AUC's Education Priorities for 2020-21:
A CALL TO ACTION BY PARTNERS

Africa's Education priorities articulated in CESA are geared on transforming Africa's Education Agenda through DOTSS;

- D – digital connectivity which involves connecting every school to the internet

- O – online platforms for learning to complement offline learning in classrooms

- T – teachers as facilitators of learning

- S – safety in school and online

- S – 360 Degrees approach to skilling (Foundational, job oriented, 21st Century, entrepreneurial and digital skills)

Call to action

- a.   KIX should embrace DOTSS as the continental minimal package towards a transformative education agenda for the continent. An agenda that offers a **COMPREHENSIVE, EFFICIENT** and **SOLUTION ORIENTED** approach to bridging the school to work transition gap.

- KIX should support knowledge generation and research that helps member states Education systems resilient to forced closures and adaptable to changing times

Moving Forward

- AUC and AU Instruments should set the agenda for the entire KIX process

- KIX to reorient its work in Africa to align to DOTSS and the AUC stands available to provide its assets and tools to work with IICBA and UNICEF in moving the agenda forward.

- KIX Implementation Strategies should leverage on existing AU CESA Implementation platforms viz CESA Clusters
