We are the representatives of the Pakistan Falconry Association (PFA) a member based association, on behalf of the 1600 members of PFA from all across the Islamic Republic of Pakistan, hereby certify our consent with regard of the content of the nomination document "Falconry" for the Representative List of UNESCO on Intangible Culture Heritage. The nomination document was elaborated close collaboration with bearers of the "Falconry" living in all local communities of the country.

Kamran Khan Yousafzai
President
Pakistan Falconry Association
Dated: 10th March 2015

Declaration and Certificate of Consent

We the undersigned members of the Pakistan Falconry Association do certify our free, prior and informed consent to the nomination of Falconry "A Living Human Heritage". As inheritors of falconry in Pakistan, we are fully aware and give our consent to support the National Institute of Folk & Traditional Heritage (LOK VIRSA) for inclusion of Pakistan among the list of states who got "Falconry" inscribed on the Representative List of Intangible Culture Heritage of Humanity.

This certificate has been issued by us for certifying and declaration for the nomination of Falconry as world Heritage, for inscription on the UNESCO Representative List of Intangible Culture Heritage of Humanity. Pakistan has a long history of falconry and it is widely practiced in large number of areas of our country. Inscription of falconry will safeguard and assure the visibility of this heritage for our future generation. Therefore we fully support all local and international efforts for the inscription and safeguarding of this cultural heritage.

To whom it may concern,

Falconry has been a part of our culture since many generations. It is our culture's pride, and should be considered as our core legacy.

I give my consent for Falconry to be added as a national intangible cultural heritage in UNESCO.

Best regards,
Adam Khan

We are a group of Falconers from District-
Fateh Jung. Falconry as sport, has been handed
down to us by our ancestors and it would make
us proud to support and safe guard Falconry as
a part of cultural heritage.

I hereby give my consent for the submission of
Falconry as a national intangible cultural heritage
in UNESCO.

TO WHOM IT MAY CONCERN

CONSENT FOR FALCONRY AS INTANGIBLE CULTURE HERITAGE

It is a great pleasure to support Pakistan falconry culture adding to the representative list of intangible culture heritage UNESCO. As birds of prey conservation organization, we support falconry culture and knowledge practicing in Pakistan, whereas falconry knowledge is considered as an indigenous knowledge and a sustainable conservation tool.

It is to support and provide consent for Pakistan National Falconry Culture in addition to the multinational submission as ICH element UNESCO.
