Dear Abou,

Sorry for cross-posting. Official mails take some time.

BR Brilly, IHP Vice Chair

Dear Sir,

The NCs of Slovenia and the NCs of the II. Region countries discussed recently at several joint cyber meetings the 2nd Draft of the IHP IX. Programme and the documents prepared for the 29th meeting of the IHP Council.

Some of the comments are to be found in the attached Minutes of the last IHP II. Region NC Meeting on December 22, 2020 (pdf file). We are suggesting that the IHP IX. Programme should be completed by a complementary glossary for some general terms. We collect these terms from the comments of country reports, available at: <https://en.unesco.org/themes/water-security/hydrology/about-us/council-documents> for the Netherlands and Slovakia. Comments from Slovenia and Poland we have received later on.

Kind regards,

Matjaž Mikoš
