SWEDEN: Civic and Citizenship Education

Ellen Almgren

Swedish National Agency for Education
Department of Analysis
International Large-Scale Assessments

GAML5

October 2018

Hamburg, Germany

“The education of democratic citizens is the prime task of the Swedish school.”

From a Swedish School Commission Report in 1948

- **National tests in social science**
- **ICCS**
- **PISA Global Competence?**

- **Knowledge and skills**
- **Values and attitudes**
- **Engagement and participation**
- **Distribution!**

- **Democratic alienation**
- **A threatened democratic talk**
- **Anti-democratic players challenge**

- **Measuring values (or personality traits) in a liberal democracy**
- **Cultural challenges to the comparisons across countries**
- **Analyzing the most pressing issues might challenge personal integrity**
