

Contact information for main community organizations or representatives, non-governmental organizations or other bodies concerned with the element are attached, and their details can be published on the website of the Convention as part of the nomination.

Please note:

The Association of K'cimi i Tropojës (AKT) is the main dedicated association concerning the element, which has given permission for its details to be published on the Convention's Website. Others associations, such as Bytyçi or Shkëlzeni work in support wider expressions of heritage, which include K'cimi and tend to work only through AKT when working on this element.
