## Sources and Statistics Annex to the Quadrennial Periodic Report

Name of Party:

Tajikistan

### 1. Main sources and links

Please provide references to the main sources of information and data used in compiling this report and that could be of interest to share with other Parties. These could include:

- recent public cultural policy strategies;
- reviews or evaluations;
- latest research or studies that map the cultural sector or cultural industries.

Parties are asked to provide:

- the name, author and web links to the relevant document;
- a maximum 100-word summary in English and/or French if the original language of the document is not in either of these two official working languages of the Committee;
- the names and contact details of those public or private institutions, agencies or networks in your country who actively contribute to the production of information and knowledge in the fields addressed by the Convention.

##### Summary of main activities

The Agency on statistics under the President of the Republic of Tajikistan has been collecting and processing of statistical data covering all spheres of life of the country. All ministries, departments, agencies and organizations of the Republic of Tajikistan on a quarterly basis, provide to the Agency on statistics under the President of Republic of Tajikistan information and statistics about its activities during the reporting period. The Agency processes the data and prepares the overall statistics for all areas of the country for a certain period of time (quarter, half year, year).

## 2. Reporting on Available Statistics

Please provide, **to the extent possible**, statistical information that already exists. This data may have been collected through national surveys, mapping studies, etc. They may have been published in Tables provided in the Annexes of the UNESCO World Report Investing in Cultural Diversity and Intercultural Dialogue (2009) or other international publications. Suggestions for where data could be found are provided in Help pages.
