Engagement of the KIX Hub with Countries

How best should the KIX hub engage with the Education Sector and Local education groups at Country level to maximize achievement of results?

Especially

- Around achieving sustainable results, impact and accountability to scale up sustainable interventions;
- Leveraging on the existing networks or Local Education groups;
- Strengthening effective networks and fostering knowledge sharing among countries

Next Steps for the KIX Hub

- To hold **another regional an online/virtual meeting** for the KIX Hub Focal points to;
 - ▣ Present the feedback from the questionnaires,
 - ▣ Present the modalities of the KIX online platform,

- Other key activities include:
 - ▣ Undertaking a comprehensive scanning of Country needs,
 - ▣ Development of a Member States and Local Education Group (LEG) engagement strategy,
 - ▣ Development of a Communication and Visibility strategy, and
 - ▣ Development of the M&E strategy.
