# Our vision

- At least once in the course of their education, all young people shall take part in an exchange or mobility activity to improve their language skills, their social and professional competences and thus also their prospects on the labour market.

# Our mission

- We promote and support projects and activities in the field of exchange and mobility in education and training at national and international level, both outgoing and incoming.
- We network organisations and institutions in the field of exchange and mobility and bring together providers and interested users of projects and activities.

# Our responsible body

- The Swiss Foundation for the Promotion of Exchange and Mobility (SFAM) was established in March 2016 by the State Secretariat for Education, Research and Innovation (SERI), the Federal Office of Culture (FOC), the Federal Social Insurance Office (FSIO) and the Swiss Conference of Cantonal Ministers of Education (EDK).
- Movetia is active since 1 January 2017.

# Our funding programmes

- In vocational education and training:
- Mobility projects under the Swiss Solution to Erasmus+ (with EU countries)
- Cooperation projects under the Swiss solution to Erasmus+ (with EU countries)
- International Programme (worldwide)
- National exchange projects (only within Switzerland)

- VET advisory and information service providers and bodies involved in VET policy
- Associations, NGOs and other organisations that implement projects in cooperation with VET institutions

# Destination countries

- All according to Erasmus+ Guide

- Cooperation projects under the Swiss Solution to Erasmus+ (KA2)

# Objectives

- Cooperation partnerships jointly develop innovative concepts, methods and instruments and exchange of best practices. They build and strengthen international networks at institutional level.

# Eligible stakeholders (direct target groups)

- Vocational schools and other vocational and further education institutions
- Training companies
- Social partners, professional and sectoral associations, professional organisations and chambers of commerce
- VET advisory and information service providers and bodies involved in VET policy
- Associations, NGOs and other organisations that implement projects in cooperation with VET institutions

# Destination countries

- All according to Erasmus+ Guide

- International cooperation partnerships
- (funded by SERI, no EU funding)

# Objectives

- At least one Swiss institution cooperates with one or more European or non-European institutions in a project. These cooperation projects contribute to the safeguarding and further development of the Swiss education system by:
- establishing and strengthening inter-institutional networks;
- development of new processes or new ways of working among the participating institutions thanks to the exchange of experiences and best practices;
- development of educational material, new pedagogical approaches or new services to be tested and ideally implemented;
- design of guidelines or policies for the sectors and actors represented by the participating institutions.

# Eligible stakeholders

- All VET related institutions based in Switzerland (project lead) and international partners active in VET (project partners)

# Target countries and project duration

- Destination countries: all countries of the world
- Project duration: max. 24 months
- Projects grants flat rates: CHF 15'000, CHF 30'000, CHF 60'000, CHF 100'000 and CHF 150'000
- These contributions may cover a maximum of 60 % of the total costs of the project. The participating institutions must therefore provide at least 40 % of the project funding themselves or draw on other sources of funding.  
The project may not already be funded by the Erasmus+ Programme or the Swiss Erasmus+ Cooperation Programme.
