Product designs

Product creations

Marketing and creation of social enterprise for  
beneficiaries

# LIMITS

Formalizing Integration University-wide

Creation of awareness in the university community re ESD

Capability building of faculty to integrate ESD in curriculum implementation

Republic of the Philippines  
**CEBU TECHNOLOGICAL UNIVERSITY**  
 Main Campus, Cor. M.J. Cuenco Ave., R. Palma St. Cebu City

# University-Wide Extension Project Planning Workshop

April 17-19, 2018  
 Alfa City Suites

Integrating Education for Sustainable Development (ESD) in Community Outreach Program

Summing it up

"Sustainable development is like teenage sex - everybody claims they know it but most people don't know what it is."

# LESSONS LEARNED

Finding themes

Coherent, relevant and need-based activities in integration

The need to evaluate and assess current programs to strengthen implementation and address other ESD goals

# LOOKING FORWARD

Formalizing the Adoption of the PAGLAUM Program  
University-Wide

Integration of these goals into the curriculum along  
specific subject areas

Establishment of viable and sustainable economic  
enterprise for beneficiary-communities
