Submission #61

Personal information

Name Helga Mieling

Organisation BMVIT

Email address helga.mieling@bmvit.gv.at

Country/region Austria

Gender female

How would you define the stakeholder community or communities to which you belong? Government

Questions

1. What are your priorities for issues that should be addressed through the Internet Universality framework in each of these five categories?

Rights	human rights and fundamental freedoms
Openness	connectivity
Accessibility	5G networks
Multistakeholder participation	multistakeholderism according to Tunis Decl.
Cross-cutting indicators	SDGs

2. Are there are any existing indicators with which you are familiar that you think it would be useful to include in the ROAM indicators framework?

Rights	Freedom House indicators
Openness	UN global SDG indicators
Accessibility	UN global SDG indicators; EUROSTAT indicators
Multistakeholder participation	

Cross-cutting indicators	http://www.sdgindex.org; UN global Sustainable Development Goal indicators, EUROSTAT

3. What do you think are the most important gaps in data/evidence required for monitoring Internet Universality and the ROAM principles? What approaches do you think could help to address these in your country, region or area of work?

Rights	difficulty in obtaining data in some countries (not in mine)
Openness	
Accessibility	
Multistakeholder participation	
Cross-cutting indicators	different indicators on EU and global level - need for harmonizing the design approach

4. What experience or views do you have of indicators relating to the Internet which are concerned with gender and with children and young people?

UN indicators, OECD indicators, EUROSTAT, in my own country: Statistik Austria

5. How do you think you might use the indicator framework for Internet Universality once it has been developed?

would provide useful arguments to convince different stakeholders and policy makers, developing evidence-based policy

6. How do you think that other stakeholders might use the framework? encouraging cooperation in developing

evidence-based policy

7. Please add any other comments that you think will be helpful to UNESCO in developing the indicators framework.

closer cooperation with Council of Europe

8. Please upload any documents that you think will be helpful here.

Please indicate here if you do NOT want your contribution to be published on the UNESCO Internet Universality Indicators consultation platform.
