2000 participants +10k streaming
Higher Education Week Barcelona 2022

WHEC2022 | Youth strategy goals

Recognition of youth as gamechangers for HED futures

A global intergenerational conversation

Inspire

Youth and the higher education community in designing visions of the planet and humanity, where HED can take its roots

Empower

Youth by leaving no one behind, giving access to our platform to youth from all walks of life, all over the world and especially to our e-learning programme

Involve

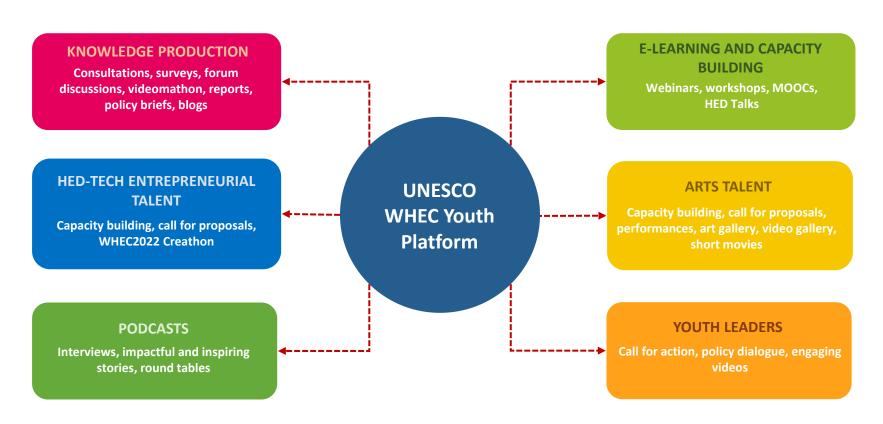

Youth in a co-building process with policy-makers, integrating their concerns in the political debate and through concrete actions

WHEC2022 | Youth engagement programme (I)

Joining forces for a collaborative process towards HED futures

Leaving no one behind

www.youthwhec.org
