B. Contribution of the organization to the implementation of the Convention at the national level (Chapter III of the Convention)¹

Distinguish between completed activities and ongoing activities. If you have not contributed, this should be indicated. Also describe any obstacles or difficulties that your organization may have encountered in such participation.

- B.1.** *Describe your organization's participation in State efforts to develop and implement measures to strengthen institutional capacities for safeguarding intangible cultural heritage (ICH) (Article 13 and Operational Directive (OD) 154), e.g. in the drafting of ICH-related policies or legislation, in the establishment of national ICH committees or in other government-led processes.*

Not to exceed 250 words

Turkey registers elements of intangible cultural heritage through National Inventory System. Province inventories form the National Inventory System. Inventory works in the provinces are carried by the coordination of Provincial Directorate of Culture and Tourism. Cultural Research Foundation (CRF) has been a permanent member of Intangible Cultural Heritage Commission of Provincial Directorate of Culture and Tourism since 2014. CRF actively participates in all works within the scope of the commission.

¹ In case your organization operates in several States, please indicate clearly which State or States are concerned by your answers when filling in parts B, C and E.

B.2. Describe your organization's cooperation with competent governmental bodies for the safeguarding of intangible cultural heritage (Article 13), including existing institutions for training on and the documentation of ICH (OD 154).

Not to exceed 250 words

CRF, as a permanent member of UNESCO ICH Commission of Izmir Provincial Directorate of Culture and Tourism, participates in all works on elements of intangible cultural heritage that are prepared to be registered in the national inventory. CRF shares the results of field researches and documentation works that they carried out about elements of intangible cultural heritage with the commission and they put forward proposals for the inventory. CRF carries out works on intangible cultural heritage together and/or partner with public institutions, municipalities, academic institutions, educational institutions and NGOs.

B.3. Describe your organization's involvement in or contribution to the drafting of the State's Periodic Report (OD 152).

Not to exceed 250 words

The report that is prepared by CRF related to research, documentation, education and informing activities on elements of intangible cultural heritage of Turkey, in order to contribute to the National Periodic Report of Turkey, has been sent regularly to Ministry of Culture and Tourism-Directorate General of Research and Training which is the executive institution.

B.4 Describe your organization's participation in the preparation of nominations to the Urgent Safeguarding List or Representative List, requests for International Assistance or proposals of Good Safeguarding Practices.

Not to exceed 250 words

CRF participates directly in the works of creating provincial inventories. For example: The dossier of "Music of Roma" which has been prepared in 2016 following the works of field researches of CRF, participation of the related society and coordination with academic institutions, has been put forward as a proposal to Izmir Commission in order to be registered in ICH National Inventory of Turkey. "Music of Roma" examined by the Commission, was accepted and sent to Ministry of Culture and Tourism. It was registered in the National Inventory of Turkey in 2020.

A support report on "tea culture" dossier that has already been in the National Inventory and its preparation has been carried out for the representative list was sent to Ministry of Culture and Tourism in 2020.

Some specialists of CRF, as the employees of Ministry of Culture and Tourism, actively participated in the preparation of four tentative dossiers for ICH Representative List. Majority of CRF members have gained accumulation and specialty in the areas of ICH due to their graduate education on Ethnology and Anthropology, experience on field researches, the reports that have been presented to academic meetings and works of articles and books. Our foundation has the authority on the subjects of culinary culture, game and toys culture, tradition of handicrafts and rituals.

B.5. Describe your organization's participation in the identification, definition (Article 11.b) and inventorying of ICH (Article 12, OD 80 and OD 153). Explain, in particular, how your organization cooperates with communities, groups and, where relevant, individuals.

Not to exceed 250 words

Major specialty area of CRF is to carry out works of field researches, documentation and inventory on ICH. In order to carry out these works cooperation is promoted with public institutions, municipalities, academic institutions, NGOs and specialists.

Examples from inventory works:

A web site titled "Folk-Portal-Folklore Portal of Turkey" was prepared in 2018 in order to make inventory of ICH elements on a common digital platform putting forth idea of using new technologies for documenting, sharing, safeguarding and transmitting ICH. Folk Portal presents

sharing platform and new perspectives to people, groups and societies -especially young people-who want to identify and continue their ICH. Folk Portal is carried out under consultancy of a group formed from approximately 60 specialist academician, researcher and artist. Question forms published in portal and prepared by specialists, are documents to guide inventories. Specialists provide mutual information exchange by sharing their experience through videos. With this aspect Folk-portal provides educational platform. <https://folk-portal.org/>

Upon an inventory work that was started for ICH bearers on traditional handicrafts in Izmir in 2019, 108 crafts people were registered into inventory. The work which was supported by Izmir Municipality and Izmir Development Agency was completed in 2020. The results were presented as report to related institutions in order to be used in planning of Izmir Tourism Destination.

An inventory work titled "Culture of Anatolian Toys" that had been carried out within Toys Culture Program in different provinces of Turkey since 2002 by CRF, has been completed. It's planned to publish in 2021.

B.6. Describe your organization's participation in other safeguarding measures, including those referred to in Article 13 and OD 153, aimed at:

- a. promoting the function of ICH in society;
- b. fostering scientific, technical and artistic studies with a view to effective safeguarding;
- c. facilitating, to the extent possible, access to information relating to ICH while respecting customary practices governing access to specific aspects of it.

Explain, in particular, how your organization cooperates with communities, groups and, where relevant, individuals when participating in such measures.

Not to exceed 250 words

CRF carries out works as following: 1) research/documentation and improvement of safeguarding measures 2) publication (book, web site, documentary film) 3) meetings (educational and awareness rising) 4) exhibition and workshops (exhibitions of toys and handicrafts –workshops). In these works participation of ICH bearers is privileged.

With purpose of active safeguarding of ICH, an internet site titled "etnofotografi" has been created in 2019 in order to encourage artistic works and to share effective visual recordings of elements that are in provincial and national inventories. In web site which was prepared with Folklore Department of Ankara University, along with presentation of ICH, term of ethno photography has been described by written and visual media tools. The site is open for people and societies who want to share their visuals together with descriptions on the subjects of ICH. <https://ethno-photography.org/>

In order to support the craftspeople negatively affected during Covid-19 Pandemic, a digital book titled "My Art Story" including their stories through their own narration was published in both Turkish and English in 2020. The gathering of 40 craftspeople from different fields in the same platform has increased the awareness of our artists on their ICH and showed the roles of safeguarding measures of ICH for the continuity of handicraft tradition. It has provided opportunity to tell the function of ICH within the society is more apparent during pandemic conditions.

An animation work was started in 2020 for preschool children to inform them on ICH Convention by following an appropriate technique according their level.

B.7. Describe your organization's involvement in measures to ensure greater recognition of, respect for and enhancement of ICH, in particular those referred to in Article 14, ODs 105 to 109 and OD 155:

- a. educational, awareness-raising and information programmes aimed at the general public, in particular young people;
- b. educational and training programmes within the communities and groups concerned;
- c. capacity-building activities for the safeguarding of ICH;
- d. non-formal means of transmitting knowledge;
- e. education for the protection of natural spaces and places of memory whose existence is necessary for expressing ICH.

Explain, in particular, how your organization cooperates with communities, groups and, where relevant, individuals when participating in such measures.

Not to exceed 250 words

Examples from educational and informing works targeting especially youth:

Conference and photo show on subject of "ICH and Photography" was held in 2018 in Ürgüp. Event targeting university students and related young people to make contribution on subject of ICH and photographic documentation was carried out with contributions of related academic institutions and local NGO's.

"Dreams, Games and Reading Exhibition" was held in cooperation with Ministry of Culture and Tourism, Toy Museum of Ankara University and related institutions at Ankara Cernmodern Museum in 2018. Toy Collection of CRF was exhibited as elements of education and promotion and published as catalogue. During exhibition toy making events and conversations were held.

Within informing works, some parts of CRF's safeguarding activities were presented at ICH Courier Online of ICHCAP under title of "Safeguarding Activities" in 2018.
<http://ichcourier.ichcap.org/issue/volume-36/>

«ICH Convention and Ceremonial Keşkek Tradition» was spoken in conference held by Izmir Municipality, Izmir Mediterranean Academy in 2019.

Documentation work of museum toy collection carried out in cooperation between Toy Museum of Ankara University-Faculty of Educational Sciences and CRF was published as e-book by university in 2020. These educational books developed for teachers, researchers who want to plan educations on subjects of children and toy culture have been conveyed to large mass.

Tradition bearers and researchers can use digital and physical archives of CRF for free to be informed of ICH Convention and safeguarding measures. CRF encourages tradition bearers and associations platforms formed by them for safeguarding ICH and suggests them to follow Convention.

C. Bilateral, sub-regional, regional and international cooperation

Report on any activities carried out by your organization at the bilateral, subregional, regional or international levels for the implementation of the Convention, including initiatives such as the exchange of information and experience, and other joint initiatives, as referred to in Article 19 and OD 156. You may, for example, consider the following issues:

- a. sharing information and documentation concerning shared ICH (OD 87);
- b. participating in regional cooperation activities including, for example, those of category 2 centres for ICH established under the auspices of UNESCO (OD 88);
- c. developing networks of NGOs, communities, experts, centres of expertise and research institutes at subregional and regional levels to develop joint and interdisciplinary approaches concerning shared ICH (OD 86).
