INTERGOVERNMENTAL COMMITTEE FOR THE PROTECTION AND PROMOTION OF THE DIVERSITY OF CULTURAL EXPRESSIONS

Eighth Ordinary Session Paris, UNESCO Headquarters 9 - 11 December 2014

Item 10 of the provisional agenda: Use of the financial resources of the International Fund for Cultural Diversity (IFCD)

In accordance with Decision 7.IGC 9, this document presents a detailed report on the use of the financial resources of the IFCD and a provisional draft budget for 2015.

Decision required: paragraph 15

- 1. In accordance with the Guidelines approved by the Conference of Parties and the Decisions adopted by the Intergovernmental Committee for the Protection and Promotion of the Diversity of Cultural Expressions (hereinafter "the Committee"), this document presents the Secretariat's report on the use of the financial resources of the International Fund for Cultural Diversity (hereinafter "IFCD") and the provisional draft budget for 2015.
- 2. At this session, the Committee is to examine:
 - (i) the financial statements for the period 1 January 2013 to 31 December 2013 and 1 January 2014 to 30 June 2014; and
 - (ii) the provisional draft budget for 2015 and consider its adoption.

I - Financial statements for the period 1 January 2013 to 31 December 2013 and 1 January 2014 to 30 June 2014

3. During the reporting period of 1 January 2013 to 30 June 2014, the total income of the IFCD amounted to **US\$ 1,075,380.86**. This income consisted of:

a) Voluntary contributions from Andorra, Australia, Bosnia and Herzegovina, Brazil, China, Czech Republic, Estonia, Finland, France, Lithuania, Malawi, Mexico, Monaco, Portugal, Saint Vincent and the Grenadines, Serbia, Slovenia, Sweden, Switzerland, Ukraine and an anonymous donor, which totalled US\$ 1,060,894.86.

b) Interest earned on the resources of the IFCD, which totalled US\$ 14,486.

- 4. During the reporting period, 20 out of the 134 Parties to the Convention (14.9%) contributed to the IFCD. Compared to the previous reporting period, where 23 Parties to the Convention made a voluntary contribution to the IFCD, the number of Parties contributing to the IFCD decreased by 3 percentage points. However, the total income of the IFCD in the current reporting period remains almost the same compared to the previous one: A total of US\$ 1,071,071.68 were credited to the IFCD during the period of 1 January 2012 to 30 June 2013.
- 5. In terms of the expenditures related to the IFCD during the reporting period, a total of **US\$** 1,726,196.71 were disbursed as follows:
 - a) Evaluation of funding requests by the IFCD Panel of Experts: US\$ 36,617.04.
 - b) Operating costs of the IFCD: US\$ 5,237.72.

c) Cost of participation in statutory meetings by experts from least-developed countries (LDCs) that are members of the Committee: US\$ 10,006.83.

- d) Funding of projects approved by the Committee: US\$ 1,436,133.97.
- e) Fundraising and communication strategy: US\$ 79,991.17.
- f) Evaluation of the IFCD Pilot Phase: US\$ 1,283.01.
- g) Programme support costs (10%): US\$ 156,926.97.
- Financial statements of income and expenditure and schedules of expenditure prepared by the UNESCO Bureau of Financial Management for the IFCD covering the period from 1 January to 31 December 2013 and from 1 January to 30 June 2014 are presented in Annex I.
- 7. With the purpose of reinforcing the financial and budgetary management of the IFCD to increase its transparency and improve its overall monitoring and reporting mechanisms, the Secretariat worked with the Administrative Unit of the Culture Sector and the UNESCO Bureau of Financial Management to establish a new coding structure that allows for an improved reporting by activity and financial cycle. The new budget code structure is operational since January 2014.

II - Provisional draft budget for 2015

- 8. The IFCD Guidelines provide that the Committee approve the budget in accordance with the resources available in the IFCD. A provisional draft budget for 2015 is presented in Annex II.
- 9. At its seventh ordinary session in December 2013, the Committee adopted Decision 7.IGC 6 indicating that 70% of the amount available in the IFCD on 30 June 2014 would be allocated to the budget for the IFCD.
- 10. Past practice for the preparation of the provisional draft budget for the IFCD established during the IFCD Pilot Phase has been that a minimum of 82% of the budget is to be allocated to funding projects. While this practice has been rigorously implemented since it was adopted in 2009 (Decision 3.IGC 5) and allocations of fixed costs have been adjusted to the actual expenditures over time to allow for a majority of the funds of the budget to be dedicated to funding projects, the stagnation of contributions to the IFCD may jeopardize this effort in upcoming funding cycles.
- 11. For the provisional draft budget for 2015, 82% of the budget funds are allocated to funding of projects and fixed costs make up only 18% of this sum.
- 12. The total amount available as of 30 June 2014 is **US\$ 1,086,323**. The budget requested for 2015 amounts to **US\$ 760,426**, including the support costs (10%), and unassigned funds amount to **US\$ 325,897**. The budget is broken down into two main sections:
 - (a) fixed costs, amounting to **US\$ 67,000**; and
 - (b) funding of projects, amounting to **US\$ 624,296**.

Below is an overview of the activities to be financed by the IFCD in 2015.

Fixed costs

- Evaluation of funding requests by the IFCD Panel of Experts: the sixth funding cycle will be launched in 2015. US\$ 45,000 will be allocated by the Secretariat for the evaluation of project proposals by the IFCD Panel of Experts.
- Operating costs of the IFCD: operating costs amounting to US\$ 7,000 will be allocated to the monitoring of IFCD-funded projects, conference calls with the members of the IFCD Panel of Experts and correspondence with project managers.
- Cost of participation in statutory meetings by experts from LDCs that are members of the Committee: in accordance with Article 23.7 of the Convention and paragraph 7.2.2 of the Guidelines on the Use of the Resources of the IFCD, costs will continue to be incurred to ensure the participation of government experts from LDCs that are members of the Committee in statutory meetings. US\$ 15,000 have been allocated for this purpose.

Funding of projects

- Funding of projects approved by the Committee: US\$ 624,296 have been allocated for funding projects to be approved during the eighth ordinary session of the Committee.
- 13. In compliance with UNESCO's financial regulations, 10% of programme support costs are applicable to the special account. Hence, US\$ 69,130 have been allocated for this purpose.
- 14. Document CE/14/8.IGC/9 contains a detailed report on the use of funds intended for fundraising activities in 2013-2014, that were allocated by the seventh ordinary session of the Committee from the unassigned funds (Decision 7.IGC 7). The expenditures are reflected in the financial statements prepared by the UNESCO Bureau of Financial Management for the IFCD presented in Annex I. In addition, Document CE/14/8.IGC/9 presents an estimated budget of US\$ 47,563 intended for additional fundraising activities to be undertaken in 2015 to be approved by the Committee, and if so decided, to be allocated from the unassigned funds.

15. The Committee may wish to adopt the following decision:
