Education 2030

UNESCO King Hamad Bin Isa Al-Khalifa Prize: 2021 edition

The 2021 edition of the Prize will award projects that have built and implemented technology-enabled public learning systems and programmes that effectively ensured the continuity and quality of learning for all. The projects should ensure the data privacy and well-being of students, teachers, and caregivers, as well as consider the adoption of greening strategies to mitigate or neutralize the negative impacts of the technological solutions to internet connectivity and digital devices in education.
