Objet : Re: 3rd-order draft of the IHP-IX Strategy / Projet de 3e ordre de la Stratégie du PHI-IX

Dear IHP Secretariat,

After consultations with our Capital, please find attached the document with Hungary's comments concerning the document, 3rd-order draft of the IHP-IX Strategy.

The Convention on the Protection and Use of Transboundary Watercourses and International Lakes (Water Convention) is a unique international legal instrument and intergovernmental platform. It plays an important role in facilitating cooperation, which, we believe, should be reflected in the IHP Strategy document too.

Best regards,
