Debbie Schafer, MEC for Education in the Western Cape, wrote:
"I visited some schools this morning to see some of the preparations being made for return of Grade 7 and 12 learners next week. Principal Landeka Diamond showed me around Westlake Primary School, where teachers were receiving training on safety protocols."

Westlake Primary School added 17 new photos.

STAFF & LEARNER WELLBEING

Redefining Roles

- Principal
- SMT
- Teacher
- Support staff
- Parent
- Learner

PRINCIPAL & TEACHERS

LEARNER

Reassurance and ensuring that the School community sustains protocol

- SCREENING STATIONS
- COLOUR CODING LEARNERS
- SAFETY MEASURES TIGHTENED
- MINIMIZE ENTRY LIMITED TO STAFF AND LEARNERS
- MEETINGS ONLINE ONLY

Take home suitcase

- Purpose of the school's existence remains the same with adjustments.
- Ensure structure and monitoring protocols in place to contain the virus and minimize transmission
- Have a plan but be flexible to adjust as the situation demands
- Strike a balance between onsite and home curriculum taking into account non-digital context and learning.
- Anxiety and uncertainty is normal, however be emotionally strong to deal with Covid-19
