

Comments on the Draft UNESCO Recommendation on Open Science _ Lithuania

Dear Ms Shamila Nair-Bedouelle,

Thank you for the invitation to organize the national consultations on the Draft UNESCO Recommendation on Open Science (hereinafter - Recommendation).

We would like to inform you, that the Ministry of Education, Science and Sport of the Republic of Lithuania distributed the Draft Recommendation to the Lithuanian research and higher education institutions, and research funding organizations. Responses from the two biggest universities and two expert institutions were received.

Lithuanian stakeholders noticed that the Draft Recommendation is well prepared, demonstrates high quality, perception and reflection of the ideas and views of all stakeholder groups. The Draft Recommendation is very comprehensive and relevant for current global challenges and important for the science system.

Lithuanian stakeholders did not provide any major suggestions, but some minor reactions, reflections, and suggestions to the text can be found in the attached file.

With kind regards

*Chief Officer
Division of Science
Department of Higher Education, Science and Technology
Ministry of Education, Science and Sports of the Republic of Lithuania*
