# What are the next steps?

## ***In Albania:***

Teacher training, piloting MIL & monitoring

- Set up a Steering Committee to provide coaching to the teachers and nurture a peer-education practice.
- Adjust the modules for teacher training.
- Coach the teachers & pilot the MIL curricula in the selected schools.
- Develop basic monitoring and evaluation tools to assess the piloting process (questionnaire, basic report on evaluating the piloting approach, etc.)

## ***In BiH:***

Teacher training, piloting MIL & monitoring

- Master Train-the-Trainers with school librarians - focal point within Hybrid Model of Multistage Integration.
- Development of OER and Dynamic Digital Learning Objects environment.
- Creating Community of Creative MIL Teachers and Librarians.
- Developing MEL (monitoring, evaluation and learning) tools to assess the piloting process, impact and assessment.
