

CURRICULUM VITAE

□ PERSONAL DETAILS (Natural Heritage)

Name	Kyung-Sik WOO	
Address	Yuhyeono 215 204-802, Gimpo City, Gyeonggi-do, 10113, Korea	
E-mail	happyman369@naver.com	

□ EDUCATION

Ph.D	University of Illinois at Urbana-Champaign	1983-1986
M.A.	Texas A&M University	1980-1982
B.A.	Seoul National University	1975-1979

□ WORK EXPERIENCE

<Regional Level>

- Professor, Dept. of Geology, Kangwon National University, 1986 – 2021
- Chair, Subcommittee of Social, Human and Natural Science, Korean National Commission for UNESCO (KNCU), 2021 - present
- Member, Heritage Committee of Kangwondo Province, 1997 - present
- Member, Heritage Committee of Gyeongsangbukdo Province, 2021 - present
- Former President, The Korean Quaternary Association, 2010 - 2012
- Director, Cave Research Institute of Korea, 2001 - 2011
- Vice president, Korean Society of Cave Environmental Sciences, 1995 - present

- National Team Leader for Jeju World Heritage Inscription, 2001 - 2007
- Vice president, Geological Society of Korea, 2011 - 2013

<International Level>

- Field evaluator for the World Heritage nominated site for IUCN, 2009 - present
- Chair, IUCN WCPA Geoheritage Specialist Group, 2013 - present
- President, International Union of Speleology, 2013 - 2017
- Adjunct Secretary, International Union of Speleology, 2005 - 2013
- National delegate, International Union of Speleology, 2001 - 2022
- Advisory Committee member, Asian-Pacific Geoparks Network, 2009 - 2018
- Scientific committee of Karst, International Geographic Union, 2005 - 2016
- Visiting professor, University of California at Santa Barbara, 1998 - 1999
- Visiting professor, Louisiana State University, USA, 1991 - 1992

□ LANGUAGES

- Korean (native speaker), English (advanced)

□ MEMBERSHIP

- Member, IUCN World Commission on Protected Areas, 2010 - present
- Member, International Union for Conservation of Nature (IUCN), 2010 - present

□ PUBLICATIONS * Corresponding author is underlined.

□ **HONORS and AWARDS**

- A Medal by the President of Korea, 2021
- A commendation, the National Academy of Science, 2017
- A Medal of Science and Technology by the President of Korea, 2013
- A commendation, by the President of Korea, 2009
- A most publication award, the Geological Society of Korea, 2008
- A commendation, the Geological Society of Korea, 2007
- A commendation, by the Prime Minister, 2003
- A commendation, the Kangwon National University, 2003
- An award for the best 100 books in Korea given by Minister of Science and Technology, 2002
- A commendation by the Minister of Environment, Korea, 2001
- A best paper award, the Geological Society of Korea, 1992

CURRICULUM VITAE

□ PERSONAL DETAILS (Natural Heritage)

Name	Do-Soon CHO	
Address	National Institute of Ecology, 1210 Geumgang-ro, Seocheon, Chungnam, 33657, Republic of Korea	
E-mail	dscho@nie.re.kr, dscho@catholic.ac.kr	

□ EDUCATION

Ph.D	Ohio State University	1984 - 1989
M.A.	Seoul National University	1978 - 1980
B.A.	Seoul National University	1973 - 1977

□ WORK EXPERIENCE

<Regional Level>

- President, National Institute of Ecology, 2021 - Present
- Professor Emeritus, Catholic University of Korea, 2020 - Present
- Chair, UNESCO MAB National Committee of Korea, 2015 - Present
- President, Ecological Society of Korea, 2013 - 2014
- Chair, Protected Areas Forum of Korea, 2008 - 2012
- Professor, Catholic University of Korea, 1990 - 2020

<International Level>

- Member and Rapporteur, International Advisory Committee for Biosphere Reserves of UNESCO, 2012 - 2019

□ LANGUAGES

- Korean (native speaker), English (advanced), French (intermediate), Spanish (intermediate)

□ MEMBERSHIP

- Member, World Commission on Protected Areas (WCPA) of IUCN, 2012 - Present
- Member, Cultural Heritage Committee of ROK (World Heritage Section), 2017 - 2019
- Member, Korean National Commission for UNESCO, 2015 - 2021
- Member, Cultural Heritage Committee of ROK (Natural Monument Section), 2005 - 2011
- Member, IUCN National Committee of Korea, 1998 - 2008

□ PUBLICATIONS

- The ecological values of the Korean Demilitarized Zone (DMZ) and international protected areas, 2019. MUNHWAJAE (Korean Journal of Cultural Heritage Studies) 52: 270-285.
- Gap characteristics and natural regeneration in Mt. Makiling rainforest, the Philippines, 2011. Journal of Ecology and Field Biology 34: 157-165.
- Ecological roles of mountain ridges in and around Gwangneung Royal Tomb Forest in central Korea, 2008. Journal of Plant Biology 51: 387-394.
- Feasibility of Mt. Sorak - Mt. Kumgang for inscription on the world heritage list and its promotion, 2015.

- The effects of wind turbines on natural reserves, 2014.
- Natural Protected Areas of Republic of Korea, 2008.
 - * Other than the aforementioned publications, there are several other books and research papers.

□ **HONORS and AWARDS**

- Medal of Honor for Nature Protection, 2012
- Presidential Award for Nature Protection, 2008

CURRICULUM VITAE

□ PERSONAL DETAILS (Natural Heritage)

Name	Jong-Deock LIM	
Address	Natural Heritage Center of Korea 927, Yudeung-ro, Seo-gu, Daejeon, Korea	
E-mail	dinosaur@korea.kr dinostudy@naver.com	

□ EDUCATION

Ph.D	Ecology and Evolutionary Biology University of Kansas	1994 - 1999
M.A.	Museum Studies [Geology] University of Nebraska	1992 - 1994
B.A.	Biological Sciences SungKyunKwan University	1986- 1992

□ WORK EXPERIENCE

<Regional Level>

- Director, Natural Heritage Center, National Research Institute of Cultural Heritage, July 2022 - Present
- Director, Planning & Coordination Division, National Research Institute of Cultural Heritage, Jan. 2022 - July 2022
- Director, Restoration Research Division, National Research Institute of Cultural Heritage, Feb. 2019 - Jan. 2022

- Director, Conservation Science Division, National Research Institute of Cultural Heritage, Feb. 2017 - Feb. 2018
- Chief Curator(Senior Researcher), Natural Heritage Center, National Research Institute of Cultural Heritage, Nov. 2006 - Feb. 2017
- Research Professor, School of Earth & Environmental Sciences, Aug. 2002 - Nov. 2006
- Researcher, University of Kansas Natural History Museum, Jan. 2000 - June 2001

<International Level>

- International studies on dinosaur footprints and geoheritage for 15 years in collaboration with Spain, Portugal, USA, and Mongolia
- National Committee Member for two UNESCO World Heritage registrations
 - Jeju Volcanic Island and Lava Tubes, 2007
 - Getbol, Korean Tidal Flats, 2021

□ LANGUAGES

- Korean (native speaker), English (advanced)

□ MEMBERSHIP

- Member, Construction Committee for National Institute of Natural Heritage, 2023 - Present
- Member, Construction & Management Committee for Dalseong Fossil Museum, 2020 - Present
- Member, Research & Management Committee for National Science Museum, 2020 - Present
- Member, Executive Committee for Goseong Dinosaur Museum, 2020 - 2022
- Member, Society of Korean Geological Sciences, 2001 - Present

- Member, Paleontological Society of Korea, 2001 - Present
- Member, Society of Vertebrate Paleontology, 1994 - 2010
- Member, Society of the Preservation of Natural History Collections, 1992 - 1999
- Member, American Alliance of Museums, 1994 - 1999

□ PUBLICATIONS

- Scientific Reports : Trackway evidence for large bipedal crocodylomorphs from the Cretaceous of Korea, 2020
