Nigeria (CORBON), Nigeria*

## ConCOVE Tūhura– Lead Asia-Pacific

### Project objectives:

- Facilitating dialogue and knowledge sharing
- Skills needs mapping
- Innovative initiative recommendations
- Synthesising and reporting
- Establishing strategic partnerships

CONCO>E  
TŪHURA

The Next Generation Of Construction  
& Infrastructure Vocational Education

## ConCOVE Tūhura– Lead Asia-Pacific

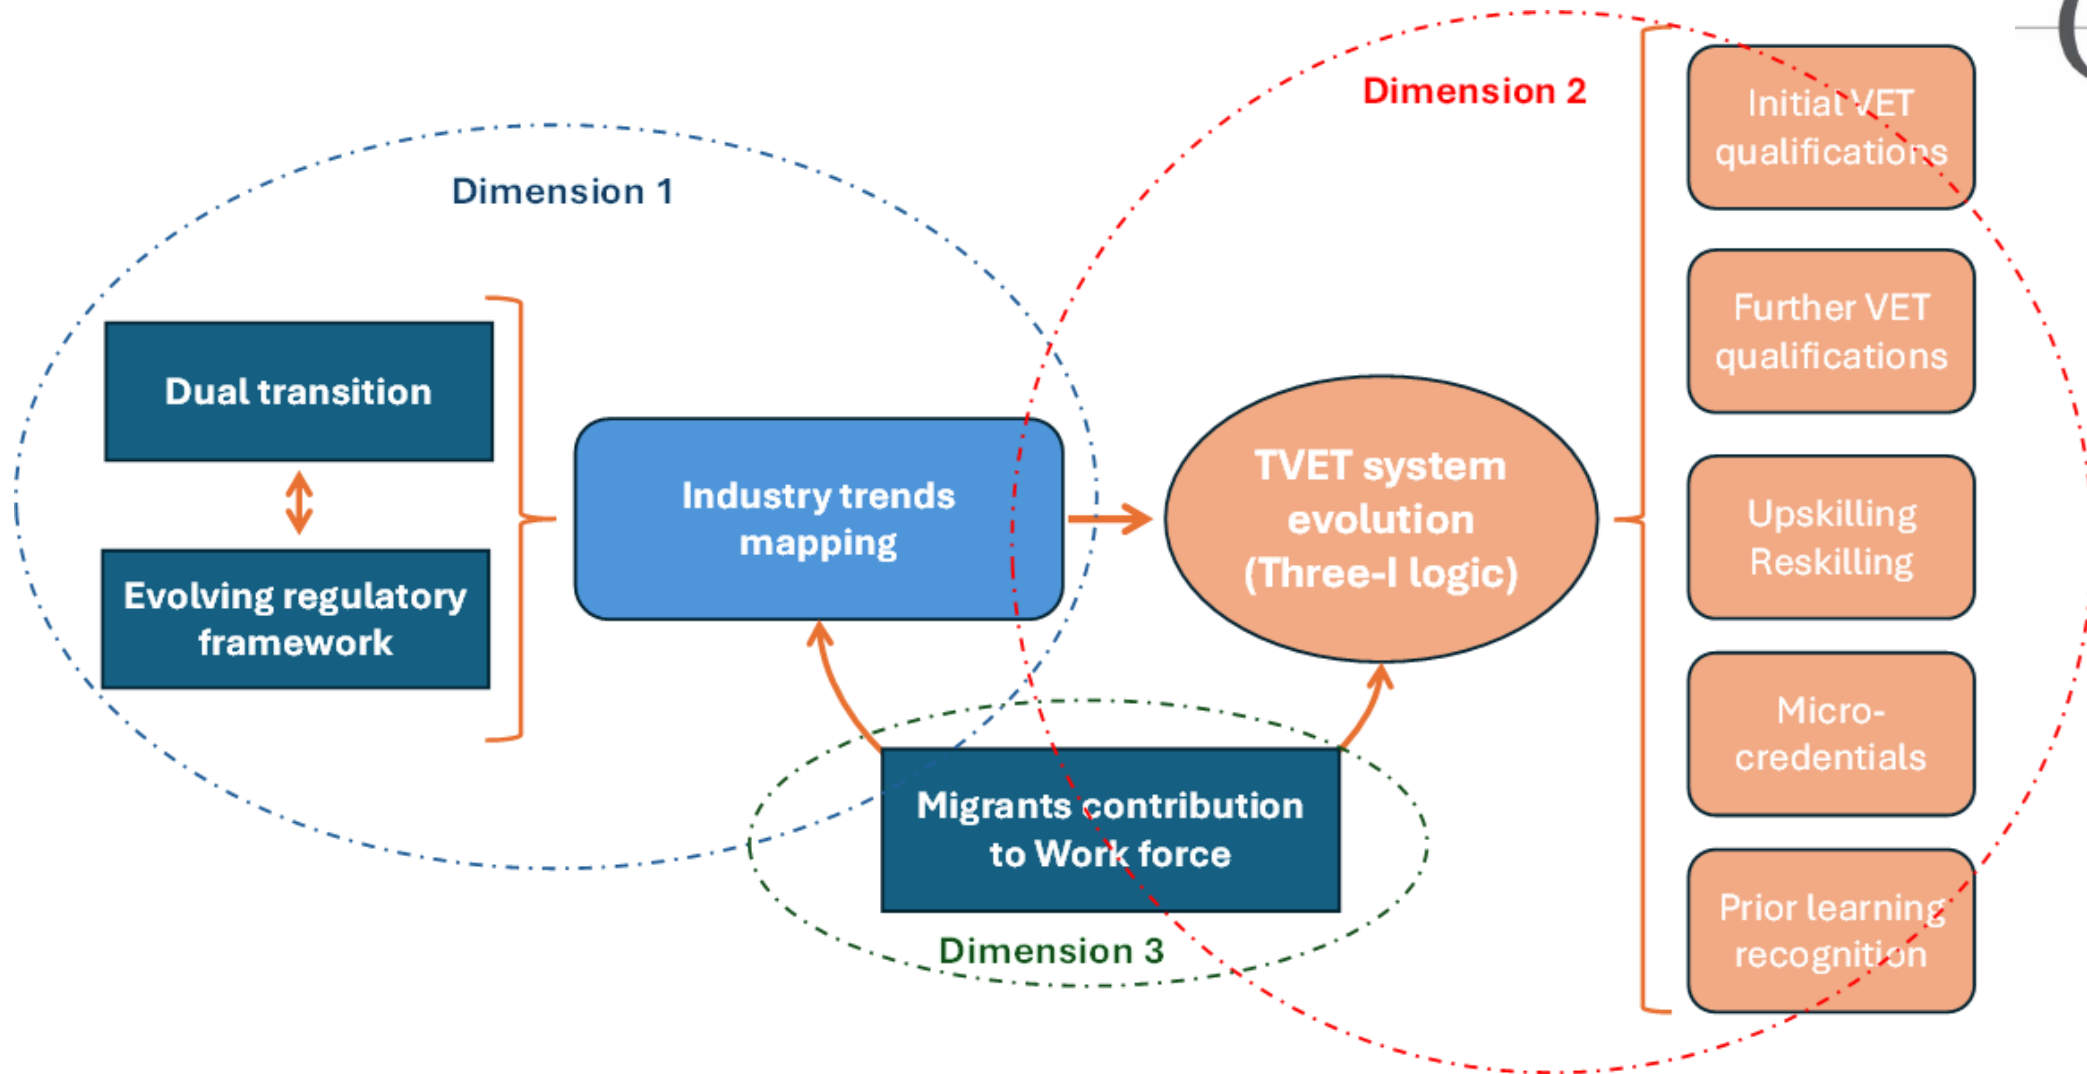

### Key themes:

- **Migration**
- Challenges and innovative solutions to skill transferability and portability
- Cultural sensitivity
- Impact of policy on access/barriers to skill acquisition and recognition
- **Greening**
- How might we embed environmental skill development in VET?
- Assess initiatives aligning skill development with emerging trends
- Roles of formal and non-formal training
- **Digitalisation**
- VETs role in skill development in emerging digital needs
- Role of AI, VR, and other digital learning
- Equitable access and the digital divide.

CONCO>E  
TŪHURA

The Next Generation Of Construction  
& Infrastructure Vocational Education

# Conceptual framework proposed for the expert group

## How Project objectives will be achieved :

- Planning regional and cross-regional expert meetings (all along the forthcoming 18 months) and addressing key questions on the greening/digitalisation/migrations topics
- Screening and selecting data through Systematic Mapping Review, generating a knowledge baseline.
- Identifying innovative practices in each region and selecting concrete actions and instruments to showcase
- Working on the preparation of the expert group's final report
