Republic Act 11223 or the **Universal Health Care Act** seeks to protect and promote the right to health of all Filipinos and instill health consciousness to every citizen.

Under Section 30.6 of the UHC Act, DepEd shall designate schools as healthy settings based on the standards set by DepEd and DOH, where all members of the school community will work together to protect and promote the health of the students, teachers and staff.

Designation of school settings shall be based on the following minimum components: Healthy School Policies, Physical School Environment, Social School Environment, Health Skills and Education, Links with Parents and Community and Access to Health Services

Section 30.7 of RA 11223 states that DepEd and DOH shall address public health problems through the school systems by:

- a. Intensifying the fight against the spread of communicable diseases through promotive and preventive programs that include: Personal Hygiene, Oral Health, Access to Safe Water and Sanitation, Environmental Measures to Prevent Vectors-born Diseases, Vaccinations;

- b. Ensuring the promotion of health of children with special needs, learning disabilities or other developmental conditions to provide opportunities for them to live a productive life;
- c. Enforcing measures to ban sale of, and prevent access to, tobacco products, alcohol and illicit drugs in schools and immediate vicinity in coordination with the LGUs;
- d. Cultivating a healthy school environment and community;
- e. Formulating and implementing school health and nutrition policies, programs and services, and;
- f. Mobilizing community action on health promotion.
