]	Yes
8.1. Do you have evidence to show that ALE has a positive impact on the following issues? [Diversity tolerance]	Yes
8.1.1. Give sources for checked options.	- Rapport d'évaluation d'effets dans les écoles d'intervention du projet d'éducation parentale des régions d'Agadez, Dosso, Maradi, Tahoua, Tillabéri et Zinder, 2012, CECI/UNICEF.- Rapport de la recherche action sur "la plus value de l'alphabétisation sur le développement durables au Niger", IFAENF, 2012, Financement UNESCO.

8.2. To what extent are the following dimensions important for ALE policy in your country? [Non-economic outcomes and benefits for individuals (such as personal development, quality of life, well-being and social and cultural participation)]	to a large extent
8.2. To what extent are the following dimensions important for ALE policy in your country? [Non-economic outcomes and benefits for collective and civil society (such as positive and trustful social relations, active and sustainable communities, and social integration)]	to a large extent
8.2. To what extent are the following dimensions important for ALE policy in your country? [Economic returns for individuals, communities and society (such as employability, innovation capacity, financial autonomy, living standards, skills levels improvement and structural labour market evolution)]	to a large extent
8.3. To what extent do literacy and basic skills programmes contribute to strengthening the following cultural and social resources in your country? [Multilingualism and cultural diversity]	to a large extent
8.3. To what extent do literacy and basic skills programmes contribute to strengthening the following cultural and social resources in your country? [Increased access to education, literature, the arts and cultural heritage]	to a large extent
8.3. To what extent do literacy and basic skills programmes contribute to strengthening the following cultural and social resources in your country? [Environmental sustainability in local communities]	to a large extent
8.3. To what extent do literacy and basic skills programmes contribute to strengthening the following cultural and social resources in your country? [Active citizenship and political and community participation]	to a large extent
8.3. To what extent do literacy and basic skills programmes contribute to strengthening the following cultural and social resources in your country? [Community solidarity and social justice]	to a large extent
8.3. To what extent do literacy and basic skills programmes contribute to strengthening the following cultural and social resources in your country? [Democratic values and peaceful co-existence]	to a large extent
8.3. To what extent do literacy and basic skills programmes contribute to strengthening the following cultural and social resources in your country? [Other]	

8.3.1. Please specify	L'alphabétisation se fait en langues nationales et en français. Elle prend en compte les compétences de vie courantes qui permettent aux participants au processus de mieux s'insérer dans leurs environnement et leurs communautés, de mieux appréhender leurs droits et devoirs et de mieux participer à la vie politique et à l'effort de développement.. (Le rapport d'évaluation d'effets dans les écoles d'intervention du projet d'éducation parentale, 2012, Le rapport de la recherche action sur la plus value de l'alphabétisation sur le développement durable au Niger).
8.4. To what extent do ALE programmes in general contribute to strengthening the following cultural and social resources in your country? [Multilingualism and cultural diversity]	
8.4. To what extent do ALE programmes in general contribute to strengthening the following cultural and social resources in your country? [Increased access to education, literature, the arts and cultural heritage]	
8.4. To what extent do ALE programmes in general contribute to strengthening the following cultural and social resources in your country? [Environmental sustainability in local communities]	
8.4. To what extent do ALE programmes in general contribute to strengthening the following cultural and social resources in your country? [Active citizenship and political and community participation]	
8.4. To what extent do ALE programmes in general contribute to strengthening the following cultural and social resources in your country? [Community solidarity and social justice]	
8.4. To what extent do ALE programmes in general contribute to strengthening the following cultural and social resources in your country? [Democratic values and peaceful co-existence]	
8.4. To what extent do ALE programmes in general contribute to strengthening the following cultural and social resources in your country? [None of these – adult learning and education programmes mostly have other purposes]	to a large extent
8.4. To what extent do ALE programmes in general contribute to strengthening the following cultural and social resources in your country? [Other]	
8.5. How far does the statement below reflect the policy approach in your country? Youth and adult literacy and basic skills programmes are not directed towards social and cultural development – they teach people to read, write and deal with numbers.	not at all

8.6. To what extent do your country's ALE programmes include provisions for the development of the following cultural resources? [Arts and crafts]	somewhat
8.6. To what extent do your country's ALE programmes include provisions for the development of the following cultural resources? [Cultural rituals and traditional knowledge systems]	somewhat
8.6. To what extent do your country's ALE programmes include provisions for the development of the following cultural resources? [Spirituality]	somewhat
8.6. To what extent do your country's ALE programmes include provisions for the development of the following cultural resources? [Ecology and the environment]	a lot
8.6. To what extent do your country's ALE programmes include provisions for the development of the following cultural resources? [Sports]	somewhat
8.6. To what extent do your country's ALE programmes include provisions for the development of the following cultural resources? [Dance and theatre]	somewhat
Groups that are the hardest to reach with ALE programmes? [Refugees]	Not selected
(a) the hardest to reach with ALE programmes [Those with no valid residency documents (sans-papiers)]	Not selected
(a) the hardest to reach with ALE programmes [Residents of rural or remote areas]	Not selected
(a) the hardest to reach with ALE programmes [Residents of institutions (prisons, hospitals, etc.)]	Yes
(a) the hardest to reach with ALE programmes [Members of cultural, ethnic, linguistic and religious minority groups and indigenous peoples]	Not selected
(a) the hardest to reach with ALE programmes [Migrants (not refugees) and their families]	Yes
(a) the hardest to reach with ALE programmes [People living with chronic illnesses or disabilities]	Not selected
(a) the hardest to reach with ALE programmes [Senior citizens (as defined in your country)]	Not selected
(a) the hardest to reach with ALE programmes [Other]	Nomades
Groups where ALE programmes have had some success [Refugees]	Not selected
(b) groups where ALE programmes have had some success [Those with no valid residency documents (sans-papiers)]	Not selected
(b) groups where ALE programmes have had some success [Residents of rural or remote areas]	Yes

(b) groups where ALE programmes have had some success [Residents of institutions (prisons, hospitals, etc.)]	Not selected
(b) groups where ALE programmes have had some success [Members of cultural, ethnic, linguistic and religious minority groups and indigenous peoples]	Not selected
(b) groups where ALE programmes have had some success [Migrants (not refugees) and their families]	Not selected
(b) groups where ALE programmes have had some success [People living with chronic illnesses or disabilities]	Not selected
(b) groups where ALE programmes have had some success [Senior citizens (as defined in your country)]	Not selected
(b) groups where ALE programmes have had some success [Other]	Les femmes, les Commerçants
9.1. Do you have evidence to show that in your country, ALE has a positive impact on the following? [Company/organization success (in terms of profitability, efficiency, quality of service, etc.)]	Not selected
9.1. Do you have evidence to show that in your country, ALE has a positive impact on the following? [Innovative capacity]	Not selected
9.1. Do you have evidence to show that in your country, ALE has a positive impact on the following? [Adaptability to change]	Not selected
9.1. Do you have evidence to show that in your country, ALE has a positive impact on the following? [Inclusiveness in respect of disadvantaged groups (e.g. disabled, older workers)]	Not selected
9.1.1. Provide sources for the selected options.	
9.2. Do you have evidence for the impact of ALE on the following individual issues? [Employability (entry into labour market, remaining in employment)]	Both
9.2. Do you have evidence for the impact of ALE on the following individual issues? [Performance in current job (individual productivity, quality of work, achievement)]	Both
9.2. Do you have evidence for the impact of ALE on the following individual issues? [Career prospects]	Both
9.2. Do you have evidence for the impact of ALE on the following individual issues? [Employee salary levels]	
9.2. Do you have evidence for the impact of ALE on the following individual issues? [Job satisfaction, motivation and commitment to work]	Both

9.2. Do you have evidence for the impact of ALE on the following individual issues? [Continuing professional and skills development leading to recognized certification or qualification]	
9.2.1. Provide sources for the selected options.	Rapport de la recherche action sur "la plus value de l'alphabétisation sur le développement durable"
9.3. How strongly do ALE policymakers perceive the effects of the following kinds of ALE provision on productivity in your country? [Literacy and basic skills]	Strong
9.3. How strongly do ALE policymakers perceive the effects of the following kinds of ALE provision on employment in your country? [Literacy and basic skills]	Strong
9.3. How strongly do ALE policymakers perceive the effects of the following kinds of ALE provision on productivity in your country? [Initial vocational education and training]	Strong
9.3. How strongly do ALE policymakers perceive the effects of the following kinds of ALE provision on employment in your country? [Initial vocational education and training] [Scale 2]	Strong
