## Invitation to ASPnet TEIs

Do what you are experts and pioneers in doing as ASPnet members:

**Act as laboratories of ideas  
& make time to...**

...attend webinars, bilateral meetings and working groups

...think actively about your opportunities for change

...develop a change experiment/project

...implement the experiment/project

...report back by completing the template

...spread your learnings and achievements within  
and outside of your institution and the ASP network

*in collaboration with one or  
more TEIs in this group*

National Coordinators and UNESCO colleagues are kindly invited to support TEIs and Unit for ASPnet in this journey.

## December 2021

### **Certification**

We will issue certificates for all participating TEIs to acknowledge and certify participation.

### **Project Report**

We will also draft an engaging and illustrated report that summarises the project and achievements. And we hope that it will be useful also for bringing this project and our joint achievements to the attention of different stakeholders inside and outside of ASPnet.

## 2021 and beyond

### Spreading our learnings and achievements

With other National Coordinators and TEIs to inspire by what you will have achieved.

With UNESCO colleagues to contribute to other ongoing initiatives, e.g. ESD for 2030 of which two priority action areas focus on transforming learning environments and building the capacity of educators.

With policy makers, academia, educational practitioners to show good practice examples of how TEIs can lead change for SDG Target 4.7.

E.g. we will look for opportunities to bring you to different meetings, international conferences, etc. to share your experiences and learnings.

## ASPnet Change Initiative

**The Change Initiative is a starting point for a longer process for ASPnet to reinvigorate and connect ASPnet TEIs globally to co-create and work together to build the capacities we need for achieving the SDGs.**

**Let's do this together!**
