

pix

I am invited to join a Pix test

Step-by-step user guide

I go to the website pix.org/en-gb and I click on “Enter my code”

The screenshot shows the Pix website homepage. The header includes the Pix logo, navigation links for "Discover Pix", "The tests", "Our partners", and "Help", and buttons for "Log in" and "Sign up". The main content area features the heading "Develop your digital skills" and a subheading "Pix is an online platform open for everyone to assess, develop, and certify your digital skills". A yellow "Sign up for free" button is visible. An illustration depicts two people interacting with a computer screen displaying the Pix logo and a set of colorful cards. A modal dialog box is open in the foreground, containing a checkmark icon and the text "You have code?". A red box highlights the "Enter my code" button within the modal.

Log in [Sign up](#)

Develop your digital skills

Pix is an online platform open for everyone to assess, develop, and certify your digital skills

[Sign up for free](#)

You have code?

[Enter my code](#)

I enter the code
that has been sent to me

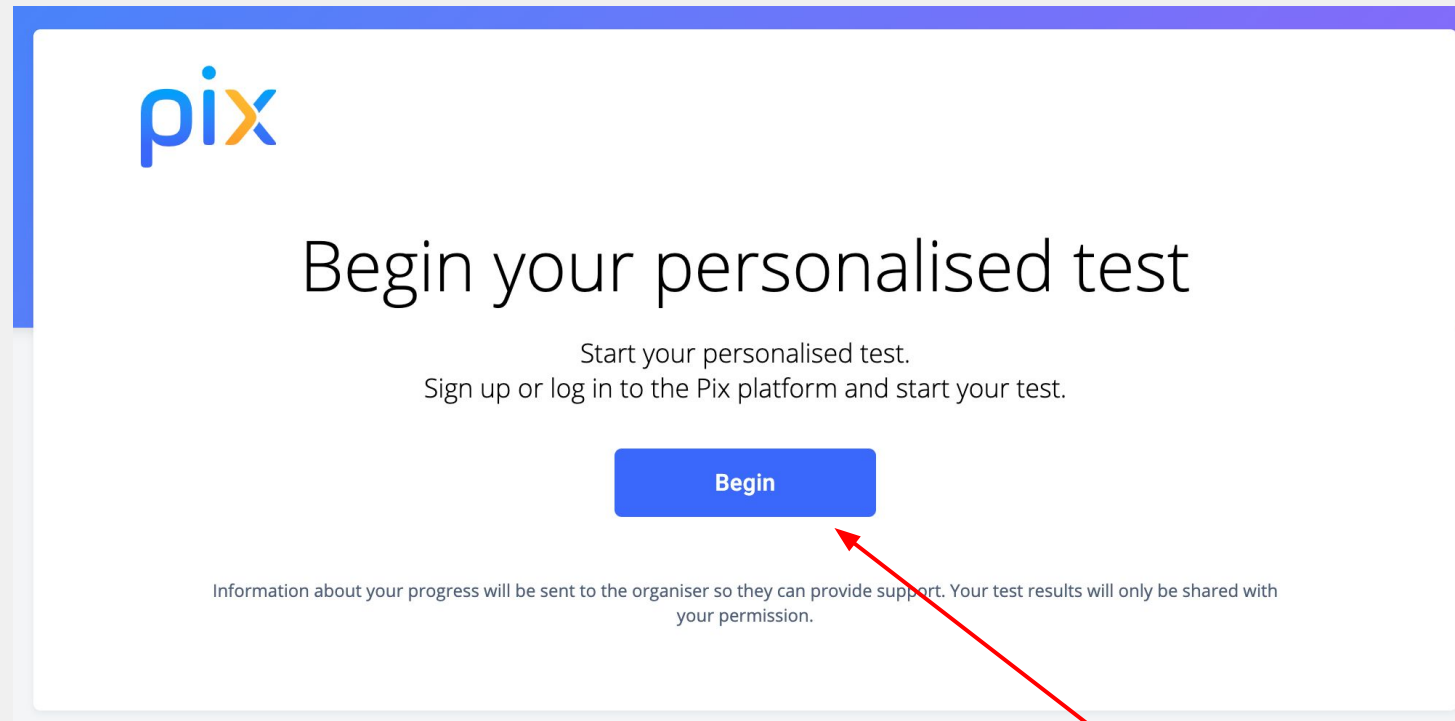

Enter your code

This code can be used to start a personalised test
or to submit your profile to an organisation

Start

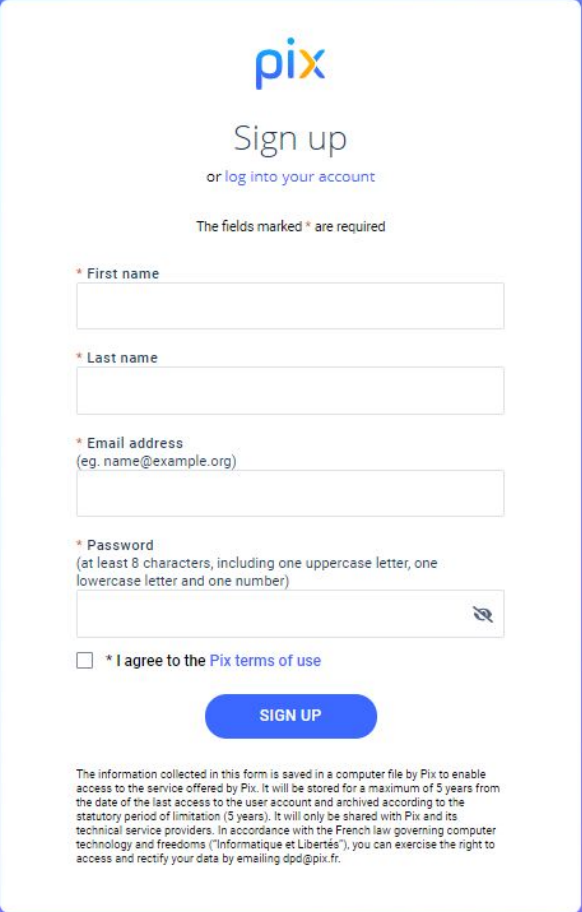

Or

I type the link sent by my institution
and I land on the start page of the test

I click on "Begin"

I create my Pix account (when I log in for the first time*) and I log in

The screenshot shows the Pix 'Sign up' form. At the top is the Pix logo, followed by the text 'Sign up' and a link 'or log into your account'. Below this is a note: 'The fields marked * are required'. The form contains four input fields: 'First name', 'Last name', 'Email address (eg. name@example.org)', and 'Password (at least 8 characters, including one uppercase letter, one lowercase letter and one number)'. There is a checkbox for '* I agree to the Pix terms of use' and a blue 'SIGN UP' button. At the bottom, there is a small paragraph of legal text: 'The information collected in this form is saved in a computer file by Pix to enable access to the service offered by Pix. It will be stored for a maximum of 5 years from the date of the last access to the user account and archived according to the statutory period of limitation (5 years). It will only be shared with Pix and its technical service providers. In accordance with the French law governing computer technology and freedoms ("Informatique et Libertés"), you can exercise the right to access and rectify your data by emailing dpd@pix.fr.'

* If I already have a Pix account, I can use it to connect to the test

I enter the requested ID (optional)

Before starting

The organiser needs the information below in order to provide support:

Full name

Cancel

I take note of the 4 “rules of the game”

You can search online

If you do not know the answer to a question, you can probably find it on the internet.

Tutorials

Access tutorials to learn more about each question and improve.

There's no time limit!

Take all the time you need to finish your personalised test. If a question is timed, we will let you know.

[Report a problem](#)

Every 5 questions, I can check my progress in the test as well as my successes and failures

The screenshot displays a test progress interface. At the top, a blue header bar contains a progress indicator showing 73% completion and a yellow button labeled "Continue my personalised test". Below the header, the word "PROGRESS" is visible. The main content area is titled "YOUR ANSWERS" and lists five questions. The first three questions are marked with a green checkmark, indicating they were answered correctly. The last two questions are marked with a red 'x', indicating they were answered incorrectly. Each question has a corresponding "Answers and tutorials" link. At the bottom of the interface, there is another yellow button labeled "Continue my personalised test".

I am notified during the test when I reach a new level

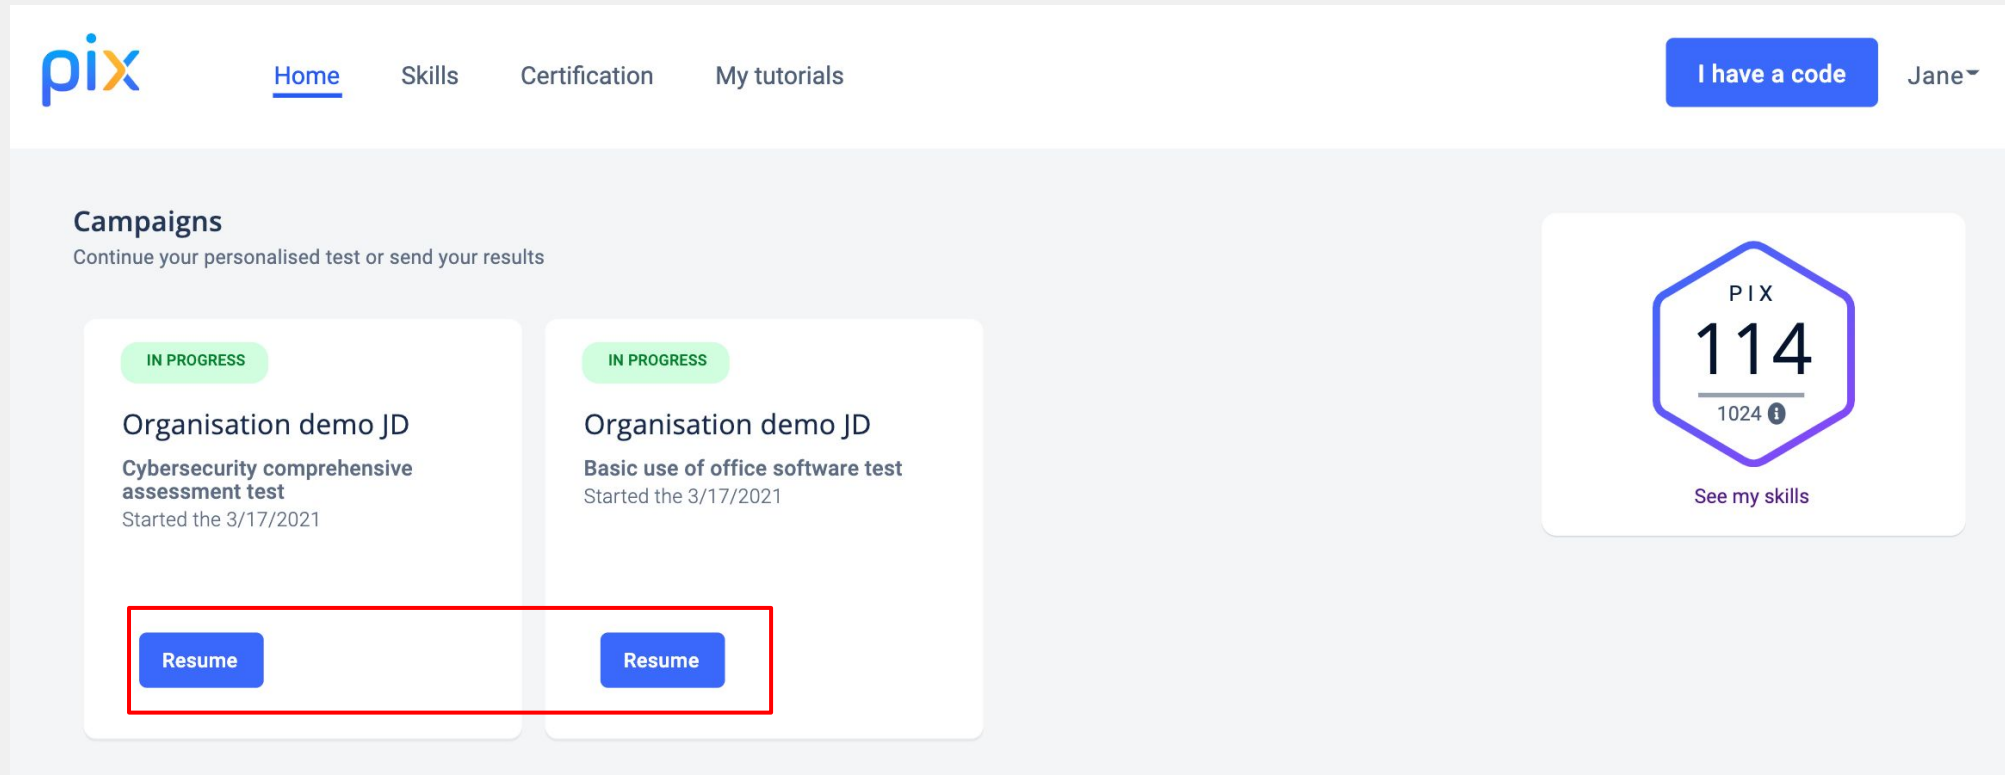

The screenshot displays the pix test interface. At the top left, the 'pix' logo is followed by the text 'Find information on the web'. On the top right, there is an 'Exit' button with a right-pointing arrow. Below the header is a progress bar with five numbered markers (1 to 5). The progress bar is currently filled up to marker 4. Below the progress bar is a question: 'When was [this page](#) last updated?'. Underneath the question is an input field with the placeholder text 'Answer: DD/MM/YYYY'. At the bottom of the question area are two buttons: 'SKIP' and 'VALIDATE'. Below the question area is a link that says 'Report a problem'. In the top right corner, a notification box is highlighted with a red border. The notification box contains a gold medal icon with the number '1', the text 'LEVEL 1 REACHED!', and 'Find information on the web'. There is also a close button (an 'X' icon) in the top right corner of the notification box.

At the end of the test,
I check my results
**and I submit them
to the
test administrator**

The screenshot shows a digital test results interface. At the top left, there is a card with three stars (two yellow, one grey) and the text "Success rate: 57%". To the right, a "Good job !" message is displayed, followed by a paragraph of encouraging text. A green "Submit my results" button is highlighted with a red box, with a note below it saying "Don't forget to submit your results." Below this is a dashed line, followed by the text "Want to improve your results? You can retake some of the questions" and a "Try again" button. Another dashed line follows, leading to the section "Your results by skill" which features a circular progress indicator for 57% and a table of skills tested with their respective scores.

Skills tested	Results
• Completing a search and information intelligence	50%
• Data management	83%
• Interacting	33%

At any time, I can interrupt my test and resume it later by logging into my Pix account on pix.org/en-gb.

The screenshot shows the Pix user interface. At the top left is the 'pix' logo. The navigation menu includes 'Home' (underlined), 'Skills', 'Certification', and 'My tutorials'. On the top right, there is a blue button labeled 'I have a code' and a user profile 'Jane' with a dropdown arrow. Below the navigation is a 'Campaigns' section with the subtitle 'Continue your personalised test or send your results'. It contains two campaign cards, both marked 'IN PROGRESS' in green. The first card is for 'Organisation demo JD' with a 'Cybersecurity comprehensive assessment test' that started on 3/17/2021. The second card is for 'Organisation demo JD' with a 'Basic use of office software test' that also started on 3/17/2021. A red rectangular box highlights the 'Resume' buttons on both cards. To the right of the campaigns is a skills badge: a purple hexagon containing 'PIX', the score '114', and '1024' with an information icon. Below the badge is a 'See my skills' link.

I can also resume a test by clicking on the drop-down menu next to my name on my Pix profile and going to " My personalised tests " page

The screenshot displays the Pix user interface. At the top, there are navigation links: Home, Skills (underlined), Certification, and My tutorials. On the right, there is a blue button labeled "I have a code" and a user profile icon for "Jane". A dropdown menu is open, showing the following options: Jane Doe, My account, My personalised tests (highlighted with a red box and a red arrow), My certifications, Help, and Log out. Below the navigation, a message states: "You have 16 skills to test. Get your thinking hat on and off we go!". To the right of this message is a hexagonal badge with "PIX 111" and "1024" below it. Below the message, there are three skill cards, each with an orange header and a circular progress indicator showing "LEVEL 1". The skill cards are: "Completing a search and information intelligence", "Data management", and "Data processing".

From “My personalised tests” page I can :

- resume a started test,
- submit my results
- consult my results for a test that has been completed

My personalised tests

Status	Test Name	Description	Start/End Date	Action
IN PROGRESS	Organisation demo JD	Cybersecurity comprehensive assessment test	Started the 3/17/2021	Resume
IN PROGRESS	Organisation demo JD	Basic use of office software test	Started the 3/17/2021	Resume
IN PROGRESS	Organisation demo JD	Basic use of office software test	Started the 3/17/2021	Resume
IN PROGRESS	Organisation demo JD	Cybersecurity comprehensive assessment test	Started the 3/17/2021	Resume
FINISHED	Organisation demo JD	Digital skills - preliminary assessment test	Finished the 3/15/2021	Resume, See more

My results enrich
my personal profile

By clicking on each of the skill cards, I can continue **to test myself in autonomy**, and find all the **tutorials** that were suggested during the test

You have 16 skills to test.
 Get your thinking hat on and off we go!
