Cultural Organization

International Institute
for Capacity Building
in Africa

海南省慈航公益基金会
HAINAN PROVINCE CIHANG FOUNDATION

UNESCO EDUCATION SECTOR

Achievements

- **GRP**-improved day to day practices in schools and TTIs in the use of GRP in teaching and learning
- **STEM** –improved performance of girls in STEM subjects and motivation to take up STEM courses in HLIs
- **School management** –Improved gender sensitivity in planning exercise and the commitment of schools to allocate resources to meet gender objectives of the plans

Achievements

- **Girls' and community empowerment**-increased empowerment of girls and the community to participate in decision making
- **Partnership**-Knowledge sharing through creating and use of partnership
- **Upstream capacity development**-review of policies and strategies, capacity development

Way forward

- Continue technical backstopping to Ethiopia and Ghana to successfully complete the project activities
- Support Ghana and Ethiopia to implement an exit strategy for sustaining and scaling up of achievements
- Strengthen Knowledge sharing through building on the good practices of the HNA project (through use of advocacy and communication, institutional network)

Thank you
