Dear Mr. Abou Amani,
Acting Secretary , IHP, UNESCO

First of all I applaud the great effort and dedication of the IHP Secretariat, the national experts and the consultants in competencies in translating the wishes of the UNESCO member states in the various versions of IHP-IX, including the current 3rd Order Draft currently under our consideration. This was done during very difficult time forced on all of us by COVID-19 restrictions. From our side we endorse the five themes and we hope that during the implementation phase we see more focus on "coping with water scarcity under climate and global changes, particularly in Arid and semi –arid zones"

I would like to assure that our representative Professor Abdin Salih, will participate in the 3rd Extraordinary session of the IHP Council (22 – 24 Feb. 2021).

With best regards

Wafaa Sidahmed Mohamed Noureldin
Secretary General
Sudanese National Commission for UNESCO
