Hallo Patrimonitz, My name's Little Stone. Let me show you the Great Wall.

The construction of the Great Wall for more than one thousand years, from Qing Dynasty to Ming Dynasty.

It's the longest wall in the world and it extends from the ocean to the desert.

In the condition of no machines, all finish by artificial.

They used beacon-fire to deliver the message. It's the earliest use of this technology.

Ocean, the beginning of the Great Wall. Here is called "Jiao Longtan" because the Great Wall like a dragon.

Part of the Great Wall built in the water. We call that "water on the Great Wall".

Here is called "Lian Yu Guan". It's the west end of the Great Wall. It's the special castle and part on the desert.
