

TCG Virtual Meeting on SDG Indicator 4.7.3

19 June 2020 @12:00-13:00 GMT

Concept Note

The UNESCO Institute for Statistics (UIS) is pleased to announce a virtual meeting on **19 June 2020 (12:00 GMT)** to further discuss any pending issues regarding SDG Indicator 4.7.3.¹ This meeting will consider the technical aspect of SDG Indicator 4.7.3, enabling the upcoming consultations on its measurement and eventually the overall status as a thematic indicator for monitoring SDG 4.

Objectives

The objectives of this meeting are:

- Overview of the proposed Framework for reporting on SDG Indicator 4.7.3, which was presented during the Global TCG Meeting on 21 April 2020 in partnership with the Danish Institute on Human Rights (DIHR)
- Address questions on:
 - selection of an instrument for data collection;
 - development of the indicator calculation method; and
 - provide inputs for the TCG decision on the indicator's measurement and status.

We kindly ask you to share any questions you may have ahead of the meeting via email to UIS.TCG@unesco.org.

Participation

TCG members and observers are expected to participate virtually to the meeting to be held **in English** via **Microsoft Teams** platform.

To receive the link to the meeting, **confirm** your participation at: <https://forms.gle/g8zjtkYNNtBcyX8Z7>

Documents

The agenda for the meeting and the documentation will be made available via the meeting webpage (<http://tcg.uis.unesco.org/webinar-473-june2020/>).

¹ "Extent to which the framework on the World Programme on Human Rights Education (HRE) is implemented nationally (as per the UNGA Resolution 59/113)."
