Submission #110

Personal information

Name Jaifa Margarita Mezher Arango

Organisation Ministerio de las Tecnologías de la Información y las Comunicaciones de Colombia

Email address jmezher@mintic.gov.co

Country/region Colombia

Gender Female

How would you define the stakeholder community or communities to which you belong? Government

Questions

1. What are your priorities for issues that should be addressed through the Internet Universality framework in each of these five categories?

Rights	View attached document
Openness	View attached document
Accessibility	View attached document
Multistakeholder participation	View attached document
Cross-cutting indicators	View attached document

2. Are there are any existing indicators with which you are familiar that you think it would be useful to include in the ROAM indicators framework?

Rights	View attached document
Openness	View attached document

Accessibility	View attached document
Multistakeholder participation	View attached document
Cross-cutting indicators	View attached document

3. What do you think are the most important gaps in data/evidence required for monitoring Internet Universality and the ROAM principles? What approaches do you think could help to address these in your country, region or area of work?

Rights	View attached document
Openness	View attached document
Accessibility	View attached document
Multistakeholder participation	View attached document
Cross-cutting indicators	View attached document

4. What experience or views do you have of indicators relating to the Internet which are concerned with gender and with children and young people?

View attached document

5. How do you think you might use the indicator framework for Internet Universality once it has been developed?

View attached document

6. How do you think that other stakeholders might use the framework? View attached document

7. Please add any other comments that you think will be helpful to UNESCO in developing the indicators framework.
