## Employment History

---

Since November 2020: **The Director General of Rwanda Cultural Heritage Academy (INTEKO Y'UMUCO)**. The mission of this academy is to preserve national heritage and safeguard the national language (KINYARWANDA), the culture and its values as a foundation of national unity and dignity. In this capacity, I am responsible for Rwanda's museums, natural and cultural heritage sites, national archives and library services, cultural creative industries and cultural tourism.

**Since May, 2020:** The Focal point for the UNESCO World Heritage Convention in Rwanda.

**04/10/2016-10/11/2020:** The Director General of the Institute of National Museums of Rwanda (INMR).

The INMR's mission is to collect, preserve, research, and present Rwandese past and present cultural and natural national heritage.

**Since 10/2016:** Member of the Board of Directors of the Rwandan National Commission for UNESCO, which provides the Government of Rwanda with expert analysis and policy advice on UNESCO-related issues.

- 21/04/2011 - 21/04/2015: Ambassador of the Republic of Rwanda to the Kingdom of Belgium, accredited also to the EU, ACP Group, Luxembourg and Cyprus.
- 01/06/2008 till 21/04/2011: Director General in charge of Diaspora (Rwandan Community living Abroad) at the Ministry of Foreign Affairs and Cooperation (MINAFFET).
- 01/4/2007 - 01/06/2008: Director of the Communication Unit of the Ministry of Foreign Affairs and Cooperation (MINAFFET). As Spokesperson of the Ministry, my main responsibility was to interact with the media through press conferences, press releases, meetings and interviews etc. and to coordinate the flow of information between the foreign diplomatic missions accredited in Rwanda and the Ministry.
- 01/6/2000 – 01/04/2007: Second Counsellor at the Embassy of the Republic Rwanda to Germany (which also includes other countries of jurisdictions: The Russian Federation, Austria, Poland, Hungary, Czech Republic, Bulgaria and the UN Agencies in Vienna and in Bonn).

As Deputy Ambassador, I had, inter alia, the primary responsibility to advise the Head of Mission in all diplomatic activities, both bilateral and multilateral. In particular, I was a diplomat responsible for trade and economic affairs, media and public relations, as well as for the Rwandan diaspora living in Germany and other countries of accreditation, and the Alternate Permanent Representative to the United Nations agencies based in Vienna (Austria) and Bonn.

- 01/02/2000 - 01/06/2000: Personal Assistant to the Ambassador of the Republic of Rwanda to Germany.

- 01/07/1994- 01/02/1995: Assistant to the Project Manager of the "Austrian Relief Program (ARP), an emergency program of the Austrian Cooperation in Rwanda. I assisted the ARP in setting up and registering its office in Kigali in 1994 and helped the Project Manager to establish the first contacts and relations with the new Rwandan government officials.
- 01/02/1990 – 01/09/1991: Administrative Officer in the Ministry of Justice in Rwanda (MINIJUST) in the department of Administration of the judicial Personnel.

## Education

---

- 01/09/1993 – 06/12/1999: University of Vienna (Austria), faculty of Political Science combined with Journalism & Communication Science.
- 06/12/1999: Graduation with Master's Degree (Masters of Art) in Political Sciences. Thesis (original in German language): The attitude and behaviour of the International community in the management of the 1994 Rwandan Crisis. The particular role of the European Union. Vienna, 1999. Mention: Distinction
- 21/05/1998: Second Level Degree in Journalism & Communication Science obtained at the University of Vienna
- 16-17/01/1999: First Level Degree in Journalism & Communication Science obtained at the University of Vienna

## Training Courses & seminars

---

- 05/11 to 29/11/2007: 1st Executive Training Course for Diplomats organised in Germany by the Foreign Service Academy of the Federal Foreign Office, in « professional spectrum of modern diplomacy ». Courses of:

- 16-17/01/1999: Seminar in Vienna (Austria) organized by “UNICON Management Consulting” in Training in writing, communication and presentation skills.

## Personal Skills and Competences

# **CURRICULUM VITAE**

**DR .SAM KANYAMIBWA**

# CURRICULUM VITAE

---

**Names:** Samuel (Sam) Kanyamibwa

**Profession:** Environmental Conservation

**Date of Birth:** 06 June 1958

**Experience:** 30 Years

**Nationality:** Rwandese/British

## Key Qualifications

---

- I am a professionally qualified conservationist, with more than 30 years of experience at international level and particularly in Africa. I am a teacher, ecologist, ornithologist and manager by training. My considerable experience has been gained in program management and stakeholders mobilisation involving governments, civil society and private sector and has enabled me to develop the following skills: **Integrated Conservation and Development, Biodiversity Monitoring and Environmental Assessment, Protected Area Management, Institutional Development, Environmental Policy, Forestry and Landscape Restoration, Climate Change, Sustainable Agriculture, Program Strategic Development, Management and Evaluation, Training and Meeting Facilitation.**
- I have developed long experience in conservation and development issues in Africa, including in remote and poor areas, gained over 25 years of experience: as Research Director for Wildlife Conservation Society, as Regional Director for WWF in Eastern Africa and Deputy Director for Africa, as Regional Director for the African Wildlife Foundation, as Head of Africa Programme with UNEP-World Conservation Monitoring Centre, and over the last 10 years, as Executive Director of the Albertine Rift Conservation Society with temporary professional assignments as international consultant.

- I have developed skills in areas of policy processes and I am familiar with international environmental treaties and intergovernmental processes (heading WWF Regional Office and the Policy work in Africa, it gave me opportunity to be involved in various processes such as UNFCCC, UNEP Governing Council, CBD, UNCCD, UNESCO, CITES, NEPAD, the Africa Ministerial Conference on the Environment, Regional Economic Communities, etc.);

## Education

---

- **April-October 2001: Certificate in Advanced Management:** Ashridge Management College, UK. Extensive Management Training (MBA level): Strategic Analysis, Finance, Leadership, Operations Management, Information Systems and Management, and Human Resource Management.
- **1987-1991: Ph.D. "Natural population dynamics: case study of the White Stork *Ciconia ciconia* in relation to the wintering conditions in Africa".**  
Université des Sciences et Techniques du Languedoc (USTL) and Centre d'Ecologie Fonctionnelle et Evolutive (CEFE/CNRS). Montpellier, France. Mention "Honorable et Félicitations".
- **1986-1987: M.Sc. "Evolutionary Ecology"**  
Université des Sciences et Techniques du Languedoc (USTL), Montpellier, France.
- **1984-1986: B.Sc. "Animal Biology".**  
Université Nationale du Rwanda, Butare, Rwanda. Dissertation on Wetland Birds in South of Rwanda Wetlands.
- **1978-1981: University Teaching Degree Diploma, "Mathematics and Biology".** Institut Pédagogique National, Butare, Rwanda (for Secondary School Teachers).

## Employment Record

---

- 2011-Present: Executive Director, Albertine Rift Conservation Society – ARCOS Network.
  - Organisation development, management, networking and partnership development with a team of 87 staff today. Under my leadership, the organisation won the prestigious MacArthur Foundation Award for Creative and Effective Institutions (2012)
  - Supervise the development and management of ARCOS programmes at regional level covering the Albertine Rift region, Africa Great Lakes and African Mountains.
- From April 2009-2011: Part time Research Associate, Conservation Science Group, Department of Zoology, University of Cambridge; and Research Fellow, University of East Anglia
  - Coordination of work on ecosystem services in the Albertine Rift Region, involving identification, quantification and policy outreach.
- From 15 September 2008 to July 2009: Regional Director for Eastern Africa, African Wildlife Foundation (AWF). Nairobi, Kenya.
  - Provide overall leadership, management and accountability for the efficient and effective delivery of conservation impact in AWF's Regional Program for Eastern Africa.
  - Direct and oversee the work of AWF's Eastern African Heartland Directors (Amboseli-Kilimanjaro, Samburu, Tarangire-Manyara Ecosystem or Masai Steppe and Virunga Heartland) and their teams, reporting to the AWF President on delivery of goals and targets.

- Represent the organisation and the President in Eastern Africa and other regions in Africa.
- July 2004-December 2006: Deputy Director for Africa & Madagascar Programme, WWF International, Gland, Switzerland.
  - Assisted the Africa Director in overall development and management of WWF programme in Africa
  - Lead WWF Africa Programme in international, regional and national fora on policy issues and particularly WWF engagement in UNEP, CBD, EU-Cotonou, NEPAD and Development Aid Agencies;
- October 2000-June 2004: Regional Representative for WWF Eastern Africa Regional Programme, Office (WWF-EARPO, Nairobi, Kenya).
  - Provided vision and leadership for WWF Programme in Eastern Africa, including development, financing and implementation of WWF's programmes with over 100 staff in the region;
  - Expanded WWF programme portfolio in the region in terms of number and size of projects, staff and budget (from CHF 3 million in 2000 to CHF 9.2 million in 2004);
  - Promoted innovative approaches and Corporate Social Responsibility in Eastern Africa (e.g. WWF Eastern Africa Corporate Club);
  - Lead WWF Africa Programme in international, regional and national fora on policy issues and particularly WWF engagement in UNEP, CBD, EU-Cotonou, NEPAD and Development Aid Agencies;

- September 1995-October 2000: Head, Africa Programme, World Conservation Monitoring Centre (now known as UNEP-WCMC since July 2000), Cambridge, UK.

Member of WCMC's Protected Areas and Landscapes Programme in charge of Africa (including the co-ordination of the programme at global level in 1997-1998);

  - Networking and technical assistance to countries in the area of information management, biodiversity conservation and protected area management;
  - Responsible for the revision of World Heritage nominations from Africa (as part of the collaboration between WCMC and IUCN/Protected Areas programme).
  - Focal point for several international organisations (e.g. UNESCO, Ramsar, CBD and UNCCD Conventions);
- April 1995-September 1995: Project Technical Consultant, BirdLife International, Cambridge, UK. Important Bird Areas for Africa Project. GEF/UNDP.
- September 1994-March 1995: Professional Research Visiting Fellow: "Centre d'Ecologie Fonctionnelle et Evolutive", CEFE/CNRS, Montpellier, France. "Survival models in the case of non-exhaustive registration applications to animal populations".
- July 1991-September 1994: Lecturer: Université Nationale du Rwanda. Department of Biology, Butare, Rwanda. Teaching conservation biology, functional ecology, evolution and phylogeny and supervision of students for their research.
- Scientific Advisor and Director of Research: Wildlife Conservation Society, "Projet Conservation de la Forêt de Nyungwe". Rwanda.

- Research Programme Coordinator on the biodiversity of montane forests of Rwanda and neighbouring countries. “Université Nationale du Rwanda”, with support from the Biodiversity Support Programme (WWF-US). Supervising researchers, research assistants and students in field, data analysis and reporting.
- 1991-1992: Assistant Director and Head of Research: “Projet Conservation de la Forêt de Nyungwe (PCFN)”, Rwanda (WCS). Assistant Director for overall management of the project and Head of Research Programme (supervision of the field work, including biodiversity survey and monitoring and integration of research with other sections of the project.
- 1982-1984: National Inspector of Biology, Secondary School Programme, Rwanda.  
Development of curricula and teaching books in biology and environmental education, inspection of schools.
- 1981-1982: Mathematics and Biology Teacher, Groupe Scolaire de Butare (Secondary School), Rwanda.

### Biodiversity Planning and Strategic Development

- Production of 6th National CBD Report for Rwanda (May-August 2018): REMA, IUCN. National Consultant:
- Production of the Pan-African Agenda on Ecosystem Restoration for Increased Resilience – for adoption by the African Ministerial Summit on Biodiversity, Egypt November 2018- CBD Secretariat and AMCEN
- Team Leader: Review of Rwanda’s Policies, Programs and Investment Incentives in relation to Forest Landscape Restoration in Rwanda. Rwanda Water and Forestry Authority and IUCN, 2017.
- Team Leader: Facilitation of Gishwati-Mukura National Park Management Plan. LAFREC, Rwanda Environment Management Authority (2017);
- Technical Editing and Production of WWF West Africa Programme Office (WAMPO) Strategic Plan 2014-2018 (WWF International, June 2013)
- Facilitation of Strategic Planning for the MacArthur’s Great Lakes Region Programme (BirdLife International, Nov 2011)
- Facilitation of Strategic Planning for Northern Albertine Rift Forests, Uganda (including Murchison Falls NP to Tooro-Semuliki Wildlife Reserve). WWF-GEF.
- 2011 Strategy development for WWF’s Coastal Eastern Africa Initiative, 2008
- Developed strategy (WWF) to support central African countries (COMIFAC) on measures for REDD as part of UNFCCC (climate change);

- Facilitation of Strategic Planning in the Albertine Rift region (ARCOS, WWF, and other organisations)
- Programme development for WWF Forest Programme, West Africa.

### **Integrated Water Resource Management:**

- Strategy for coordinated efforts to address changes in environmental flows of the Zambezi River. Consultancy paper. WWF. 2008.

### **Climate change:**

- Developed strategy for WWF to support central African countries (COMIFAC) on measures to Reduce Deforestation and Forest Degradation (REDD) as part of UNFCCC (climate change); 2007.
- Proposal development (AWF): Water, wildlife and well-being adaptation to climate change in Kenya (submitted to the World Bank Development Market); 2009.

### **Environmental Assessment:**

- Team Leader: Towards a sub-regional agenda on mountains in East-Africa. Production of 5 case studies on East African Mountains. UNEP GRID Arendal, 2015.
- Team Leader Review Report on "The impact of refugees and internally displaced persons on the ecosystems in the Great lakes Region" (for UNEP/DEWA), 2007.

### **Project/Programme Evaluation**

- Team-Leader: Evaluation of EU-BirdLife Project on IBA Monitoring – 8 countries in Africa (Aug, 2011).

- Programme Evaluation and Assessment of Lessons Learned in Capacity Building- Greater Virunga Transboundary Collaboration-GVTC (International Gorilla Conservation Programme), 2010.
- Lead Consultant Evaluation of WWF Eastern African Marine and Coastal Forests Ecoregion Programmes, 2008

## Policy and Advocacy

- Development of policy influencing strategy for WWF in Africa, 2007
- Training Senior WWF staff and partners in Policy, Lobbying and Advocacy - Mozambique, Kenya and Cameroon, 2007.
- Training of Trainers in Advocacy, Heads of BirdLife International, Africa. Uganda, October 2009.

## Fundraising and Programme Development

- Lead: Various projects submitted to donors (Government Agencies such as USAID, DFID, NORAD, Sida, DANIDA, GEF), Foundations for the Albertine Rift Conservation Society
- Lead: Mainstreaming environment into sustainable livelihoods, policy and development plans in Eastern and Southern Africa", submitted to NORAD, 2006.
- Team Member- "Economic growth, Poverty Reduction and Environmental Sustainability", submitted to and funded by the Netherlands Government (DGIS).
- Lead: Integrated Transboundary Natural Resources Management in Bia-Goaso-Djambarakrou Landscape, Ghana (Netherlands Embassy, Ghana-Cote d'Ivoire). 2006.

- UNEP/GEF Full Size Project Development – Stockholm Convention on Persistent Organic Pollutants (POPs) Stakeholders Needs Assessment Workshop. UNEP, February 2010.
- Team Leader: Land restoration for Improved Livelihoods and Environmental Resilience in Eastern Province, Rwanda (UNCCD)

## Membership of Professional Societies

- I. IUCN: Mountains and Management Effectiveness Commissions
- II. East Africa Wildlife Society;
- III. Africa Climate Change Knowledge Network;
- IV. Vice-Chairman (2014-): Global Mountain Partnership, FAO;
- V. Advisory Board Member, Centre of Excellence in Biodiversity and
- VI. Natural Resources Management, University of Rwanda.
- VII. Committee Member, National Forest Landscape Restoration Task Force, Rwanda.
