Dear Sir or Madam,

LANGO BOY CHILD CLEANSING CEREMONY OF THE LANGO PEOPLE OF NORTH CENTRAL UGANDA

We, the community members of Lango in Okwalongwen sub-county, Nga-Amii village, Alubi Parish continue to preserve our culture despite the challenges facing the boy child cleansing ceremony. We value it as our identity and desire to have it inscribed on the list of elements in need of urgent safeguarding

Between 13th March 2013 at 10.00am and 15th March 2013 at 12.00pm, we agreed to carry out the boy child cleansing ceremony with our child. We affirm that we have provided our free consent and willingly contributed to the nomination for the boy child cleansing ceremony file. We have participated with full knowledge of our practice. We desire to continue safeguarding the culture because of the positive values it brings to the family and to disseminate the benefits to other families and community members.

We have participated in the consultative meetings: the identification of the element, the threats and the safeguarding measures and concluded by participating in the elaboration of the nomination file.
