Submission #63

Personal information

Name Dimitri Martinis

Organisation MCM DIGITAL MEDIA

Email address dimitri.martinis@gmail.com

Country/region Greece

Gender Male

How would you define the stakeholder community or communities to which you belong? Private sector

Questions

1. What are your priorities for issues that should be addressed through the Internet Universality framework in each of these five categories?

Rights	Human rights
Openness	Transparent participatory process
Accessibility	Universal
Multistakeholder participation	Multi stakeholder participation
Cross-cutting indicators	Data prices

2. Are there are any existing indicators with which you are familiar that you think it would be useful to include in the ROAM indicators framework?

Rights	Yes
Openness	Yes

Accessibility	Yes
Multistakeholder participation	Yes
Cross-cutting indicators	Yes

3. What do you think are the most important gaps in data/evidence required for monitoring Internet Universality and the ROAM principles? What approaches do you think could help to address these in your country, region or area of work?

Rights	Public sector led
Openness	
Accessibility	
Multistakeholder participation	
Cross-cutting indicators	

4. What experience or views do you have of indicators relating to the Internet which are concerned with gender and with children and young people?

5. How do you think you might use the indicator framework for Internet Universality once it has been developed?

6. How do you think that other stakeholders might use the framework?

7. Please add any other comments that you think will be helpful to UNESCO in developing the indicators framework.

8. Please upload any documents that you think will be helpful here.
