

SKILLS CENTRE FOR MIGRANTS AS A PART OF OMNIA'S SERVICES

BACKGROUND

- Few relevant points
 - ✓ In Omnia we had had couple of pilots focusing on vulnerable groups and their possibilities to start VET training
 - ✓ Unemployment rate was 2,5 times higher among migrants
 - ✓ There was a service gap for unemployed migrants
 - ✓ Our government policy to speed up inclusion in the labor market

1. Governance perspective

WIDE RANGE OF RESPONSIBILITIES

Omia's seven areas of responsibilities, given by the member municipalities

...

2. Enhancing inclusion, skills and employment:

Services to advance social inclusion, skills and employment opportunities

- for the region's non-Finnish speaking and immigrant population and
- for those without a qualification,
- a work or a study place. Including workshops for youth and adults, and skills centre for immigrants.

...

COLLABORATION

In the case of the Skills Centre for Migrants

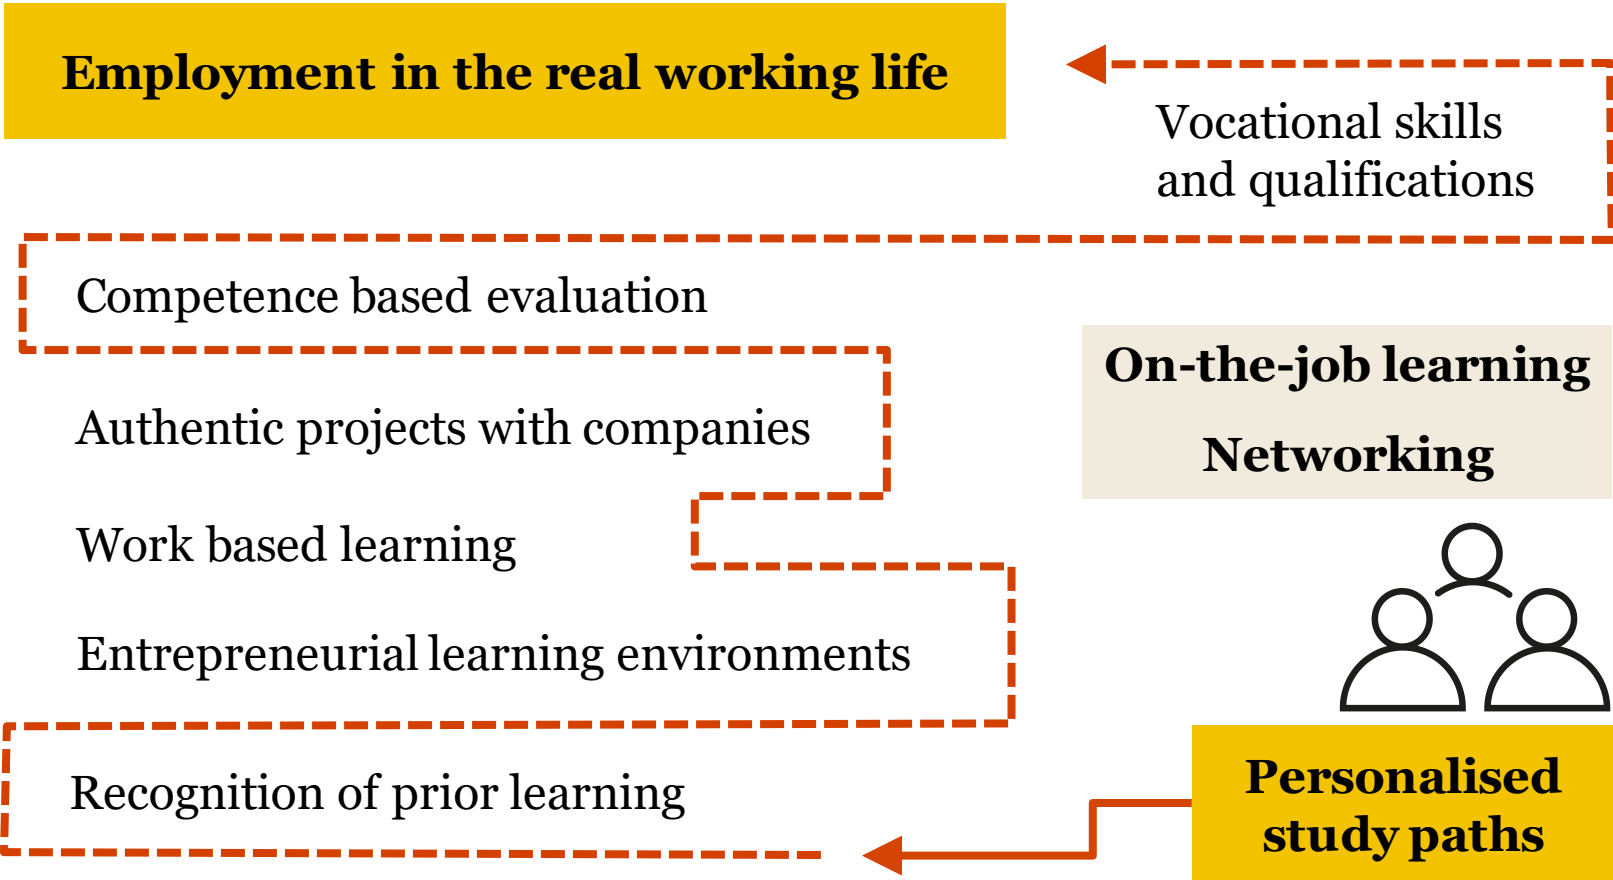

- Administrative frontiers have been crossed
 - ✓ Ministry of Education and Culture – Ministry of Employment and Economy
 - ✓ Omnia – City of Espoo
 - Skills Centre was planned, design and now carry out together with Espoo
 - We have experts who are employed by City of Espoo, but they focus their work for Skills Centre
- In Skills Centre improved multi-professional collaboration

2. Pedagogical perspective
